DENTON JOURNAL.

HOWARD MELVIN, EDITOR.

SATURDAY, May 7th, 1892.

THE ROTHSCHILDS are credited with having an annual income of $35,000,000.

SECRETARY BLAINE has no offices to give—hence there are no Blaine delegates "at large."

COL. SCHARF speaks glowingly of Caroline's growth and prospects. No county is making more rapid progress.

MRS. VICTORIA WOODHULL says she is a candidate for the Presidency again this year. What has become of the fair Belva Lockwood?

IT IS APPARENT that while the sentiment of the Republican party of the State is largely for Blaine, the Plumed Knight will get no votes from Maryland.

GIVE US AS REPRESENTATIVES to the Chicago convention Democrats who understand and will faithfully represent the best interests of the Democracy and the wishes of the people of Maryland.

PROBABLY the last of the prominent figures in the Guiteau case has passed away by the death in Baltimore last week of Charles H. Reed, who was one of the counsel for the defense in the famous trial.

BALTIMORE & OHIO RAILROAD trains are to be drawn through the long Belt Line tunnel by electric motors. The smoke of the locomotive is thus dispensed with, and a serious objection to the tunnel overcome.

THE DEMOCRATIC State Central Committee met at the Carrollton Hotel, Baltimore, Wednesday, at noon, and named June 8 as the time for the holding of the State Convention. Baltimore was selected as the place.

WICOMICO, says the Salisbury *Advertiser*, will send a straight-out Cleveland delegation to the State convention. Or, the county would be very glad to have the name of Mr. J. E. Ellegood, as the First district delegate, presented to the convention.

CHARLES COUNTY to-day votes on the proposed removal of the court house from Port Tobacco to La Platte. Port Tobacco is a very small town, and as it has no railroad a great many people want the court house at a more thriving and conveniently-located place.

THE SUGGESTION has been made that Thomas B. Reed and Jeremiah Rusk be made the Republican candidates for President and Vice-President respectively. With "Tom and Jerry" at the head of the ticket, there might be a chance for Republican success in Kentucky, says the Wheeling *Intelligencer*.

THE UNCERTAINTY about the building of the proposed Greensborough and Federalsburg railroad is very unsatisfactory to the people, who have become restive. They do not hesitate to express their disfavor in the premises. If the Company should fail to build the road before the meeting of the next legislature the county appropriation law will doubtless be repealed.

BALTIMORE MINISTERS of the Presbyterian church have endorsed Dr. Parkhurst's sensational methods of investigating the dens of immorality which infest the metropolis and recommend that similar measures be adopted in Baltimore. They would not volunteer to undertake the investigations themselves, however. It would seem that the police are the proper persons to do the work.

MR. JAMES L. WALCOTT has been appointed Chancellor of Delaware, succeeding the late lamented Willard Saulsbury. Many friends of Mr. Walcott had rather see him remain in active politics, believing that the United States Senate would be his destination as it has been for some years the goal of his ambition. In any position Mr. Walcott is certain to honor the proud little State of his nativity.

ACCORDING to Speaker Crafts, of the Illinois House of Delegates, the Eastern man who is strongest in the West is Senator Gorman. He is very popular in the West, and has considerable original following in that section. If Cleveland is defeated, which seems not improbable, Mr. Gorman has the best chance possessed by any Eastern man for the nomination. A number of the Illinois delegates are Gorman men.

THE BALTIMORE SUN favors the naming of all the public roads in the county, and the systematic numbering of the houses thereon. The suggestion has been adopted in California, and now all the roads have been officially named and a plan has been perfected for numbering the houses, which will indicate their exact location and distance from the court house of the county, or, after a simple mental calculation, from any other known point in the county.

THE SENTIMENT of the people of Caroline is strongly in favor of Mr. Cleveland; there is no doubt about that. This strong sentiment is found all over the State, and with the voters Mr. Cleveland is the choice decidedly. He is first in the hearts of the people. He must, therefore, and will receive Maryland's votes in the Chicago convention. Should Mr. Cleveland fail of the nomination—should his nomination be found hazardous in view of party disagreements in New York—then with might and main will Maryland's delegates go to a Maryland man whose strength in the South is not questioned, whose ability to tame the Tammany tiger has never been doubted, and one who can carry the necessary doubtful States. We mean of course our own Senator Gorman.

VISITORS to the Chicago Exposition will avail themselves of a Bureau of Public Comfort, managed by the Exposition authorities. This will have headquarters in a building on the grounds, and will provide for visitors means of information and almost every facility for convenience and comfort, except lodging. The Bureau will be managed by W. M. Kasson, who had charge of similar service at the Philadelphia Centennial, though on a much smaller scale than is now planned.

ACCORDING to the *Sun* a very prominent Democratic leader on the Eastern Shore says it is the purpose of the party leaders to double the Maryland delegation to the national convention at Chicago, and send thirty-two delegates instead of sixteen. If this program is carried out, each delegate would be entitled to half a vote instead of a whole vote as heretofore. The reason assigned for such a radical change is to enable the party to make an imposing array of its straightout regulars in the national arena as well as to broaden the basis for conciliation at home. Among them ex-Governors McLane and Jackson, President Edward Lloyd, of the Senate; Speaker Murray Vandiver, of the House; Bernard Carter, ex-Judge Fisher, ex-Attorney-General Gwinn, Senators John Walter Smith, Levin L. Waters, John S. Wirt and others.

IN A FEW DAYS the National House will come back to the consideration of tariff legislation, and the Democratic majority will endeavor to make further additions to the free list. The policy adopted at the beginning of this Congress of attacking singly and in order some of the more conspicuous abuses and exactions of the McKinley tariff is going to be very popular with the public when it comes to be fully understood, as its effect when carried out will be to give relief where it will benefit the greatest number of people—where it is most needed—without attempting to upset the entire system. Free wool is already secured, so far as the House is concerned, and the Ways and Means committee has decided to put lumber on the free list also. Any legislation which will reduce the price of lumber to the people at large will be commendable and wise, even if it is not favorable to the companies and syndicates who own most of the timber lands in this country.

Wanamaker.

PHILADELPHIA, May 2d, 1892.

Yachting days and woodsy walks and seaside saunterings are not far away. Have you a notion what pretty patterns for the Outing Dress may be yours at 12½c the yard? Troops and troops of Yachting Cloths and Flannelettes are romping out to that music.

Two notably good Outing Cotton Dress Stuffs that have been 12½c go to 10c. We believe them the best in America at the price. Excellent quality and colors dark enough not to show every smirch.

Is it to be a betwixt and between Dress—one right for the market trip or the picnic or the lounge-about time? Here'e just the stuff you'll welcome for it. Flannely to look at Flannely to touch, good weight and in six of just the quiet colorings that fit in for anybody. 20c a yard, say you? No, 12½c

Cunard and Galatea—those sturdy, striking Cotton Stuffs—are going into some of the jauntiest Outing Suits of the season, Children's Dresses, too, as before. Galatea, 30c; Cunard 35c.

A Cotton Bedford Cord just as dressy and durable, is doing duty in the same way. 30 inches, 45c. Several colors.

Two dreams in color printing join the 18c Challis jubilee throng. Wreaths, sprays and twiny-viny twists in designs as artistic as the cutting of a cameo.

Seven color work?—that is seven printings to bring out the full beauty of the picture—and all on an 18c Challe! Maybe fifty other designs as daintily delicate.

But this is only the bottom round of the Challis ladder—the top is in the ethereal elegance of the ravishing French printed styles at 60c. The stuff itself a fairy-like fabric of foaminess. All wool, silky wool, woven as only those deft loom-artists over-sea have yet been able to do it and printed with the skill that has made Mulhouse famous the world over. Words are weak to tell of such loveliness. You must see to fully sense.

Some of the less elaborate Challis patterns (percisely the same quality as the best) are marked at 37½c.

Have you seen the new Cotton Dress Goods, Riga Cloth? The combination of weaving differs from any other fabric you ever saw. The printing is dainty and elegant and it's done right here in the suburbs of Philadelphia 30. inches, 25.

Storm Serge.

Not waterproof, but a stuff that water won't hurt. Every thread wool, hard twisted and wiry. The stoutness and stockiness of quality. Has been counted excellent value at 75. Probably there isn't another store in America where its like can be had to-day at less than 75c.

Our price 50c.

More than 75,000 yards of the 8c Bleached Muslin gone in the past few weeks. A regular 10c grade in any other store that has it—so faras we know. All through the Muslin stock---bleached and unbleached---prices average less and qualities better than ever.

Sheets, Pillow and Bolster Cases by the thousand. That's why hand-making them one by one seem so extravagant

Pillow Cases, 18, 20 and 25c.
Bolster Cases, 31, 35 and 36c.
Sheets, 50, 63, 65, 70, 75, 85c and $1.

Boy or Man--- the Clothing store is bright with bargain buds for him.

Boy's Plaited Suits, 4 to 14 years, $3, $4, $4.50; all-wool, well made and would ordinarily be $4 to $7.

Sailor Suits and all the jolly Jack Tar crew are plenty. Nautical nattiness for $3.50, all-wool; up and up to $8.50.

Six lines Boys' Long Trouser Suits (13 to 18 years), at $8. The $12 kind.

Six lines Men's Business Suits, all-wool, light and dark colors, at $10.

Curtains — cool Curtains; shimmery, Summery. Fairy-like fabrics, beautiful forms. Falling in folds, folding in waves, waving in billowy lightness. Softly-hued Madras; snow-dotted Muslin; white Swiss—embroidered and bordered; sheer Tamboured Muslin and bright China Silk tints. Dainty Sash Curtains, too.

Bare windows are barbarous. A softly draped Curtain gives a whole room an air of refinement. Come and choose your own color. They are all here. Low prices and lovely designs

There are 47 patterns (244 pieces) including a full assortment of desirable designs. Quantities from 100 to 800 yards to the pattern.

Borders for the room Carpets and stair widths to match the hall styles.

This would be a notable offering even if the lots were little and the patterns a bit *passe*. As it is, the opportunity for economically carpeting a room is one you are not likely soon to see again.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That six new sections be added to Article six of the Code of Public Local Laws, title Caroline county, sub-title county treasurer, to follow Section sixty-eight, and to be called 68 A, 68 B, 68 C, 68 D, 68 E, and 68 F, and to read as follows:

68 B. It shall be the duty of the treasurer each year as soon as the annual levy is made to give public notice thereof by advertisement inserted in two newspapers printed and published in said county, and having the largest circulation, and the taxes so levied shall be due and payable on the first day of September of the year in which they are levied; it shall be the duty of the said treasurer in the month of September in each year to sit for two days at the principal town in each election district of said county, and in the months of October and November one day in each of said towns in each election district as aforesaid, for the purpose of receiving taxes; due notice of each of such sittings shall be given by advertisement, as herein before provided, and he shall report to the county commissioners at their first regular meeting in each month the amount of taxes, State and county, separately collected by him up to the date of such report, and the amount of disbursements made, and the balance in hand; and he shall deposit at least once a week in the Denton National Bank or some other National Bank of Maryland, all taxes received or collected by him up to the date of such deposit, the portion due the State to his credit as collector of State taxes, and the portion due the county to his credit as treasurer of Caroline county, and he shall once a month from and after the first day of October in each year deliver to the county commissioners to be forwarded to the State treasurer his check for the amount of State taxes to his credit in bank, and the money deposited to the treasurer of Caroline county shall only be drawn out upon his check, countersigned by the president of the board of county commissioners, in payment of debts and accounts due by said county, duly approved and passed by said county commissioners, and by them ordered to be paid; and any taxpayer having a sum of money levied to his or her use, or a debt against the county, passed by the county commissioners, shall only be entitled to have the same paid after he has paid the State and county taxes levied upon his or her property, and is not indebted in anywise therefor.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the citizens of the town of Preston, in Caroline county, be and they are hereby constituted a body corporate by the name of "The Commissioners of Preston," and by that name may sue and be sued, have and use a common seal, and have perpetual succession.

SECTION 2. *And be it enacted*, That the limits of said town shall be as follows: Beginning for the first line at a point in the public road leading from Preston to Bethlehem, near the division line between the land of Mrs. Mary A. Cox and L. P. Williams, and running in a straight line, so as to include the canning-house of Beverly W. Wright within the corporate limits, to and across the Baltimore and Eastern Shore railroad to a point where a line at nearly a right angle with the first line will strike the line between the lands of L. Fluharty, and continue in a straight line to what is known as the Back-landing road; then northeast with said road to the public road leading from Preston to Linchester, crossing the said road at or near the Friends' meeting-house, and continuing in a straight line on the land of George F. SECTION 3. *And be in enacted*, That the male citizens of said town, of the age of twenty-one years and upwards, having resided therein six months next preceding any election held hereunder, and who are qualified to vote for members of the General Assembly, shall on the first Monday in May next, and annually thereafter on the same day, at the place in said town designated by the judges of election, elect by ballot five commissioners for said town, to serve for one year, and until their successors shall be elected and qualified; no person shall be eligible as commisioner of said town unless over twenty five years of age and a resident within said corporate limits at the time of the election and for at least six months next preceding the same, and his term of office shall terminate upon his removal of residence from the town limits.

SECTION 4. *And be it enacted*, That the said commissioners elected hereunder shall meet on or before the first Monday in June next succeeding their election, and shall choose one of their number as president; they shall meet as often thereafter as necessary to a proper discharge of their official duties, and shall continue in office until their successors shall be duly elected and qualified; they shall receive no pay for their services, except the president, who shall receive the fees hereinafter allowed; and in case of vacancies by reason of death, refusal to act, disqualification, resignation, or removal of any of said commissioners out of the corporation limits, the commissioners, or a majority of them, for the time being, shall elect commissioners to fill said vacancies for the unexpired term, who shall serve until their successors are elected and qualified.

SECTION 5. *And be it enacted*, That the commissioners shall annually on or before the first Monday in April appoint three judges, who shall appoint one clerk; and the said judges shall conduct the election according to the election laws of this State as they existed prior to the adoption of the Australian Ballot, except that the polls shall be opened at twelve o'clock, noon, and closed at six o'clock in the afternoon; and the judges and the clerk shall make their returns to the commissioners, but shall receive no compensation for their services; the first election shall be held before Andrew Stafford, M. D., William T. Tuff, and Jerome A. Cox, or a majority of them, who are hereby appointed judges for that purpose, and who shall give certificates to the qualified persons receiving the highest number of votes.

SECTION 6. *And be it enacted*, That on the same day on which the commissioners are to be elected under this Act, and on every first Monday in May in each and every second year thereafter, one person, a legal voter in said town, and owner of real estate of the value of at least one thousand dollars, may be chosen by the voters of said town as treasurer of said corporation, to serve for two years, and until his successor shall qualify, but before said treasurer shall enter upon his duties of this office he shall give bond, payable to said commissioners, in such penalty as they may fix with securities to be approved by them, conditioned as they may direct, and the said treasurer shall qualify and enter upon the duties of his office on or before the first Monday in June succeeding his election, and a failure to qualify within the time herein specified shall be deemed a refusal to accept the office, whereupon the commissioners shall order a new election to fill the vacancy, and it shall be the duty of the commissioners to cause to be issued a certificate of election to the person receiving the highest number of votes for treasurer of said town, and in case of a tie vote for the office the commissioners shall order a new election.

SECTION 7. *And be it enacted*, That the commissioners shall annually appoint a clerk who shall keep the minutes of their proceedings in a well bound book, which shall be open to the inspection of all persons interested therein, and shall perform such duties as the commissioners may assign him.

SECTION 8. *And be it enacted*, That the commissioners may also annually appoint a chief bailiff and such number of under bailiffs as they may deem necessary.

SECTION 9. *And be it enacted*, That the commissioners shall allow their clerk, chief bailiff and under bailiffs such compensation as they may think proper.

SECTION 10. *And be it enacted*, That the commissioners and all other officers of the corporation shall before they enter upon the duties of their office make oath that they will diligently and faithfully, to the best of their skill and judgment, perform the duties of their office, and shall file a certificate thereof of the officer before whom the same was made among the records of the corporation.

SECTION 11. *And be it enacted*, That the clerk and chief bailiff shall give bond to the commissioners in such penalty and with such sureties as said commissioners may require, conditioned for the faithful performance of the duties of their respective offices.

SECTION 12. *And be it enacted*, That the commissioners shall receive all returns of elections and determine all questions arising thereon, and in case of non-election of a commissioner or treasurer by reason of a tie vote, disqualifications or other cause, shall, within ten days thereafter, order a new election, giving ten days' public notice thereof; an appeal may be taken from their decisions to the circuit court of Caroline county, the losing parties paying costs thereof.

SECTION 13. *And be it enacted*, That the commissioners may pass such ordinances, not inconsistent with law, as they may deem beneficial to the town; may grade and pave streets, lanes and alleys, remove nuisances and obstructions therefrom, restrain all disorder and disturbances, prevent all congregations of disorderly persons in public places, apprehend and fine all tramps and vagabonds, impose a tax on dogs, geese, hogs, and all other animals running at large in the streets, or totally prohibit the same, and may impose fines, penalties and forfeitures not exceeding twenty dollars for any one offence for the violation of their ordinances, and commit offenders to the county jail until the same be paid, with costs.

SECTION 14. *And be it enacted*, That the commissioners may pass such ordinances as they may deem necessary for the preservation of the health of the town, and remove all nuisances from and prohibit all business within the corporate limits thereof as shall in their opinion injuriously affect the sanitary condition thereof.

Order of Publication.

Sallie E. Downes, plaintiff,
vs.
Emmett Downes, defendant.
In the Circuit Court for Caroline county,
In Equity.

The object of this suit is to procure a divorce by the plaintiff *a vinculo matrimonii* from the defendant and for the care and custody of the infant son of plaintiff and defendant.

The bill states that the plaintiff was married to the defendant October 31st, 1883, and resided with him until the 4th day of April, 1889.

That although the conduct of the plaintiff toward the plaintiff was always kind, affectionate and above reproach the defendant abandoned the plaintiff on the 4th day of April, 1889.

That said abandonment has continued uninterruptedly for at least three years, is deliberate and final and the separation between the parties is beyond any reasonable hope or expectation of reconciliation.

That on divers days and times since the said marriage the defendant committed the crime of adultery with one Laura E. Blackiston, with whom he eloped at the time of the abandonment aforesaid.

That the defendant is not a citizen of the State of Maryland and doth not reside therein.

That there is one child, a son, Melvin Downes, now in his eighth year, the result of said marriage.

It is, thereupon, this 14th day of April, 1892, ordered by the Circuit court for Caroline county, in equity, that the plaintiff, by causing a copy of this order to be inserted in some newspaper published in Caroline county once in each of four successive weeks before the 16th day of May, 1892, give notice to the said absent defendant of the object and substance of this bill, warning him to appear in this court in person or by solicitor on or before the second day of June next, to show cause, if any he has, why a decree ought not to be passed as prayed.
