KELLER'S ROMAN

LINIMENT.

Rheumatism.

Time and money have been wasted in futile endeavors to obtain some embrocation that would prove a cure for this excruciating disease; but all have failed except KELLER'S ROMAN LINIMENT, and that has been successful in almost every instance where it has been employed, whether such has been of the inflammatory or chronic type. In *Lumbago* and Sciatica it affords instant relief.

Neuralgia.

This excruciatingly painful disease is instantly relieved and rapidly cured by the continued application of this Liniment.

Toothache.

This painful and annoying complaint is instantaneously cured by the application of the Liniment.

Frosted Feet.

The Roman Liniment has proved effectual in all cases where it has been properly used. No instance is known where it has failed in giving immediate relief.

Burns and Scalds.

This Liniment has proved itself to be one of the best remedies ever used for Burns and Scalds. Its quickness in alleviating pain when applied, gives it great superiority over all other preparations.

Ulcerated Sores.

The healing and purifying qualities of KELLER'S LINIMENT render it the best article for the speedy and safe cure of ulcerated sores.

A Stitch in the Back

Is caused by a sudden wrenching of the spine, and produces violent and acute pains, making it very difficult for the person to move. It should not be neglected, as the curvature of the spine is often brought on by neglect of this common complaint.

Sore Throat and Quinsy.

The causes which usually induce Sore Throat are those which give a sudden check to perspiration, and thus obstruct Nature's regular work, quickly producing, in consequence, an inflammatory condition which, involving the tonsils, and rapidly spreading over the whole mucous membrane of the fauces will cause Quinsy.

Inflammation of the Breast.

This distressing complaint may be cured, or entirely prevented by the timely use of this remedy. It has never failed, when applied at the commencement, or before the gathering takes place.

Weakness of the Ankles and Joints.

Strains and chronic pains, cold and external injuries, are the chief causes of this complaint. The muscles are relaxed, in many cases making it difficult to move. By a free use of this Liniment a certain cure will be effected. As a

Horse and Cattle Lotion

it is invaluable to Farmers, Express Companies, Stage Proprietors, well appointed Livery Establishments, and all who own or use Horses and other Stock, immediately relieving and curing

Spavins,	Foot Rot in Sheep,
Ring Bone,	Foundered Feet,
Bruises,	Corns,
Cracked Heels,	Flesh Wounds,
Sprains,	Galls of all Kinds,
Scratches or Grease	Poll Evil,
Sores,	Splint,
Colic,	Fistula,
Lameness,	Sitfast,

And many other Diseases.

KELLER'S Roman Liniment

Never fails to give satisfaction, and, as a domestic remedy for man and beast, it is incomparably superior to any of the so-called family liniments, salves, etc., as a single trial will convince all.
