Fire, Lightning and Tornado Insurance in first-class companies.

JOHN P. AHERN

MILLINGTON, MD.

## Davis & Satterfield

CROSS ST., NEAR DEPOT

## American Fence

We have a liberal supply of all sizes of Field and Garden Fence on hand, and because of an early purchase of several car loads, we are able to make you reasonable prices—much lower than we could make if we had to make purchases to-day. If you intend to do ANY FENCING this year now is the time to buy, as there is no possibility of prices being any lower this year.

### Poultry Netting

That well galvanized, heavy "Jersey" Netting is the lasting kind. When you need more it makes you come back o get the same kind.

### Sprayers

"Myers" Spray Pumps in several sizes. From the small Tin Sprayers at 50c to the large Tank or Barrel Sprayers.

### Lime Sulphur Spraying Solution

You know what this is and we need only say that we carry it.

I. M. BLYMAN'S GROCERY STORE,
my5-3t Chestertown, Md.

## Can It Be Possible

that you are going to put in a Corn Crop this Spring without Fertilizing it? Don't you believe that Corn requires plant food as well as any other crop? And when you consider the price of Corn today at $1.35 a bushel and that you can fertilizer an acre for less than $2.00 it would pay you not only in the increased yield of Corn but in the Fodder alone it would be profitable. Think about this and consult us in regard to our Special Corn Fertilizer that is particularly adapted to this crop.

### For Tomatoes

Well, you have heard of our Tomato Fertilizer, it is a wonder and we confidently believe that we sell more Tomato Fertilizer than any other manufacturer in this country. We do not mean that we sell more Fertilizer, but more Fertilizer for Tomatoes.

Our Fish Mixture is particularly adapted to the growth of tomatoes and in this goods we derive the Phosphoric Acid from the Fish, Rock and Bone and the Ammonia from the Animal matter on the Animal bone, Nitrate of Soda and Fish.

In order to grow a profitable Tomato crop it is necessary after you transplant the Tomato vine that it should never stop but keep growing, because if it gets stunted, it is like a stunted pig, it does not make a good hog, therefore the combination in our Tomato Goods feeds all along the line and never lets the plant stop growing and if there ever was a time when you ought to grow all the Tomatoes possible per acre it is now. Please correspond with us in regards to your Tomato goods.

Yours very respectfully,
THE PEERLESS FERTILIZER CO.

### MR. WICKES ENLISTS THEN MARRIES

Mr. Joseph A. Wickes, son of the late Hon. Joseph A. Wickes, and Mrs. Gladys Wickes, of Chestertown, finished his studies at Princeton University at the head of his class and has been given his diploma. He was named as Lieutenant in the U. S. Marine Corps and will go to Philadelphia or New York for training.

His next step was to marry Miss Adelaide Robinson Esterlow, one of the accomplished residents of Burlington, N. J.

Mr. and Mrs. Jas. H. Paswater, of Worton, announces the marriage of their daughter, Elma to Jonathan R. Smith on Wednesday, April 25, 1917, by the Rev. W. H. Cooper, pastor of St. John's M. E. Church, Atlanta, Ga.

The engagement of Miss Delia Crawford Brown to Mr. W. Elmer Gray has recently been announced. Miss Brown is the youngest of Mrs. Augusta B. Brown and the late Samuel W. Brown, of Baltimore, formerly of Kent county. Mr. Gray is the son of Mr. and Mrs. J. W. Gray, of Laurel, Maryland. The wedding will take place in June.

Mr. and Mrs. W. Thos. Jones announce the wedding of their daughter, Miss Nellie Shreeve, to Mr. Oliver W. Atwell, on Satuday at the M. P. Parsonage in Kennedyville, Rev. Mr. Schauer officiating. They will reside in Kennedyville where the groom is engaged in merchandizing with Mr. D. C. Kelley.

### BIG WHEAT PRICES

Quite a number of Kent farmers have their barns stored with the 1916 wheat crop. Several have two crops of wheat on hand. Mr. Harry Williams, of Worton, made the best sale of wheat in Kent. He loaded several hundred bushels of 1916 wheat at Worton this week, for which he received $3 per bushel.

Several Talbot county farmers have gotten big prices, among whom was Miss Henrietta Ziegler, who sold her crop last week and on Monday received a check for over $5,500 for same. The price her wheat sold for was $2.96 per bushel.

Mr. John P. Ahern, of Millington, threw a bomb into the wheat market at Massey last week when he offered to buy new wheat for July delivery at $2.00 per bushel. Nearly every farmer in that neighborhood signed up for part of their crop. Mr. Thomas C. Roe waited a day and signed up for $2 05 for a part of his crop.

### OWLS ORGANIZED

**Big Membership in Chestertown to Start—Home to be Found Later.**

More than 250 representative citizens of Kent and Queen Anne's counties gathered at the Court House at Chestertown Thursday night, May 3, and organized the Order of Owls. A number of representative Owls from other counties were present and thorough instructions as to the work and benefits of the order were given by John E. Good, past president of Chester Lodge No. 1228.

The first business of the evening was the election and installation of officers. G. L. Cook, organizer opened the meeting and introduced Mr. Good who occupied the chair until the officers of the local nest were installed. After the installation a motion to hold the charter open for two weeks was carried. This was done in order to allow a number who had made application for membership to affiliate. The success of the meeting was due largely to G. L. Cook, organizer, who has bent every effort to make Chestertown lodge the banner lodge of the shore. During his short stay he has instituted an order widely known and of a substantial membership. In all of his efforts he has been supported loyally by the local residents.

A number of projects for progress were instituted during the evening, chief among these was the procuring of a local home for the Owls. This matter was left in the hands of the trustees who have at present a number of homes in view. It is an assured fact that this order will procure a home that will be a home in every sense of the word. The prime effort of the trustees is to give the members a resting place where fraternity and good fellowship will have full sway.

The election and installion of officers resulted as follows:

Past President—L. Bates Russell.
President—David B. Ford.
Vice President—F. E. Maddox.
Advocator—Joseph A. Dwyer.
Warden—Walter Wright.
Treasurer—Harry C. Coleman.
Financial Secretary—Wm. A. Burk.
Recording secretary—Charles Keithley.
Sentinel—John T. Jester.
Picket—Edw. F. Lambert.
Trustees—John G. Usilton, John E. Matthews, M. A. Perkins.

## AUTO BUS STRUCK BY ENGINE AT CROSSING

**Six Passengers in Big Elkton Bus Have a Fearful Experience at Railroad Crossing at Kennedyville on Wednesday Morning—Only One Hurt—Auto Damaged Slightly.**

The big grey Elkton auto-bus, containing five passengers, driven by Mr. Jos. Dixon, while enroute to Chestertown Wednesday morning was struck in the rear by the engine on the Pennsylvania railroad shortly after 8 o'clock near Kennedyville crossing. The chauffer occupied the front seat, then came Misses Elsie Comley, Stella Stradley and Mabel Jarvis, students at Chestertown school, while on the third seat sat Mary Jones, colored, the rear seat being occupied by Rev. L. E. Toulson, colored, of Galena.

Mr. Dixon says that the high wind prevented his hearing the signal bell as he approached Kennedyville crossing and before he realized it the big engine was bearing down upon him. He shut off the gas and quickly turned the machine down the track toward the station and got out. All the others did likewise except Mary Jones and Miss Stella Stradley, who were unable to get out. Miss Comley in getting out stumbled and fell. She was carried to Dr. Urie's office and treated and afterward accompanied home. She received quite a shock, as did all the others. The engine struck the bus in the rear and mashed the whole end.

Engineer Reed says he saw the car and at once applied his brakes and that he only struck the vehicle a light blow, otherwise all would likely have been seriously hurt.

Rev. L. E. Toulson says he could nearly feel that cow-catcher helping him out of that machine.

It was certainly a very narrow escape and the NEWS rejoices with our readers that no lives were lost.
