VOL. 67. CHESTERTOWN, MD., SATURDAY, JUNE 2, 1906. NO. 52

RIGHT IN IT!

GET IN THE RING.

We are now ready for the Spring and Summer with the best line of Clothing for Men, Boys and Children that we've ever had, and to the few who do not know about the superiority of our Clothing we say, GET IN THE RING! A suit from us will cost you perhaps a trifle less than if bought elsewhere; it will fit you better, and retain that same style and shape that you pay double the price for at the tailor shop. Grays are the leading shades this season—a very serviceable color, too—and we have plenty of them to show you. Our line of Spring Trowsers for Men and Boys is up to its old-time standard—the best and largest in town.

Hats and Caps—we have hats for particular men—men who are hard to suit—because we have them in all shapes and styles. Derbys, Slouches, Crushes and Straws, in all the latest shades and patterns.

If you want the best half hose on earth, we sell the interwoven heel and toe that wear just twice as long as any ordinary hose. We have the sole right to sell this hose in Chestertown.

Yours for business,

J. D. LUCAS.

$4.90

For a Fine, All Wool Cassimere Suit : : :

More than $1000 worth of All Wool Cassimere Suits, ranging in price from $8.00 to $16.00, will be SACRIFICED for the trifling price of $4.90.

These suits were left from last season, but you would never know it except they haven't the "vent" in back of coat. I positively will not carry one of these suits over to another season, as the remarkably low price of $4.90 for a suit worth anywhere from $8.00 to $16.00, ought certainly to move every one of them during the month of June. The best bargain to the earliest purchaser. This is an unprecedented price—an unprecedented opportunity—and if you are wise you will take advantage of it.

I have just opened, direct from New York City, $2,500 worth of the Newest and Latest Style Suits that money will buy, and if you are looking for a new, nobby and stylish suit, at the very lowest possible price, we invite your attention to this up-to-date line.

Respectfully,

THOS. S. BORDLEY.

Waterloo Carriages.

When we sell a Carriage of the "Fine Waterloo Make," it at once becomes a running salesman, and bespeaks the fine qualities it possesses, and bears the "ear marks" of its high-makers.

In this manner another Carriage is sold, and it goes. One sells another without any apparent effort. It is the work of the mute salesman, where facts speak louder than words.

We employ no other salesman, we are under no expense, we sell you direct and at a big saving on each and every job. See advertisement on page 5.

A subscription has been started with $35 and everyone interested are asked to help the enterprise.

CREAMERY FOR CHESTERTOWN!

Esley Rust Secures Chestertown Creamery From Mr. Robert Hatcherson and Took Charge Monday.

Esley M. Rust who recently sold out the Smyrna Creamery and went to West Chester Pa., and has since disposed of his hosiery mill there, has decided to go back again into the creamery business. He has just purchased from Mr. Robert Hatcherson the Chestertown creamery and arrived Monday to enter upon his new duties. Mr. Rust is said to be one of best creamery men on the Peninsula. His success in Smyrna was remarkable when it is considered he took hold of the Smyrna plant when it was very much run down and built it up from 18,000 pounds of milk a month to 186,000 pounds when he received a flattering offer to sell out. He started there with 15 patrons and when he closed he had over 65 patrons, included in which were the best dairymen in that vicinity. The Smyrna Times says: "Chestertown is fortunate indeed in getting Mr. Rust to take charge of the creamery and there is every reason to believe he will make the plant one of the hustling industries of that town." His family will not move to Chestertown until next Spring.

THE P. O. S. of A., of Chestertown, has presented the Quaker Neck public schoool, taught by Miss Mary A. Brown, with a fine United States flag. It was raised yesterday over the school with appropriate ceremonies. Let the good work of this order continue until every public school in the county shall have "Old Glory" floating over it. Among those in attendance were Messrs. D. B. McMenamin, S. P. Townshend, Wm. B. Coleman, John South and Examiner Milton Melvin.

DEATH OF CAPT. EMORY.

A Great Fruit Grower and Authority on Its Culture, His Death Will Be a Severe Loss To This Section.

Capt. Robert S. Emory died at his home on Chester river yesterday morning after a long illness, aged 74 years.

The title by which this gentleman is known came to him through his service in command of vessels running between Chestertown and Baltimore. It was in 1854 that he removed to Chestertown and became the successor of Capt. H ram Brown, in command of the vessel General Washington, forming a partnership with Thomas Ruth under the firm name of Ruth & Emory. At the expiration of five or six years he sold his interest in the business to Capt. Jas. H. Thompson and turned his attention to other lines of work.

Capt. Emory has been giving his attention to the cultivation of a farm which had been inherited by his wife. He makes a specialty of pears, and he probably raised more of this varety of fruit than any one east of California. In his orchard there are about twenty thousand pear trees, many of which are in bearing condition. There are also other kinds of fruit on the place, and in addition to this property he owns two other fruit farms in the same district and one in Queen Anne's county.

The father of the captain was William Emory, a native of Queen Anne's county, a life-long agriculturist, carrying on that occupation successfully until his death, which occurred in June, 1860, on the old homestead, near Centreville, on the Chester river So prosperous was he in all his undertakings that he left eight good farms at the time of his demise, and this fact is especially note worthy inasmuch as he began without capital. Politically he affiliated with the old-line Whigs. During the war of 1812 he enlisted in the American service, being then a youth of some seventeen years. His wife, who bore the maiden name of Mary Raymond, was born in Delaware, a daughter of Timothy Raymond. She died when in middle age.

In Queen Anne's County Capt. Emory was born April 2, 1832. When a boy he attended the common schools, and later spent four years as a student in Dickinson College, Carlisle, Pa. Afterward he was employed as clerk in a wholesale drug store in Pittsburgh, Pa., and in the intervals of work studied pharmacy, receiving a diploma and remaining with the firm until he was of age. He then returned home, where the two ensuing years were spent in farm work. In 1854 he removed to Chestertown, where he made his headquarters for five years, meantime being in command of a boat. January 9, 1860, he married Julia Anna, eldest daughter of Col. Edward Wilkins, and they at once settled upon the farm where he has since resided. His wife died in 1874, leaving five children, namely: Edward W., a farmer and fruit grower, who resides at Quaker Neck Wharf, in the seventh district; Mrs C.R. Atkinson, of Chicago; Juliana and Bell, at home; and Rob't. J., a machinist and inventor, now residing in Baltimore.

The principles of the Republican party have always received the co-operation and support of Capt. Emory, who has been loyal to every doctrine of that organization. His interest however, has been of an indirect nature, for he has never desired to hold office and has never represented his fellow-citizens in positions of prominence, though fully competent to do so. In religious belief he is identified with the Methodist Episcopal Church, Pomona.

He frequently attended the meetings of the State and Peninsula Horticultural Societies and served as President of these bodies.

While the arrangements for the funeral have not been definitely decided it is thought it will take place Sunday at 2 p. m., interment in Chester cemetery; J. E. Ferguson, undertaker.

BEAUTIFUL TOLCHESTER!

The Opening Day for 1906 a Brilliant Succes.

Last Thursday was observed as opening day for the season of 1906 for the noted Tolchester Beach Resort, and as usual there everything passed off in the most satisfactory manner. The big steamer Louise, a veritable queen of the Chesapeake, came over with nearly two thousand excursionists including quite a number of the substantial business men, bankers and others of the Monumental City as special guests of the company. Among these we noted, Ex-mayor Hooper, J. Hillen Jenkins, Thornton Rollins, Martin H. Stubbs, Henry Clark, President of the Howard Bank, Samuel W. Pattison, Clerk of Criminal Court, and the following representatives of the press: Samuel C Appleby and Miss Helen F. Kerchner, of the Sun; Prof. Willard G. Day, of the American, and August Gisin of the German Journal.

The visitors expressed themselves freely regarding the beauties of the place and returned to the City satisfied that there is no such place to be found anywhere within such easy reach and with so many genuine advantages as Tolchester.

In the commodious hotel a fine banquet was served to the invited guests, the menu including soft crabs, fried chicken, fresh fish, salads, coffee, &c, &c, and luscious strawberries and cream.

Capt. Eliason appeared in his usual happy frame while Sup't Noland, Chief Potts, of the amusement features and all the other officials were efficient in service.

The attractions at the Beach include new features and the grounds seem to improve annually. A successful year seems to be the sure prospect.

Willis' Rival—Mr. S. G. Lee drove into town Thursday behind a handsome pair light bay horses harnessed to a new runabout that are surely hard to beat.

Mr. John H. Clendaniel was in town Tuesday driving a splendid pair chestnut-colored horses.

Bedworth, Jr., Wins.—The free-for-all trot and pace race at Brightwood, Washington, D. C., on Wednesday, was won by Bedworth, Jr., best time 2.16¼. There were four horses in the race. Mr. W. A. Bell is said to have driven the winner.

LIVE LOCAL NOTES

Town Election.—The first election under the new charter was held at Betterton last Saturday. Considerable interest was manifested, but the board mentioned in the charter was elected by a large majority, viz: Messrs. Howard Turner, George W. Owens and James M. Sutton.

Died of Fever.—Mr. Harry Vansant, aged 28, a well-known young butcher of Galena, died on Tuesday after a long illness, of typhoid fever. He was a son of Mr. John Nick Vansant, whose death was recorded in the NEWS last week. Steps are being taken in Galena looking to the good health of the town.

Property Sales.—Mr. Frederick H. Russell, superintendent of the Chestertown Electric Light Plant, has negotiated for the purchase of the elegant lot on Washington avenue adjoining Mr. D. B. McMenamin from Mr. A. M. Culp. This lot has a frontage of 49 feet and a depth of several hundred feet. Mr. Russell hopes to build a home on this lot.

Mr. Chas A. Elburn has sold to Mr. Chas. Bigelow, of Birdsboro, Pa., his farm of 20 acres near Rock Hall. J. W. Russell, Broker, negotiated sale.

Barn Burned.—The barn belonging to Mr. Richard T. Turner, Jr., on his farm near Still Pond tenanted by Mr. Loton H. Rasin was destroyed by fire Saturday about noon.

The discovery was made in time to save a great many implements but Mr. Rasin's loss will amount to at least $500 on which he had $250 insurance with Mr. James G. Beck's agency. Mr. Turner's loss will be over $1,000 on which he had only about $300 in Kent Mutual. The fire originated from a spark either from a traction engine or from the kitchen chimney.

A Large Estate.—Messrs. James E. Woodall, Andrew W. Woodall and Jas. F. M. Woodall were yesterday appointed administrators of the large estate of the late Capt. Andrew Woodall by the Orphans' Court. They gave bond to the amount of $200,000 with the Fidelity and Guaranty Co., of Baltimore, represented by William W. Beck, Esq., Messrs. Henry J. Gray and John F. Cochran were appointed to appraise the personalty.

Southern Shrimp—Willie Henry, son of Capt. Wm. T. Henry, left at the NEWS office this week a *shrimp* as a sample of the kind caught in Mississippi.

It is certainly a curiosity. This one is seven inches long! Many people engage in picking these schrimp and putting them in cans, after which the schrimp are cooked and put on the market. Willie is a Chestertown boy and went South with his parents last October and engaged in the schrimp picking business. He says he could make from 25 to 50 cents a day the latter when the schrimp were very large, some of them being ten inches long or more.

Improvements.—Mr. W. J. Sappington is painting the Burchinal-Atkinson house on Water street opposite J. D. Urie, Esq.

Mr. Walter T. Pippin is enlarging the postoffice to meet the demands of increasing business.

M. Elwood Baker and Ollie Estes have finished repainting the home of Mr. C. H. Jefferson, near Chester bridge.

Mr. Wm. L. Fowler and corps of workmen are putting the finishing touches on Lambert's Riverside Hotel.

Mr. Thos. B. Elliott has finished fine jobs of papering for Mr. J. H. Sides, Chestertown, Dr. F. F. Sheppard, Crumpton, and next week he will go to Cambridge to do some specially artistic work.

Wedding Cards.—Mr. and Mrs. J. T. Shallcross, of Middletown, have issued invitations to the marriage of their daughter, Miss Mary to Mr. Bassett Ferguson:

"'Long about knee deep in June
'Bout the time strawberries melts
On the vines—some afternoon."

Wednesday the 26th, 1906, at six o'clock, at "Belleview," Middletown, Delaware. A reception will follow immediately after the ceremony.

Cards have been issued by Mr. and Mrs. William S. Evans, for the marriage of their daughter, Emilie, to Mr. Albert Constable, on Wednesday evening, June 6, at 7 o'clock in the Elkton Presbyterian Church. A reception will follow the ceremony at the home of the bride's parents on North street.

Harbor Notes.—A 25-horse-power engine has been installed in Wilbur Eliason Jr's, big launch and a speed of 12 miles an hour is guaranteed.

Mr. Max. Blakeney is negotiating for the purchase of a fine little launch from Messrs. Eliason and Rawleigh.

The Anna B. Smith, police boat, Capt. Downey, was in harbor Tuesday. Capt. Downey came up for his new purchase, the schooner, Sarah J. Wingate.

There are about ten gasoline launches owned in Chestertown and a river carnival next commencement is being agitated.

No Sunday Mail.—On account of the large numbers of inquiries in relation to the Sunday trains on the Delaware railroad, it has bee announced that the trains will be for passenger and baggage service alone and mail cars will not run *at the present time*, as the question was not taken up at the time that the Sunday train service was discussed.

DR. J. T. TWILLEY is taking down two old houses on Cannon street, next to T. D. France's coal yard, and will erect on the site two substantial houses for white tenants. This will be a marked improvement to that section.

THE storm of Thursday did considerable damage to fruit and shade trees in Kent.

WHEAT harvest will commence in Queen Anne about June 12th, while in Kent the reaping will be a week later. The outlook is for a fair crop.
