The Reason Why

We Sell More

Building Materials of all Kinds

Lumber and Mill Work

Than Our Competitors

Is Because We Undersell Them

Our Prices are always less than the other fellow wants for the same goods. If you don't believe it, ask us for a price on something. We are after the business, and to get it we will give prices that can't be beat. Don't be misled on **Quality** and **Grading.** You know there's a difference, but you can't always detect it. The unscrupulous dealer knows this and takes advantage of your inexperience by giving you lower grade than you pay for. Our **Quality** is absolutely guaranteed. Our **Grading** is standard among the thousands **Who Know. Send Us An Inquiry To-day.**

We're out to undersell the other fellow and save you money—and we do it.

KENNEDYVILLE NOTES

There is a move on foot upon the part of some of the good business men of Kennedyville to lay some cement sidewalks in the village, which will be a great improvement.

At the members meeting in the M. P. Church on Sunday morning last, held by the board of stewards, Mr. W. M. Clendaniel was elected delegate to the Maryland Annual Conference of the M. P. Church, which meets in Federalsburg, Md., on the 5th day of April, and Mr. William Hague alternate. The delegate was unanimously instructed to ask the Conference for the return of the present pastor, Rev. F. H. Mullineaux, for the next conference year.

The fourth quarterly conference of Kennedyville charge, M. P. Church, will be held in the church building on Monday morning, March 6th, at 9.30 o'clock, instead of the 11th, as heretofore announced. A large amount of business is to be transacted and a full attendance of all the members is greatly desired. Remember the date, Monday next, the 6th of March.

The entertainment given in Weer's Hall last Thursday evening by the Fairlee Minstrels, under the auspices of the Granges of Fairlee and Kennedyville, was a great success. About 260 tickets were sold and near sixty dollars taken in at the door. The Grangers of Kennedyville Order served the minstrels with supper, and at the close of the entertainment, which continued for about two and one-half hours, coffee and cake were served. All speak of the entertainment in highest terms, and the large audience enjoyed a great deal of innocent fun.

Church services Sunday, March 5th: Sunday-school 9.30 a. m.; preaching at 10.30 by the pastor, Rev. F. H. Mullineaux, topic: "Devil Traps and What They Catch." The service will be in the interest of the W. C. T. U. of the village and vicinity. The speaker will exhibit a number of the traps above named in the object lesson address, traps which "catch" men and boys—and girls, too, sometimes. Come and help fill all the seats. Junior C. E. service in the afternoon, 2.30; song service and sermon in the evening at 7 o'clock. All most cordially invited.

A WORTHY INSTITUTION

The Public Library of Chestertown is now entering into its fourth year having been formally opened February 19, 1907, with 267 books and 21 subscribers. In the years of its existence its growth has been steady, a fact greatly appreciated by the Woman's Literary Club through whose efforts it was established, and while an entirely separate organization from the Public Library, its members are in charge and act as Librarians on the appointed day.

Although one-half of all the expenses incidental to the library, rent, coal, janitor's fee, insurance, printing, etc., are born by the Woman's Literary Club, the small fee of less than 5 cents a month charged for subscription, leaves but a small margin for the purchase of new books. Last year the management and subscribers adopted a plan to collect a mile of pennies, which met with a ready response, the total received being $44.86. But as each year brings its own expenses the growth and usefulness of the Library demands another appeal for financial aid. In just what way this will be most acceptable both to the subscribers and those, while not on the Library lists are its well wishers, has not yet been decided upon by the management.

There was purchased by the Library Committee of 1910 sixty books, covering a range from "Ornithography, Music, Travel, History" to be "Best Seller."

Miss Anna Brown made a most generous donation of 32 books, as did Dr. S. Thomas, of Philadelphia, of 30 volumes. Donations were also received from Mrs. Houston, Miss Adele France, Mr. Thos. Perkins and Mr. Wilbur Eliason. The The Library was further enriched by the purchase of the library of Miss Julia E. Ashley. This was a most notable addition as the liorary by it came into possession of many standard works of fiction, Poetry, the Art and of Science, also a complete Encyclopoedia Britannica. The number of books now in the library are 937.

The number given out during the past year was 2015, the number of new subscribers in the past year 36, total number of subscriptions 92.

The following books have been added to the library recently:

Calling of Dan Matthews.
Jeanne of the Marshes.

NEW YORK'S GREAT PENNSYLVANIA STATION.

One of the greatest works of modern times was the construction of the concrete-lined steel tubes under the Hudson and East Rivers, the tunneling of Manhattan Island, and the erection of the magnificent Pennsylvania Station at Seventh Avenue and Twenty-second street, New York, bringing the through trains of the Pennsylvania Railroad into the heart of N. Y. City.

An illustrated booklet describing this great work, and telling what it means to the New York passenger, has been issued by the Pennsylvania Railroad and will be sent postpaid to any address by George W. Boyd, General Passenger Agent, Broad Street Station, Philadelphia, Pa., on receipt of a two-cent stamp. Send for it. mar4-2t.

OTTUMWA WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Ottumwa, Iowa.—"For years I was almost a constant sufferer from female trouble in all its dreadful forms; shooting pains all over my body, sick headache, spinal weakness, dizziness, depression, and everything that was horrid. I tried many doctors in different parts of the United States, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors. I feel it my duty to tell you these facts. My heart is full of gratitude to you for my cure."—MRS. HARRIET E. WAMPLER, 524 S. Ransom Street, Ottumwa, Iowa.

Consider This Advice.

No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous medicine, made only from roots and herbs, has for thirty years proved to be the most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, confidential, and always helpful.
