CLASSES IN NURSING

The classes in Home Hygiene and care of the sick under the Red Cross Chapter of Kent county have been quite a great success. These classes were under the care of a Miss Miller who is connected with the Johns Hopkins. They were organized all over the entire county and each person paid the small sum of two dollars and had the privilege of receiving fifteen lessons, after, which a regular examination was given. Out of the 176 persons in the classes, about 70 took the final examination for which each will receive a certificate from the A. R. C. Each student who missed at least three classes was barred from the examinations.

We can't help but feel these classes have accomplished much in making every student more capable of caring for the sick in their own home, by teaching them how to do so many things with more ease and by so doing add to the comfort of the patient. We regret more did not realize the importance of these instructions and avail themselves of the wonderful opportunity brought so close to them at such reasonable figures.

Below are the names of the members of the town classes and those having a cross mark (X) after them took the examination:

Are You Behind the Times?

The prairie schooner served a purpose in its day, but it had to give place to the transcontinental railroad.

In the same way laxatives and purgatives are giving place to Nujol in the treatment of constipation. These drugs give but slight relief and they invariably leave a condition worse than the original ailment.

In evolving the Nujol treatment science has solved the constipation problem for millions of people.

Nujol works on an entirely new principle.

Instead of forcing or irritating the system, *it simply softens the food waste.* This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.

Nujol thus *prevents* constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

Nujol is absolutely harmless and pleasant to take. Try it.

Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger".

ORDER OF PUBLICATION

Hester Boyer vs. Charles Boyer.

In the Circuit Court for Kent County, In Equity. No. 2096.

The object of the Bill filed in the above entitled case is to procure a Divorce, "a vinculo Matrimonii" for the Plaintiff, a resident of Kent county, Maryland, from the Defendant.

The Bill States:

1st. That on or about the ——day of January, 1907, she was married to Chas. Boyer, at Still Pond, Kent county, Maryland, by the Rev. Johnson, a Minister of the Gospel, and she resided with her husband, the said Charles Boyer, until on or about May 5th, 1915.

2nd. That no children were born to the said Hester Boyer and Charles Boyer.

3rd. That although the conduct of your Oratrix towards her husband, the said Charles Boyer, has always been kind, affectionate and above reproach, the said Charles Boyer, abused, ill-treated, and failed to properly provide the necessities of life for your Oratrix, with the result that your Oratrix was compelled to leave the said Charles Boyer and earn her own livelihood, and that said enforced abandonment has continued uninterruptedly since May 5th, 1915, is deliberate and final and the separation of the parties beyond any reasonable expectation of reconciliation.

4th. That ever since their said marriage your Oratrix has behaved herself as a faithful and affectionate wife towards the said Charles Boyer.

5th. That the said Charles Boyer, at divers times and places has committed the crime of adultry in Kent county, Maryland, with persons unknown to your Oratrix and that your Oratrix has not lived or co-habited with him since she discovered the said adultries.

6th. That your Oratrix is a resident of Kent county, State of Maryland, and has been such for many years, but, in order to earn her livelihood, she has been compelled, at times, to seek service out of the State and she is now employed at service in the District of Columbia, although her home and actual residence is in Kent county, Maryland.

7th. Your Oratrix, avers that she has not seen the said Charles Boyer since the spring of 1915, and does not actually know where he is at present living, although she has made diligent search and inquiry among all of his relatives in the State of Maryland, but has not been able to locate him, she believes therefore that he is a non-resident of the State of Maryland, but is unable to state where he actually lives.

It is thereupon this 23rd day of June A. D. 1920, ordered by the Circuit Court of Kent County in Equity, that the plaintiff by causing a copy of this order to be inserted in some newspaper, published in said Kent County, once in each of four successive weeks before the 26th day of July next, giving notice to the said Chas. Boyer, non-resident Defendant, warning him to appear in this Court in person or by Solicitor on or before the 11th day of August next, to show cause, if any he has why a decree ought not to be passed as prayed.
