MISS FUNK IS WED TO HAROLD NUTTLE

Lawn Ceremony Pleasant Event at the Home of the Bride Tuesday

WILL LIVE IN BALTIMORE

A very pretty wedding was solemnized on the lawn at the home of J. W. Funk, just north of town, Tuesday afternoon at 2 o'clock, when Miss Florence Vernon Funk, daughter of Mr. and Mrs. J. W. Funk was united in marriage to Mr. Harold Preston Nuttle, of Baltimore, son of Mr. and Mrs. Samuel G. Nuttle, Denton. The service was performed by the Rev. Mr. V. E. Hills and the bride was given in marriage by her father.

Miss Funk was dressed in white georgette trimmed with radium lace over white satin and wore a georgette hat trimmed with gardenias and carried an old fashioned nosegay bouquet of white brides roses. When she left she wore a traveling suit of dark blue tricotine and a tan felt hat trimmed with dark blue taffeta.

Miss Lillian Cox, of Preston, was maid of honor, and wore orchid organdie and a hat of the same material trimmed with orchids.

Miss Mildred Nuttle, Denton, sister of the bride groom, was brides maid and was dressed in pale green and yellow organdie with a leghorn hat to match.

Mrs. B. Sargent Wells, of Baltimore, was matron of honor and was attired in honeydew organdie and wore a leghorn hat trimmed with organdie to match.

Miss Mary Davis, of Federalsburg presided at the piano and played Loehngrin's Wedding March for a processional and during the service, played "O Promise Me". She was dressed in yellow organdie and wore a leghorn hat. All of Miss Funk's attendants carried nosegay bouquets.

Mr. J. Kingsley Mercy, of Philadelphia, was best man, while Messrs. Wilson Funk, brother of the bride, and Elias Nuttle, cousin of the groom, acted as ushers.

Masters Mead and Hugh Bradner, of Edgewood Arsenal, Md.; Ralph Brown, Jr., and Elliot Noble, both of Federalsburg, acted as pages.

Miss Mary Emily Breeding, of Denton, was flower girl.

Promptly at 2 o'clock the strains of the Wedding March sounded over the lawn, on which were assembled the large number of guests and the wedding party marched from the house to an arch, which was covered with Asparagras Fern and Hydrangias, while in front of the arch were large bouquets of Hydrangias and Gladiolus.

Following the ceremony a buffet lunch was served to the guests on the lawn, afterwhich the young couple were driven to Elkton by the bride's brother, Mr. Wilson Funk, where they took a train for New York. From there they are going up the Hudson for a ten days' honeymoon, afterwhich they will be at home at 2609 Maryland avenue, Baltimore.

During the past year Miss Funk had taught school at Edgewood Arsenal, Md., and for three years preceding that had taught school at Federalsburg.

Mr. Nuttle is employed at the Fidelity & Deposit Company, Baltimore.

Friends of the young couple wish them much happiness and success.

Those present from out-of-town were:

DENTON GOES DOWN BY 14 ERRORS SAT.

Denton lost to Sudlersville last Saturday at Sudlersville, due to errors by the local team. Culver, who pitched a wonderful game for the home team, allowed the Sudlersville boys only one hit, yet they managed to score five runs. Denton had 14 errors as compared to its opponents' 2.

Had Culver been backed up by the rest of the team as the boys backed the pitcher in one or two previous games the Sudlersville team would have been defeated, probably with a good whitewashing.

With two 2-base hits, one 3-base hit and a home run to our credit our boys should have won with flying colors. The score:

Ridgely 12—Goldsboro 11

Ridgely downed Goldsboro in a hard hitting game, 12 to 11 before the largest crowd of the season at Goldsboro Saturday. Ridgely had one of Jack Dunn's pitchers from Baltimore and came close to being defeated in the ninth. Hummell for Goldsboro was hit hard and had bad support. Goldsboro plays Denton at Denton and one of the largest crowds of the season is looked for. Batteries—Scaffer and Jones for Ridgely, Hummel and Fox for Goldsboro. Umpire, Downes.

Sudlersville 3—Ridgely 1

Ridgely went down to defeat at the hands of Sudlersville, at the latter place in a hard fought game Wednesday, score, 3 to 1. Hummell's pitching for Sudlersville, was of high class and had Ridgely eating out of his hands at times.

WEATHER REPORT

Week ending Tuesday, August 1

Though the week was cool, the 28th was a warm day. There was much cloudiness during the first part of the week with light showers. Light showers occurred also at the close of the week. The amount of sunshine was below normal.

The weather of the week was favorable for plant growth and farming operations. Crops and pastures continue in good to excellent condition generally, except in Allgany county, where they still suffer from lack of rain.

Corn continues in excellent condition, and is earing well.

In Allegany and Garrett counties thrashing of wheat and rye and cutting of oats are in progress. Elsewhere over the section thrashing of grains continues and cutting of oats has been completed.

Digging of early potatoes is general over the entire section, but nearing completion in the extreme southern counties of the Eastern Shore. Late potatoes are coming up nicely.

Picking of early tomatoes of fine quality continues. In the coastal plain however, the later-planted show some blight, owing to the heavy rains of the preceding week.

Harvesting of sugar corn and truck crops is under way.

Picking of early apples and small fruit continues, and of early peaches and cantaloupes has begun.

Rain is needed for crops in some portions of Western Maryland.

Rainfall, though generally heavy, was unevenly distributed over the section during July. The month was dry over western Maryland, with amounts of less than 2 inches in Allegany county between 3 and 4 inches over the remainder of that division. In other divisions the monthly amounts were in excess of 4 inches and well above normal generally, though Chesapeake City, Delaware City, and Westminster report deficient rainfall, with totals ranging between 2.5 and 3.4 inches. At the head of Chesapeake Bay, in some localities of the northern portion of southern Maryland, in northern Dorchester County, and in southeastern Sussex county, Del., monthly amounts of about twice the normal were recorded. In some sections the wet weather in July delayed thrashing and caused small grain in shock to deteriorate.

NEWTON HASTINGS, 6-Year-Old Boy Preacher

BOY PREACHER TO BE AT CONCORD CAMP

Newton Hastings, the 6-year-old boy preacher, will be a drawing attraction at Concord camp each day during camp, which opens at the camp ground tomorrow, August 4th. At different services he will speak and sing and this will give an opportunity to many persons who have heard of him, to hear the little wonder.

With the exception of possibly five or six years, Concord Camp has held a camp meeting each year since 1856. Each year the old camp ground draws its crowd from the country for about 50 miles. Beginning tomorrow, camp will continue until Sunday, August 13th, inclusive.

The Rev. Mr. C. H. Atkins is in charge of the camp this year and announces that a song service will be held every afternon and evening at 2::30 and 7:30 o'clock, respectively. Morning services will begin at 10:30. Following is the list of preachers and time that they will preach and other events called for on the program.

Saturday evening, Rev. Mr. W. A. Wise, District Superintendent.

Sunday morning, Rev. Mr. T. C. Crouse, D. D., Milton, Del.; afternoon, Rev. Mr. V. E. Hills, Denton; evening, Rev. Mr. G. T. Hardesty, Seaford, Del.

Monday afternoon, Rev. Mr. M. E. Wheatley; evening, Rev. Mr. G. E. Sterling.

Tuesday morning, Rev. Mr. O. H. Connelly; afternoon and evening, Caroline Sunday School Association, in charge of Rev. Mr. O. T. Baynard.

Wednesday morning and evening, Rev. Mr. W. R. Woodell; afternoon, Rev. Mr. W. S. Grant.

Thursday morning and evening, Rev. Mr. T. J. Sard; afternoon, Rev. Mr. W. L. White.

Friday morning and afternoon is Farmers' Day, in charge of County Agent, W. Collins Thomas. Prof. W. B. Kemp, of the University of Maryland, will speak; evening, Rev. Mr. Teolan Jackson.

Saturday's speakers will be announced.

Sunday morning, Rev. S. N. Pilchard; afternoon, Rev. Mr. J. A. Dudley, Denton; evening, Rev. Mr. A. A. Betts, Hobbs.

Mr. H. H. Moore will have charge of the music. Arrangements have not been completed and we are unable to announce whether the Bird sisters will be present this year.

Sunday Schools at Concord Camp

The annual all day rally of the Bible classes of Caroline and adjacent counties will be held at Concord Camp on Tuesday, August 8th, on which occasion all Bible classes, teachers, pastors and Sunday school workers are especially invited to be present and assist in the service. Our state chairman of adult work, Dr. Maurice R. Hamm, of Baltimore, will be present during the day and evening and assist with the program. County Secretary Nuttle and County Superintendent Baynard will speak on the local progress of Sunday School work. There will be special music for the ocasion and Dr. Ransom P. Nichols, an international Sunday school worker will be the speakers in the evening. Every one interested in Sunday schools will be welcome.

An excursion will be run on the M. D. & V. Ry. next Wednesday to Ocean City. Train leaves Denton at 8:17.

SUMMER BIBLE SCHOOL OPENS HERE MONDAY

Monday morning the second annual inter-denominational Bible School will begin at the Church of the Brethren on 7th street. It is expected that the enrollment this year will be between 50 and 75 students. Last year the enrollment was about 35.

Last year the Bible school was tried as an experiment by the Rev. Mr. Levi K. Zeigler and proved such a success and those attending were so enthused that it was decided to hold it again this year.

While the work is taken up by the Church of the Brethren it is not run as a denominational school and students from other churches are urged to attend by their pastors and Sunday school superintendents.

During the school period missionary work, Bible study and map drawing and charts are taken up and in this way the children secure results unobtainable in our regular Sabbath schools.

Rev. Mr. Zeigler, pastor of the Church of the Brethren, will be in charge and will be assisted by Misses Jennie Beer and Rebecca Swartz.

The school will continue for two weeks and the entrance fee is $1.00 which barely pays for the necessary text books and materials.

Every mother and father interested in the religious life of their boys and girls should have the children attend.

Unofficially we are informed that the Rev. Mr. Zeigler will hold a Bible school two or three evenings a week for adults, if a sufficient number express a desire to attend, but due to the absence of the pastor from town this week, we are unable to confirm this.

CAMP DAVENPORT HAS PROVED A SUCCESS

Camp Davenport, near Trappe has just closed a very successful season which has proved beyond doubt that it is a benefit and will be continued from year to year.

The camp is under the direction of the diocese of Easton of the Protestant Episcopal Church and was named for their present Bishop Davenport.

When camp opened, boys from different sections of the diocese were gathered there and enjoyed themselves to the utmost. During the last two weeks, however, the girls of the diocese have held sway and found that they could enjoy camp life as much as the boys.

Eight girls from Denton with Misses Virginia Thomas and Mary Melvin as councillors, were there during the time the girls were in camp, the others from Denton being, Misses Frances Cooper, Eleanor Towers, Edwina Nichols, Anne and Julia Wilson and Martha Windei Goldsborough.

The camp this year was under the direction of the Rev. Mr. and Mrs. F. J. Virgin, of Crisfield.

To Hold Lawn Fete

The Ladies Aid of the Methodist Protestant Church will hold a lawn fete and entertainment on the lawn of Mrs. T. Fred Johnson, on Monday evening, August 14th. Cakes, candy and ice cream will also be on sale. Everybody is cordially invited.

DELIVERY SERVICE TO BE CUT DOWN

Mr. Samuel G. Nuttle, postmaster at Denton, has received instructions to partially curtail the free delivery service here, as it was costing too much and beginning on September 1st there will be only one carrier, whereas heretofore, there had been two. The main portion of the town will receive the same service as heretofore, and some of the outlying district will get the mail at noon from the rural delivery sooner than formerly by carrier.

Parcel post delivery will be curtailed and will consist of delivery only to that portion of Main street from the post office to 4th street.

The streets affected by the ruling and the distance on each street that the free service will go is as follows:

East and West streets

Gay street, 1st to 8th streets.
Main street, 1st to No. 810.
Franklin street, 1st to 6th street.
Randolph street, 2d to 3d streets.
Riverton avenue, 1st to 2d streets.

North and South Streets

1st street, Gay to Franklin streets.
2d street, Gay to Fountain avenue.
3d street, Gay to Fountain avenue.
4th street, Gay to Franklin avenue.
5th avenue, Gay to Sunnyside avenue.
6th street, Depot to 5th avenue.
7th street, Main to Randolph.
8th street, Gay to Main street.

Our post master also calls attention to the fact that many patrons of the free delivery in town have, as yet, failed to furnish receptacles for the mail, and as the postman must deliver it to some one or else put it in a receptacle it retards his work when he must wait for some one to come to the door.

PRIMARY TO BE SEPT. 11TH

C. Leslie Walls, clerk to the election supervisors, this morning received word from J. Herbert Wade, of the State Democratic Central Committee, that at a meeting on August 2d the Democratic party declined to agree on a date for the primary and it will therefore be held on Monday, September 11th, according to law.

SEPTEMBER 2-9 TO BE BIG TIME HERE

Carnival Plans Are Nearing Completion and Prospects Look Favorable

COMMITTEES GET BUSY

Arrangements are being completed by the Carnival committee for the big carnival to be held on the school grounds at the corner of Sixth and Franklin streets, here, on September 2, 4, 5, 6, 7, 8, and 9. Everything is shaping itself up nicely and the carnival promises to be a big thing.

Every one is beginning to be interested in the carnival and are asking questions as to when it starts and all those questions. There will be a merry-go-round, a great big one, with music and everything, one that has horses and animals that gallop and for those that are afraid of a bucking bronco, they have tame horses that stand still, while for still more timid ones, they have seats. Everybody likes to ride on the merry-go-round, so a big one was ordered that all would have a chance to ride.

Then there will be the shooting gallery where all the rabbit hunters will show their marksmanship and tell the tales of missing "that big rabbit last fall."

Are you good at throwing the base ball. You can try your skill at hitting the doll babies with the base balls. These athletic girls can try this too.

There will be a big brass band to furnish music during the evening and then, listen girls, at 10:30 each evening, there will be a big street dance on the paved street beside the carnival grounds.

But all these things will cost you a little money, but those who have arranged this big fun-week, have made it possible for you to enjoy something each evening, free of charge, and at that time you will be entertained by an aerial performer. Watch for the announcement of the hour of the free entertainment.

In order that everything will be in readiness for the carnival we are again publishing the list of committees, the first named being the chairman of that particular committee. It was requested at the meeting last Tuesday evening, that each chairman call a meeting of his or her committee and then report at the next meeting of the carnival committee on Tuesday evening, August 8. The committees follow:

Finance—Mesdames Yeoman, Goldsboro, Parker, Miller, Miss Dukes; Messrs. C. Roe, Colgain, E. Cooper, White, Cole.
Band—Mr. Kimmey.
Roe, A. E. Miller; Mesdames Miller, Parker.
