Come to Sunday School TOMORROW And Every Sunday

Kent county is favorobly known for many advantages, but none surpass the facilities for training the young in the great need of the age — Christian character.

It is not only a great privilege of parents to send their children to Sunday school, but a duty. Come with the child if possible, otherwise see that he goes without you.

God needs you in our Sunday schools. We must run our farms to produce bread. So we must run our Sunday school to develop Christian character.

Superindendents of the different Sunday schools of our good county join in asking everybody to attend and support our schools. Go to the church of your choice, and become partners with God. Gather up the children and lead them to Sunday school, help to bring them up with perfect Christian habits. We can do no greater service for our homes, our town, our county, our nation and our friends.
