## BONES AND BAGS

On account of the War many of our supplies of bones have been cut off and in order to get all the nice dry country bones possible we have determined to pay about twice as much for dry bones as we used to pay, if they are delivered at our factory. The country boys should pick up all they can and bring them to us instead of selling them to junk dealers.

We will also pay the highest market price for good second-hand Fertilizer bags. Please communicate with us. Very truly yours,

The Peerless Fertilizer Co.
n17 tf Chestertown, Maryland.

## CORN SHELLERS

THERE is a large crop of corn in Kent and Queen Anne's counties to be handled this year. Are you prepared to shell yours? We are ready to assist you in shelling it.

We have everything in Shellers, from the small machine that bolts on a box up to the large eight-hole Sheller, Our No. 7 Sheller, the 2-hole with shaker, has made a reputation for itself in nearly 15 years of continuous selling and use. We have ordered these the second time this season already. Power Shellers from 2-hole up. Strange to say, the price of KEYSTONE Power Shellers have made no advances over last year's prices. If you need a Sheller to handle your crop, see us about it now. Takes very little engine power to run a 4-hole Sheller.

☞ We have a fine line of OIL ENGINES that will run these Shellers, if you need power.

## OLD TIME RELIGION

**Unique Thanksgiving Services By Methodists In Chestertown—Evangelistic Campaign Closes Sunday With Union Services All Day.**

Rev. A. B. Davidson and wife have certainly got a strong grip on this community and they have succeeded, not by clap-trap methods nor sensational stunts, but by presenting the Gospel in a sincere and earnest manner. Sunday was a great day. In the afternoon the church was filled with *men only* who listened to a great purity address, after which three men presented themselves for prayer. At night nearly a thousand people crowded Christ M. P. Church and listened for an hour to a masterful sermon on the Rich Young Man. The singing as usual was thrilling and uplifting assisted by a choir of 50 voices. Cottage prayer meetings have been held two mornings this week attended by 50 or 60 persons.

Thursday was Thanksgiving Day in deed in Chestertown at the union services held in Christ M. P. Church; after a splendid discourse on the 103d Psalm, opened the meeting to testimony and a great time was enjoyed. At night the Evangelist preached on "Home" and there were 7 persons at the altar, making over 70 converts in all.

Sunday will likely be the closing day of the campaign with union meetings morning, afternoon and night. Rev. A. B Davidson and wife have won the admiration and esteem of all who have been under their influence by their splendid work and by the sincere and soul-stirring message. The evangelist is a high type of man and way above the average preacher. They have done great good in Chestertown.

TOULSON'S Drug Store has their complete stock of Xmas goods on display and are ready to help anyone who wishes to send a present to a soldier by packing and attending to the mailing of same. The war has prevented the majority of stores from buying Xmas goods, but you will find the regular line of presents at Toulson's on account of them doing their buying early in the year. Go and take a look for yourself.
