SALES ROOMS,

No. 181 Baltimore Street,

BALTIMORE.

In selecting a Sewing Machine be sure to combine the ornamental with the useful. A machine which will both sew and embroider is a perpetual delight. The Grover & Baker Machine is perfect in both these respects. This is the only machine which both sews and embroiders.

A Sewing Machine which will not embroider, as well as stitch may answer well for manufacturing purposes, but is not fit to be called a family sewing machine Mothers delight in ornamenting the garments of their little ones. A scroll, flower, vine, or wreath, wrought there is the sweetest language of the heart. A sewing machine which can only stitch, and leaves the embroidery to be wrought tediously by hand, is not the one for home use. Grover & Baker's celebrated machines, are the only complete ones for family use.

THE GREAT

AMERICAN TEA COMPANY,

51 VESEY STREET, NEW YORK,

Since its organization, has created a new era in the history of

Wholesaling Teas in this Country.

They have introduced their selections of TEAS, and are selling them at not over

TWO CENTS (.02 *Cents*) *per pound above Cost.*

Never deviating from the ONE PRICE asked.

Another peculiarity of the Company is that their Agent, Taster and Buyer devotes his time to the selection of their TEAS as to quality, value and particular styles for particular localities of country, not as helps the TEA buyer to choose out of their enormous stock such TEAS as are most adapted to his particular wants, and not only that, but points out to him the best bargains

It is easy to see the incalculable advantage a TEA BUYER has in this establishment over all others.

He is no judge of TEA or the MARKET—if he has time is valuable—he has all the benefits of a well organized system of doing business, of an immense capital, of the judgment of a professional TEA TASTER, and the knowledge of superior salesmen.

Merchants all TEA buyers—no matter if they are thousands of miles from this market—to purchase on as good terms here as the New York merchants.

Parties can order TEAS and will be served by us as well as though they came themselves, being sure to get original packages, true weight and dates; and the TEAS are warranted as represented.

We issue a Price List of the Company's Teas, which will be sent to all who order it, comprising

Hyson, Young Hyson, Imperial Gunpowder, Young Hyson and Skin.

OOLONG, SOUCHONG, ORANGE AND HYSON PEKOE.

JAPAN TEA

of every description, colored and uncolored.

This list has each kind of TEA divided into four classes, namely: Cargo, high Cargo, Fine, Finest, that every one may understand their description and the prices annexed that the Company are determined to undersell the whole TEA trade.

We guarantee to sell ALL our TEAS at not over TWO CENTS (.02 cents) per pound above cost, believing this to be attractive to the many who have heretofore been paying Enormous Profits.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart Bottles, compounded of the cheapest whiskey of commerce, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed. This class of Bitters has caused and will continue to cause, as long as they can be sold hundreds to die the death of the drunkard. By their use the system is kept constantly under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt: Get One Bottle Hoofland's German Bitters and mix with Five Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less You will have all the virtues of HOOFLAND'S BITTERS in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

NOT ALCOHOLIC,

And not intended as a

BEVERAGE.

The Proprietors have thousands of Letters from the most eminent Clergymen, Lawyers, Physicians, and Citizens, testifying of their own personal knowledge, to the beneficial effects and medical virtues of these bitters.

From Rev. J Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a third may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson of this city, because I was prejudiced against them for many years, under the impression that they were mostly an alcoholic mixture. I am induced to my friend Robert Shoemaker, Esq. for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Phil June 23, '61. J. N. BROWN.
