SARSAPARILLIAN RESOLVENT

Has Made the most Astonishing Cures; so Quick, so Rapid are the Changes the Body Undergoes, Under the Influence of this Truly Wonderful Medicine that

Every Day an Increase in Flesh and Weight is Seen and Felt.

The Great Blood Purifier.

Every drop of the SARSAPARILLIAN RESOLVENT communicates through the Blood, Sweat, Urine, and other fluids and juices of the system the vigor of life, for it repairs the wastes of the body with new and sound material. Scrofula, Syphilis, Consumption, Glandular disease, Ulcers in the Throat, Mouth, Tumors, Nodes in the Glands and other parts of the system, Sore Eyes, Strumorous Affections from the Ears, and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring-Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all weakening and painful discharges, Night Sweats, Loss of Sperm and all wastes of the life principle, are within the curative range of this wonder of Modern Chemistry, and a few days' use will prove to any person using it for either of these forms of disease its potent power to cure them.

If the patient, daily becoming reduced by the wastes and decomposition that is continually progressing, succeeds in arresting these wastes, and repairs the same with new material made from healthy blood—and this the SARSAPARILLIAN will and does secure—a cure is certain; for when once this remedy commences its work of purification, and succeeds in diminishing the loss of wastes, its repairs will be rapid, and every day the patient will feel himself growing better and stronger, the food digesting better, appetite improving, and flesh and weight increasing.

Not only does the SARSAPARILLIAN RESOLVENT excels all known remedial agents in the cure of Chronic, Scrofulous, Constitutional, and Skin diseases; but it is the only positive cure fo

VINEGAR BITTERS

VEGETABLE · FREE FROM · ALCOHOL · PURELY · DR. WALKER'S · CALIFORNIA · VINEGAR BITTERS · EUREKA

J. WALKER, Proprietor. R. H. McDONALD & Co., Druggists & Gen. Agents, San Francisco, Cal., and 32 and 34 Commerce St., N.Y.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

Vinegar Bitters are not a vile Fancy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

SOLD BY ALL DRUGGISTS AND DEALERS.

PROSPECTUS FOR 1872.

FIFTH YEAR.

A Representative [illegible]

THE ALDINE:

An Illustrated Monthly Journal claimed to be the handsomest Paper in the World.

"Give my love to the artist workmen of *THE ALDINE* who are striving to make their profession worthy of admiration for beauty, as it has always been for usefulness."—*Henry Ward Beecher.*

THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of prose, light, and graceful literature, and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of *THE ALDINE* will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness as compared with rivals of a similar class, *THE ALDINE* is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of the volume just completed cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost.

The labor of getting *THE ALDINE* ready on the press is so great that reprinting is out of the question. With the exception of a small number specially reserved for binding, the edition of 1871, is already exhausted, and it is now a scarce as well as valuable book.

NEW FEATURES FOR 1872.

ART DEPARTMENT.

The enthusiastic support so readily accorded to their enterprise, wherever it has been introduced, has convinced the publishers of *THE ALDINE* of the correctness of their theory that the American public would recognize and heartily support any sincere effort to elevate the tone and standard of illustrated publications. That so many weakly wicked sheets exist and thrive is not evidence that there is no market for anything better—indeed the success of *THE ALDINE* from the start is direct proof of the contrary. With a population so vast, and of such varied taste, a publisher can choose his patrons, and his paper is rather indicative of his own than of the taste of the country. As a guarantee of the excellence of this department, the publishers would beg to announce during the coming year, specimens from the following eminent American artists:

W. T. Richards, Granville Perkins, James Smiley, Wm. Hart, F. O. C. Darley, R. E. Pignet, Wm. Bread, Victor Nehlig, Frank Beard, George Smiley, Wm. H. Wilcox, Paul Dixon, Aug. Will, James H. Beard, J. Hows.

These pictures are being reproduced without regard to expense, by the very best engravers in the country, and will bear the severest critical comparison with the best foreign work, it being the determination of the publishers that *THE ALDINE* shall be a successful vindication of American taste in competition with any existing publication in the world.

LITERARY DEPARTMENT.

Where so much attention is paid to illustration and get up of the work, too much dependence on appearance may very naturally be feared. To anticipate such misgivings, it is only necessary to state, that, the editorial management of *THE ALDINE* has been intrusted to Mr. RICHARD HENRY STODDARD, who has received assurances of assistance from a host of the most popular writers and poets of the country.

THE VOLUME FOR 1872

will contain nearly 300 pages, and about 250 fine engravings. Commencing with the number for January, every third number will contain a beautiful tinted picture on plate paper, inserted as a frontpiece.

The Christmas number for 1872, will be a splendid volume in itself, containing fifty engravings, (four in tint) and, although retailed at $1 will be sent without extra charge to all yearly subscribers.

A Chromo to Every Subscriber

was a very popular feature last year, and will be repeated with the present volume. The publishers have purchased and reproduced, at great expense, the beautiful oil painting by SIRS, entitled "DAME NATURE'S SCHOOL." The chromo is 11x13 inches, and is an exact fac-simile, in size and appearance, of the original picture. No American chromo, which will at all compare with it, has yet been offered at retail for less than the price asked for *THE ALDINE* and it together. It will be delivered free, with the January number, to every subscriber who pays for one year in advance.

TERMS FOR 1872.
