FAIRFIELD'S BLOOD TONICS

A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

Judge Pearce Says Statement is Unwarranted And Ought Not to Have Been Made.

Chestertown, Md., Nov. 26th, 1910.

Editors of the Chestertown Transcript:

Dear Sirs—On my return this evening from court at Easton I have read the article in the Transcript of this date, headed, "Judge Pearce Indorses the Anti-Organization."

That statement is unwarranted and ought not to have been made. My letter to which you refer was addressed to the County Commissioners as a corporate body, and not to that part of the body which happens to be connected with that wing of the Democratic party known as the Anti-Organization, and the correspondence had exclusive reference to my recommendation for the enlargement of the vault of the Clerk's office which I believe to be necessary for the protection of the public records. The Commissioners who signed the letter addressed to me referred to the extraordinary rate of the present year as a reason for not taking immediate action in the matter. I have no disposition to recede from, or qualify, the opinion expressed in my reply that it was good policy for the taxpayers that the levy for 1910 should be sufficient to discharge all existing indebtedness. That question is one in which every taxpayer is interested and upon which each has a right to speak as a citizen and not as a politician. In expressing that opinion I did not enter upon any political subject, and my judgement as to the policy of prompt payment of pnblic debts can only be construed as an endorsement of that policy as applied to the levy then made.

Since I have been on the bench I have studiously avoided participation in any factional controversy or the expression of any opinion in respect thereto. For this reason I have thought it wise not to take part in primary elections and have not done so, and I must now decline to be represented as indorsing the Anti-Organization. I do not think it proper for a judge to meddle with the political management of his party, or to give public expression in reference to the merits of factional controversies except under extraordinary circumstances, rarely occuring.

I must therefore ask you to give space in your columns to this letter, a copy of which I have requested the Editors of the KENT NEWS to publish in order that both wings of the party may be promptly informed of my disavowal of the position in which your article would place me if I remained silent.

Yours very truly,
JAMES A. PEARCE.

SERIOUS ACCIDENTS.

James Stewart Loses An Eye From Being Shot—Edward Cole Hurt.

James Stewart, nephew of Mrs. Victor Hendrickson and Mrs. J. M. J. Byron, a merchant of Ellicott City, got shot in both eyes and one ear while hunting on William H. Baugher's farm, two miles from that city, on Thursday afternoon. He was taken to the Baltimore Eye and Ear Hospital. He will lose the sight of his left eye. Mr. Stewart was with Joseph H. Leishear, Jr., ex-Mayor, and Collier. One of the party fired and he received the load of shot in the face. A shot pierced his left eye, another tore his right eyelid and a third entered his left ear. Dr. William B. Gambrill attended him and advised his removal to the hospital. An X-ray examination was made and his left eye removed. Mr. Stewart has owned a store there for several years.

Mr. Elon Beauchamp, son of Rev. J. H. Beauchamp, of Still Pond, was accidentally shot one day last week while out hunting with a friend. About 28 shot took effect in his leg, but the doctors do not anticipate any serious trouble as he is getting along very well. Gunners cannot be too careful.

BARNS BURNED

On Worton Manor Beach and on Mrs. Crew's Farm—Six Horses Burned.

The big barn on Worton Manor Beach Farm, 10 miles from Chestertown, was destroyed by fire Friday night, including 200 bushels of corn, 80 tons of hay, 100 bushels of wheat, farm implements to the amount of $1,000 and some harness. The farm was formerly owned by William Slagle, of Baltimore, but was recently sold to Lawrence Steele Costelle and wife, of Baltimore, who tenanted the place. The fire is supposed to have been caused by pipe smoking. The loss will amount to $4,000, with $2,000 insurance on barn, and a small sum on implements. The fire attracted a large crowd.

The barn and other outbuildings on the farm of Mrs. H. L. Crew, near Coleman's corner, were destroyed by fire on Sunday night, together with six head of horses and all fodder, hay and implements. The farm is tenanted by Mr. Horton Silcox. The loss is estimated at $2,000, with no insurance excepting $225 on the barn. The origin of the fire is unknown. Five of the horses belonged to Mr. Horton Silcox, who expected to remove next year on the Crew home farm and on which there was no insurance. The sixth horse belonged to Mr. Thomas Silcox and was insured.

FARMERS' MEETINGS.

The Rich Neck Farmers' Club held its "annual corn meeting" at the home of Col. Albert Story, near Chestertown, last Thursday week. Mr. Oscar Collier, of Easton, was present and awarded the following corn premiums: White corn, Josiah Massey, first; J. T. Anthony second. Yellow corn, H. P. Skipper, first; W. Irving Walker and Charles E. McKee, second. An elegont dinner was served under the supervision of Mrs. Story.

The next meeting will be held Dec. 15th at the home of Mr. Charles Baxter. Reports from the various State associations will be made by Messrs. James T. Anthony, W. I. Walker, H. P. Skipper and Mrs. Walker.

The Still Pond Farmers' Club met at the home of Mr. and Mrs. T. Shafer on Thursday.

FIREMEN'S BENEFIT.

The moving picture show in Stam's Hall next week will be under the auspices of and for the benefit of the Chestertown Volunteer Fire Company. A performance will be given every night during the week, and in addition to a lenthy programme of fine pictures some special features will be introduced at each performance, including male quartette selections, vaudeville acts, recitations, etc. Tickets will be in the hands of agents this week and the citizens of Chestertown should purchase liberally. The tickets will be good for admission any evening from December 5th to 10th inclusive.

PROMPT PAYMENT.

On Monday morning Mr. John W. Barnett, clerk of the local camp, No. 8749, Modern Woodmen of America, handed to Mrs. Carrie Wroth, widow of the late Emory S. Wroth, a draft for $1,200 in payment for the insurance which Mr. Wroth held in the order. The prompt payment of this claim demonstrates the splendid business policy of the order, and is a striking example of the value of the kind of protection which the Modern Woodmen offers its members. The local order has now 82 members, and Mr. Wroth's death was the first that has occurred in the order since its establishment here ten years ago. It is one of the strongest fraternal orders in existence, having a membership of over 1,200,000, and its inducements to membership are liberal protection at minimum cost and prompt settlement of all claims.
