New-Year Greeting

DECEMBER 31, 1910.

To Our Patrons:

We want to thank each one of you for your favors during the year just closed. We have tried to serve you with all the efficiency and dispatch possible. The fire came and destroyed our plant at the close of a very busy season, but during all this time you bore with us and helped us by your waiting at a time when we were in need of your patronage. We are at work now erecting a new and up-to-date brick building, and want to equip it with modern and up-to-date tools and machinery, so that we shall be better prepared to serve all your needs than we have ever been before. Trusting that we shall merit an increased share of your patronage, and wishing you Health, Happiness and Prosperity, we are yours to serve.

FAIRFIELD'S FEED BLOOD TONICS
A SEPARATE PREPARATION FOR HORSE COW HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

THE FAIRFIELD PREPARATIONS ARE SOLD UNDER WRITTEN GUARANTEE BY

WHARF PROPERTY SOLD

Bacchus & Usilton Negotiate for Sale of Big Water Front in Chestertown—The Purpose Shrouded In Mystery.

The Burchinal—Thompson wharf and water front located in Chestertown at the foot of Cannon street and belonging to Jefferson D. Bacchus and Fred. G. Usilton has been sold to S. Scott Beck, Esq., possession to be given about March 4, 1911.

This valuable wharf was purchased at public sale by the Messrs. Bacchus & Usilton in 1899 for $4100 and has been greatly improved since. Several lines of boats have been started but none could complete with the Pennsylvania railroad and they had to discontinue. It has been a busy place as most all the coal was unloaded there besides other freight. It is the home of Arks, and in which the owners have kindly taken care of many men. All kinds of life may have been seen there.

The new purchaser is supposed to be acting for some one or ones but will not disclose the purpose of purchase at this time. It is sincerely hoped that some manufacturing plant may be established then lets waten and see, and encourage the new owner in whatever enterprise may be started. Mr. Charles Johnson the "Mayor" of the wharf will continue his position as far as can be learned.

It is reported on the streets, but not authoritatively, that the Chestertown Electric Light Co. will remove their plant to this property. Mr. F. H. Russell, superintendent of the plant, says the Electric Light Co. has not bought the wharf never tried to buy it nor do they want to buy it.

ARRESTED BY SHOT!

Edward Meads, a colored employe of Mr. Notley Wilson, near Rock Hall, was arrested by officers Wm. Bramble and Purnell Newcomb last Saturday but a gun had to be used to bring him to bay. Meads has recently been released from the House of Correction and since his arrival in Kent always carried a gun. Officer Bramble attempted to arrest the negro last week but when a double-barrel shot gun was pointed at him he retired. Saturday accompanied by Purnell Newcomb they went to Mr. Wilson's and found the negro in the field some distance away from his gun. As soon as the negro saw the officers he made for his gun but Mr. Newcomb fired first and struck the man in the leg.

He was brought to Chestertown jail and the wounds treated. He was not seriously hurt. He says when those shot struck him they burned like fire!

THE Kent County Commissioners will be represented at the State meeting in Baltimore next Thursday.

The bride wore a tailormade suit of Copenhagen blue broadcloth with picture hat. Mr. and Mrs. Jewell will be at home after Jan. 15th. They received many handsome presents.

Grange Meeting.—Fairlee Grange had a very interesting New Year's program, Dec. 28th. Appropriate readings were given by Mrs. Fletcher, Mrs. Corey, Miss C. I. Smyth and Mrs. Wm. G. Smyth. Brother Walter Harris, of Still Pond Grange, was present and gave an interesting talk. About 45 were present at the meeting on Jan. 4th and the following program was rendered: Address to the New Year, E. A. Corey; Read Thanatopis, Wm. G. Hydie Thompson, Louis Smith; Commissioners Harry Davis, T. B. Crew, A. C. Loud, C. D. Wood; Dr. C. W. Whaland, Walter H. Hadaway, Harry Skirven, E. A. Corey, Jesse H. Usilton, Jos. Watson, Walter B. Killed.—During the course of a drunken riot or brawl in the restaurant of Summerfield Smith, opposite the N. Y. P. and N. Depot, Herman Parker, a young man of Salisbury, was shot and almost instantly killed by Policeman Brittingham, who claims that he was trying to preserve peace and order in the restaurant and only shot in self defense,—after he had tried other means and when he considered his own life to be in danger. There have been rumors for some time floating around the town that a crowd of men at the depot had it in for the new policeman appointed by the Mayor and City Council to keep law and order in that section. Policeman Brittingham had been warned that they were after him and was told him to be on his guard. Herman Parker expected to come to Chestertown last Monday to work on Davis & Satterfield's building.

RALPH EVANS POISONED!

A special telegram on Friday from Hagerstown, says: "William R. Evans, aged 14 years, son of W. G. Evans, of Pittsburg, died today at the home of his uncle, S. F. Evans, Funkstown, this county, presumably from ptomaine poisoning, supposed to have been caused by eating oysters. He was stricken Tuesday morning, after having eaten heartily of oysters the night before. He had come from his home in Pittsburg to spend the Christmas holidays with relatives in this section."

Ralph will be remembered as the fat, chubby son of Mr. W. G. Evans, and and brother of Miss Violet Evans. Mr. and Mrs. Evans and family came to Chestertown from Pittsburg, and while here won the esteem of everyone. After living here several years they removed to Baltimore and finally returned to Pittsburg. Their many friends here send sympathy to the bereaved family.

Xmas Jubilee.—Christ M. P. Sunday School held its Xmas jubilee last Friday night in Stam's Hall and about 300 pretty boxes filled with candy, nuts, etc., were distributed. Charles Smith represented Santa Claus, Joseph N. Wheatley was Mrs. Kris and Russell Wheatley the kid. Mr. J. Hydie Thompson arranged the coming of Kris and called the roll. After old Kris left games of various kinds were enjoyed.

THERE is not another bank of the seventeen or more in Sussex county, and probably not another in Delaware that has a woman for one of the directors, except the Lewes National Bank. The woman director is Mrs. Ella S. Dodd, whom it is said, is the largest stockholder of the institution, and through whose instrumentality, mainly, that the bank was started.
