The gasoline car on the Smyrna-Clayton Branch seems to be giving satisfaction and is so dependable that already the rare rumors that gasoline for power will replace steam on the runs from Townsend to Chestertown and Centreville and the run from Clayton to Easton and Oxford.

Thos. Healey has been coaching Chestertown and has done wonders with one of the lightest high school teams in the State.

ROSE BUD FLOUR A DANDY

Brooks' Mill, Chestertown, is the home of RoseBud flour. Hours upon hours have been spent by experiments in the flour industry to find the perfect flour—and but few have found it. Rose Bud is one of the perfect flours — and here's why. It makes the most delicious biscuits that you can picture, pie crust made of this flour just chuck full of goodness and cakes just can't be excelled when Rose Bud flour is used. On another page of this issue P. Medford Brooks, the hustling proprietor of this mill, tells how Rose Bud flour is made, its purity, etc.

It requires 16 X marks to vote the full Democratic ticket.

VOTE THE ENTIRE DEMOCRATIC TICKET

While on the surface everything seems to be quiet and unruffled in both the Democratic and Republican camps in Kent, yet there is a great deal of work going on, and both parties are doing their best to be ready for the fight of ballots on election day.

At the approaching Election the voters of Kent have an opportunity to continue local affairs of government in the hands of intelligent, capable, trust-worthy public officials, just as the voters of the State have an opportunity to continue for another three years, the strong, constructive government which has characterized Governor Ritchie's administration. If proper administration of the State's affairs is to continue, and good government brought to Kent county, in local affairs, the Democratic State and county ticket must be elected in its entirety.

The State ticket can very properly stand on the record of the Ritchie administration. The Governor has made his record, and it is upon that record that the Democratic party asks his re-election. His running mates are all men of big capabilities, well known in public life, and measure up fully to the responsibilities which the administration of state affairs impose. William S. Gordy, Jr., the candidate for State Comptroller, is now closing his first term in that important office, and has made a record which certainly should ensue his re-election. Thomas H. Robinson the candidate for Attorney-General, has been prominent in public life for many years, and is one of the leading lawyers of the State, well qualified in every way for the important position to which he aspires. And the candidate for Clerk of the Court of Appeals, James A. Young, is a man of exceptional standing and most admirably fitted for that responsibile post. Taken all in all, it would be extremely difficult for the State Democracy to offer a better combination of aspirants for public service than the Ritchie ticket, which is now before the public.

In the County ticket the Democratic party has done equally as well, and the election of every nominee will bring to Kent County a high character of public service.

The election of our candidate for State Senate and one member of the House is assured because the Republicans have seen fit not to name a candidate against them. In W. B. Copper as Senator the Democrats have a worthy representative and the whole county one in whom they can repose confidence.

For Legislature the candidates are Capt. Charles R. Kerr, a man of high character and a representative waterman. His home is in Rock Hall. Ellsworth C. Bowers is recognized as an energitic business man with wide acquaintance and has represented Kent county in the Legislature for two sessions.

For State's Attorney S. Scott Beck, Esq., has no opposition. He has filled this position with indomitable energy and ability.

Samuel J. Johnson, of Massey, and Ringgold Jones, of Rock Hall, deserve the votes of every Democrat. They are both farmers and men of keen judgment and will make ideal men for Commissioner.

The present Orphans' Court, Messrs. Scott, Thompson and Hudson, will have no opposition. They have made faithful officials.

For Treasurer, George W. Sutton, of Kennedyville, merits the vote of every one of the affiliated Democrats. He is a man of family, a practical farmer and business man and won in a fair and open primary. He is conscientious to the highest degree, straight forward and a gentleman who will give his best attention to the duties of the office.

William W. Goodman, Democratic candidate for Sheriff, measures up in every way to the position to which he has been nominated, and would make an exceptionally good official if placed in that important office. A man of high character, and ideal qualifications for the office. Will Goodman offers the voters of this County an opportunity to place a good man on the job.

With a line-up of this character, the Democratic party goes before the public. The ticket is good in every respect and its triumphant election on November 6th, will promote the welfare and the best interests of Kent as a whole.

It should receive at least 750 majoority. Let's see how large a vote Kent can give this year.

Put your X mark in the box opposite the word Democratic and you will have done your duty.
