Eggs Wanted For Hatching

We can use 70,000 Pure-Bred Eggs per week for hatching.

If you have thoroughbred hens, call and see us as we pay a premium for such eggs.

Every farmer should keep Pure-Bred Hens, as you will get more for your eggs and several cents more for your chickens when they go to market.

Get busy now—get some Pure-Bred Chickens and then in the fall you can get rid of your mixed stock.

With good care and housing you will be surprised to find that they are the best paying crop on the farm.

A number of our patrons tell us that their hens bring in more money than their cows. One farmer in Kent county sold over $1400 worth of eggs from 400 hens. You can do the same if you care to.

Come and see us and talk it over—we will be glad to help you.

PUBLIC SCHOOL NOTES

Lack of space permits only the following abbreviated items.

Broad Neck

A masked social was held by the Parent-Teacher Association at the Broad Neck School on Friday evening January 18th, 1924. The school children were all masked, some representing clowns, fairies and one representing Rip Van Winkle. We also had one representing a pig. A number of the patrons were masked. Games, music and singing were the principle features of the entertainment of the evening. At a late hour brick ice cream was served by the pupils of the school. Fancy cakes were served with the ice cream.

The P. T. A. of Broad Neck has done much toward the improvement of the school and we have also all enjoyed the evenings together. More than $55 has been made for improvements in the school, since our organization in October.

The association decided to spend another social evening together Friday evening, February 22, St. Valentines Day.

Chestertown Elementary School

In response to an invitation from the Sixth Grade, the grammar grades met in the Assembly Hall, Friday afternoon, January 18th and heard a very instructive talk upon "Citizenship" given by Mr. Hugh Hartman of Queen Anne, County.

The Chestertown Elementary School is making plans to establish its library upon a firm basis. The books on hand at present will be catalogued and a card index system introduced. New books will be added from time to time. The School Board gives ten dollars when the school raises ten and patrons of the school are helping with contributions of both books and money.

The prize money which was given to the seventh grade from the Pageant some years ago has been used to buy some new reference books for that grade.

The older pupils will be instucted "How to Keep Library." It is hoped to put this work upon such a good foundation that it will be a help to the pupils all thru the school.

CHESTERTOWN

The banner won by the Chestertown Junior Chautauqua was sent to the Elementary School. As a courtesy to the president of the Jr. Chautauqua, Ida Spielberger, it will hang in the seventh grade room for the rest of the year. At the close of the year the banner will be placed in the assembly room by the side of the other one which was won in 1914.

We hope the interest in the Junior Chautauqua will be so great that they will try to win the 1924 banner.

Millington

The teachers of the Millington School, presented a splendid program to their community on Wednesday, January 23, at 7:30 p. m. in the assembly room of the school building.

Miss Clara Bryan served as chairman of a committee consisting of the elementary teachers, to decorate the room for the occasion. The decorations were in red, purple and gold, the colors of both the high school and the elementary schools.

Principal W. E. Ritter presided and introduced the speaker of the evening. The orchestra consisting of saxaphone, violin and piano by Dr. Brice, Mr. Tobin and Mrs. Feddeman delighted the audience with music before and after the lecture. Richard Comegys and Carlton Wallen are always appreciated with their piano duets and this was no exception.

Rev. ——— Saunders delivered a lecture on "The Unwritten and Unemphasized History of the South." He is a "Wizard" at quoting statistics and gave evidence of having gotten his information first hand. Rev. Saunders was a journalist on one of the leading daily papers for several years while he was living in the South and has gathered a fund of information that has never been published but that is very interesting.

Judging from the attention of the audience during the lecture and the friendly remarks following the program, the audience was very much pleased with the entertainment. Millington may well be proud of the fact that such a high class entertainment can be put on with all "Home Talent."

Rev. Saunders will be glad to make dates for this or a religious lecture on a fifty-fifty basis with churches, schools or other organizations.

A Boy Scout Troop was organized in Millington last October under the supervision of W. T. Ritter, Principal as Scoutmaster. We have ten members all of whom have passed the tenderfoot testss The boys show great interest in the scout work and are now working to become second class scouts.

The Millington P. T. A. will hold its regular monthly meeting on Wednesday, February 6th. An interesting program will be rendered by the school children and a few of the patrons.

We hope everybody will come out and help to make this the banner meeting of the year.

Galena

The Galena community was represented by a large number of interested people on Wednesday, January 23, when they answered to a call of Supt. Robinson to meet at the schoolhouse at three o'clock for the purpose of considering the organization of a Parent-Teacher Association. It was a most enthusiastic group and they seemed to have come with the idea of organizing. The following officers were elected: Mrs. Hadley, President; Mrs. Jones, Vice President; Mrs. Scott Secretary; Miss Ware, Treasurer.

A committee was appointed by the president to draw up a brief constitution to be presented at the next meeting.

Sassafras

On Wednesday, January 22, a group of patrons of the Sassafras School gathered at the school house to discuss the advisability of organizing a Parent-Teacher Association. It was a cold day and not nearly all of the patrons were there but those who were there were anxious to have a community organization and reported that they felt sure it was the weather and not a lack of interest that kept the others away.

After considering the matter carefully they decided to organize and elected the following officers: President, Mrs. Harry Robinson; Vice President, Mrs. Raymond Thornley; Secretary, Mrs. Scott Rosin; Treasurer, Mrs. William Bailey.

We expect to hear fine reports from Sassafras judging from the spirit of the people who met to organize.

Washington College Defeats Two Teams Recently

Washington defeated the strong Western Maryland College team Saturday evening before a large crowd by score of 45 to 11. The home boys played rings around the Methodists but the score should have been much larger. All the playing with but a few minutes exception was around the home goal. Carroll and Carrington lead the scoring:

$66,500 TO FERRIES

The amount of subsidies paid to ferries by the State of Maryland is as follows: Baltimore and Eastern Shore Ferry Company is receiving $43,500 annually—$24,500 on the Bay Shore-Rock Hall route and $19,000 on the Bay Shore-Queenstown route. The Claiborne-Annapolis Ferry Co. is receiving $23,000 annually.

The State, therefore, is making an annual payment of $66,500 in subsidies for the operation of these three routes.

The total amount appropriated by the State to date for this purpose is $227,000, and more than $200,000 of this sum actually has been expended.

Bonnett's clean sweep sale starts Saturday, February 2nd, and will continue for ten days. See adv. on page eight.

NOTICE

A special meeting of the Chestertown Chautauqua Guarantors for 1924 is called for Thursday evening, February 7th, 1924, at 7.30 o'clock at the Kent County Savings Bank. This is the first meeting of the 1924 Guarantors and a most important one. Officers will be elected and other matters discussed vitally effecting the success of the 1924 Chautauqua. Please arrange to be present. Respectfully,

M. WILBUR THOMAS, Sec.

Sheriff Goodman Gets A Member of Gang of Theives

There has been a number of petty thefts committeed near No. 10 School, a short distance from the Delaware line, recently. Last Saturday Sheriff Goodman and deputy, Albert Jester, visited the section and arrested Clifton Gossner charged with stealing meat and clothes from Linwood Burris. Gossner was brought to jail and since being here has acknowledged the charge and implicates Henry, James and John Lloyd, who own a place near No. 10 School. A visit by the sheriff later to the place revealed the hiding place of the stolen goods. They had been put in a "dug-out" under the feed room floor which was reached by means of a trap-door.

A barrel of mash was also found and in an old house 100 feet away a good size still was found.

A warrant for the arrest of the Lloyds is in the sheriff's hands and the Delaware authorities have also been notified.

E. R. PENNINGTON MAKES NEW STATE MILK RECORD

Kent's first 30 pound record is made. Fayne Finderne Korndyke No. 587214 produces 650.6 pounds of milk in seven days and 30.4 pounds of butter, on official test. This official milk record is a new State record and the butter record is within .387 pounds of the State butter record for the senior four-year class. This cow produced in 24 hours during the above official test, a little over 99 pounds of milk. Practically 100 pounds of milk in one day from one cow is quite a record. It shows efficient selection, care and management on the part of Mr. Pennington, who is to be congratulated on his achievement.

Kent Clothilde Pontiac Walker No. 469782, was also put on official test by Mr. Pennington and she produced 646.2 pounds of milk and 26.485 pounds of butter in seven days. This fine co wis the dam of Norman Pennington's prize-winning Club Calf and now a cow, whose official seven-day record, as a junior two year old was 460 pounds of milk and 20.25 pounds of butter.

These records are the result of purebreds of good quality, good breeding, and good health, properly cared for with untiring efforts, coupled with a sound and thorough knowledge of Holsteins and dairying as shown by Edgar R. Pennington, of near Kennedyville.

The Triangle Club of the Christ M. P. Church will be entertained by Mrs. George W. French at the home of Miss Laura Nicholson, Feb. 5th.

Rev. A. P. Prettyman will supply the pulpit of Asbury M. E. Church, Millington, at both the morning and evening services this Sunday. The public has a cordial invitation to the meetings.

WEDDING NOTES

Miss Lucia Nigra, daughter of Mr. and Mrs. Gerado Nigro, of Cross St., Chestertown, formerly of Wilmington, and John Vintigne, of Wilmington, were married last Monday afternoon at Sacred Heart Catholic Church by the Rev. Father Earner, pastor of the church. Immediately following the ceremony a splendid reception was held at the home of the bride's parents on Cross street. The bride was handsomely dressed in white satin. After a short wedding trip Mr. and Mrs. Vintigni will reside in Wilmington where he is engaged in business. At the wedding ceremony the bride was attended by Mrs. Mary Cartelli and the groom's best man was Morris Rosi. Music was furnished by violin and accordion.

Dr. William T. Henry, of Centreville, and Miss Frances Lillian Stevens, of Barclay, motored to Chestertown Saturday evening where they were quietly married at Emanuel P. E. Church, by Dr. C. L. Atwater.

The bride, who is the daughter of Mr. and Mrs. James T. Stevens, of Barclay, was given in marriage by her brother, J. Fred Stevens, of Centreivlle. She was attired in a tailored suit of dark blue Poiret twill, with hat of blue and brown taffeta to match. The ceremony was witnessed by members of the immediate families and a few close friends.

Immediately after the marriage the bride and groom returned to Centreville, and are now occupying Dr. Henry's handsome new residence on Belvedere avenue.
