**ORDER OF PUBLICATION**

IN THE CIRCUIT COURT FOR KENT COUNTY
IN EQUITY NO. 2602

EILEEN ZIEGLER
vs.
JOSEPH ZIEGLER

The object of the Bill filed in the above entitled case is to procure a Decree for divorce avinculo matrimonii for the Plaintiff, a resident of Kent County, Maryland, from the Defendant, a non-resident of the State of Maryland.

The Bill states:

1. That on the 14th day of June, 1923, she, Eileen Ziegler, was married to her husbard, Joseph Ziegler, with whom she resided in the City of Wilmington, State of Delaware, until the 26th day of December, 1925.

2. That, though the conduct of your Oratrix towards her husband, the said Joseph Ziegler, has always been kind, affectionate and above reproach, the said Joseph Ziegler has, without any just cause or reason, abandoned and deserted her, and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for at least three years, and is deliberate and final, and the seperation of the parties beyond any reasonable expectation of reconciliation.

3. That your Oratrix has resided in Chestertown, Kent County, Maryland, for more than two years next preceeding the filing of this application.

4. That your Oratrix and the said Defendant, Joseph Ziegler, have had no children born to them from said marriage.

5. That the said Defendant, Joseph Ziegler, is a non-resident of the State of Maryland, and is now residing, to the best of your Oratrix's knowledge and information, in the City of Wilmington, State of Delaware, and whose present address is 914 West 2nd Street.

It is thereupon, this 29th day of January, 1930, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 27th day of February next, give notice to the said Joseph Ziegler, non-resident Defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 14th day of March next, to show cause, if any he has, why a Decree ought not to be passed as prayer.

Robert A. Shallcross, Clerk.

**After Effects Worse Than the Disease**

In many acute febrile diseases the after effects are worse than the original disease, where the disease is allowed to run its full course. Measles, diphtheria, scarlet fever, and other diseases are quoted by medical writers as especially dangerous.

The better way is to let the Chiropractor remove the CAUSE of these diseases and thus avoid the consequences.

**KIBLER'S CORNER**

No. 11. February 3, 1930 Vol. 3.

Plenty of things to look forward to this month: Lindy's birthday, Valentine's day, Lincoln's birthday; Washington's---and of course, the first robin.

There is extra quality in every ton of Kibler's Cert-i-Fide Coal as a result of careful selection and preparation. Service and Satisfaction is our aim at all times. We guarantee you full tons of clean coal.

Down at the school—They tell me one of the teachers asked one of the pupils to name the uses of cow hide. And somebody's youngster said, "It keeps the cow together."

Your husband looks like a brilliant man. I suppose he knows everything. Don't you fool yourself; he doesn't even suspect anything.

Although the legal ton of coal in Maryland is 2000 pounds we have always, and still do deliver a long ton of 2240 pounds of Anthracite Coal.

A resourceful woman—says a motorist friend of ours—is the one who sticks her hand out both sides of the car at once so she can turn either way she decides to. Well, we have known some men drivers who weren't so hot.

There's at least one difference between one dog of our acquaintance and the planet Mars. We are sure that this dog is inhabited.

We laughed at this—Him: "Did you ever see a real hot necking party?" Her: "Of course not!" Him: "Well, take a good look at me!"

The Ground Hog took a look at his shadow — NOW—you take a look at your Coal Pile—Whether you pin your faith to the groundhog, the time-honored Almanac, or the weather bureau, you must surely believe in preparedness. There is and will be more winter—Will your coal pile last?
