HOPE H. BARROLL HAS NARROW ESCAPE

Hope H. Barroll, Esq., had a very narrow escape from serious injury on Wednesday last in Chestertown. About 8 o'clock in the evening he was on his way home alone, being in a runabout and driving his pony. When in front of the home of Wilbur W. Hubbard, on Water street, he saw a big automobile coming up that street from the direction of Chester river bridge. He was well over to the right of the road. The occupants of the machine did not seem to see Mr. Barroll and smashed into him with considerable force, though fortunately the automobile had slowed down to take the turn to High street. Mr. Barroll was thrown over the dash board and received a cut on his ear and head and was considerably shocked and dazed. The collision made a big noise and many persons in the neighborhood rusbed to Mr. Barroll's assistance. He was taken home by Thomas Massey and Dr. H. G. Simpers rendered medical aid. Mr. Barroll was out the next day, though showing plainly the results of the accident.

The automobile was driven by Jay Merrick, of Ingleside, Queen Anne's county, who said he regretted the accident very much.

IF you have moved be sure to get your transfer next Tuesday.

DEATHS

Dr. F. N. Sheppard died at his home in Crumpton on Thursday. He was in his 78th year and for years has been one of the best known men in upper Kent and Queen Anne's counties. He leaves a widow and one son by first wife. The funeral will take place Sunday afternoon at 2 o'clock from his late home with interment in Crumpton Cemetery.

Rogers, the 14 month old son of Mr. and Mrs. P. F. Hatcherson, died at the home in Wilmington on Wednesday afternoon, as the result of being scalded last week by coffee falling on him.

The interment took place at Wesley Chapel cemetery.

INJUNCTION DISMISSED

Hon. Albert Constable heard the injunction case of W. Frank Jarrell versus Chestertown Commissioners Saturday morning. There was a large audience of business men and interested citizens, and after the finance committee of eighteen men agreed to make themselves responsible for the payment of the road, the Court ordered the injunction dismissed. There was a round of applauee to greet this decision and work was resumed on the road Monday. Engineer Gale says he hopes to reach the Voshell House next Wednesday. R. Groome Parks, Esq., represented the commissioners, while Harrison W. Vickers, Esq., represented Mr. Jarrell. The citizens of Chestertown who are making themselves responsible for the payment of the building of the road will, of course, be reimbursed at the next meeting of the Legislature. The total cost is $2298.75.

ANOTHER COMPANY OF 20 LEAVE OLD KENT

Thursday afternoon the local board for Kent county called the roll of the 20 young men selected to go into service for their country and all but one answered. That one was the Greek who has not been heard from up to this writing. He knows what war means having fought as a lieutenant in the Greek army. When caught the Federal authorities will deal with him.

Prof. Gilbert Taylor addressed the boys in his characteristic happy manner while Mrs. Mollie Moody and others representing the Red Cross distributed comfort bags to each.

The 20 soldiers were accompanied to the boat yesterday morning by the student body of Washington College, Capt. Ryan, in command and with Walter T. Pippin with drum. At the wharf a bevy of Red Cross ladies, with Mrs. Jane Robinson in charge, gave a treat of fruit, etc.

The following comprises the "army:"

Norman McClary Byron, Chestertown.
William Samuel Leaverton, Fairlee.
Louis Ray Silcox, Kennedyville.
Henry Augustine Kratzer, Chest'n R. D. 3.
Elmer Watson Sterling, Chestertown.
Clifton Kendall, Rock Hall.
Masten Shallcross, Golts.
George Biddle, Jr., Millington.
John Rodney Kennedy, Kennedyville.
Clarence Richard Nicholson, Betterton.
Thomas Moore, Galena.
Louis Miller, Locust Grove.
Henry Nehus, Jr., Rock Hall.
Lester McCauley, Galena.
N. Perry Gears, Worton.
Jacob Langerher, Chestertown.
Louis Frederick Klemm, Rock Hall.
Theodore Gladskey, Rock Hall.
Robert Linder Creighton, Newark, Del.
James A. Brown, Galena.

The 40 colored selects are likely to be called somewhere about October 17th.

Word has reached Chestertown that several of the Kent county men who left in the first call have been turned down at Camp Meade on account of physical defects.

Masten Shallcross, of Golt's, was placed in charge of the company until they arrive at Camp Meade.

"THE war will end when we win it!" This was Secretary of War Baker's reply when asked the question, "When will the war end? And It is an answer that strikes a responsive chord in the hearts of all partiotic American citizens.

THE first day of Registration has passed, and there now remains but one opportunity for those entitled to register to get their names upon the list, next Tuesday, October 9. If your name is not upon the Registration Books, of course you cannot vote on November 6. Remember the date, Tuesday, October 9, and if you are a young man coming of age before November 6, or if you have changed your residence, attend to the enrolling of your name in your proper precinct.
