A Farm for Sale

In the Chapel District of Talbot Co.

THE undersigned will sell at private sale a farm which contains about 220 Acres of land. This farm is situated about 2½ miles from the Chapel, and is convenient to Churches, Mills and Schools. This land is naturally very kind for the growing of corn, wheat and oats and might be made one among the best farms in the county—there is plenty of resources on the farm, which is very easily got at to make it produce largely.—

The improvements are a Dwelling some what out of order, (but with a small expense might be made good) granery, smokehouse and stable—there is Wood enough for the use of the farm This farm is within 8 miles of Easton—the M & Del Railroad passes directly thro' the center of the farm, dividing it about equal; both parts will be directly on the road The road takes upwards of 5 acres, in passing through, to which the right of way has been given and a deed for the same One half of said farm will be sold or all of it It is thought unnecessary to go into a full description of the many advantages this farm has, as none that wishes to purchase will do so without examining the premises for themselves Any one that wants a small farm on the Railroad cannot I think but be pleased with it—There will be about 110 Acres more or less, on either side of the Railroad—persons wishing to purchase can call on Mr Robert H. Callahan, who resides thereon, and he will show the land

Possession will be given 1st January, 1858

ALL MY FRIENDS

WHO are in favor of my going to the city to lay in a handsome stock of Goods, will favor me by calling and helping to the amount of their bills and leaving their measure for a new suit. Don't be backward because your account is small, for I need it just as much as if it was the largest. If you want me to have the goods when you call to make your Spring and Summer purchases you must and me by the amount of your account to go to city to lay in my stock. Don't think its your neighbor I mean, for I would not slight any—especially you.

COLLECTOR'S NOTICE.

THE subscriber informs the tax payers of Talbot county that he is prepared to receive their State and County Taxes for the year 1856. I hope they will be promptly paid, as I shall aim to close my collections within the time prescribed by law. The commissions paid for collecting the taxes are not sufficient to justify me in riding the county to make repeated calls on delinquents, therefore I shall expect tax payers to call on me at once, and settle their taxes. To enable persons to save the *four per cent* discount on their State tax, which they may do by paying their taxes during this month (September,) I shall be in Easton every Tuesday, at Trappe every other Saturday, beginning with to day, and at St Michaels when not on a cruise in other parts of the county. Mr. Charles Robinson, in Easton, will receive and receipt for taxes for me during any day in the week for the Easton, Trappe and Chapel Districts.

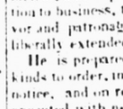
COACH AND HARNESS MAKING.

THE subscriber (surviving partner of Anderson & Hopkins) takes this method of informing his friends and the public generally that he has taken the shop, stock, &c., of the late firm, and will hereafter carry on the

COACH-MAKING BUSINESS



in his own name. From his long experience in the business he flatters himself that he will be able to give general satisfaction, and hopes by a prompt and faithful attention to business, to merit a continuance of that favor and patronage which have heretofore been so liberally extended toward him:

He is prepared to manufacture Carriages of all kinds to order, in a very superior manner, at short notice, and on reasonable terms. Repairing also executed with neatness and despatch.

He has now on hand and ready for sale a fine assortment of Carriages, Harness, &c., both new and second hand, of various patterns and finish, which he would respectfully invite the public to call and examine.

Orders from a distance punctually attended to, and all new work warranted for 12 months.

To Farmers and Gardners.

THE subscribers offer for sale 10,000 barrels of their New and Improved

POUDRETTE,

Manufactured from the night soil of New York city, in lots to suit purchasers. This article (greatly improved within the last two years) has been in the market for eighteen years, and still defies competition, as a manure for Corn and Garden Vegetables, being *cheaper, more powerful than any other*, and at the same time *free from disagreeable odor*. Two barrels ($1 worth) will manure an acre of corn in the hill, will save two thirds in labor, will cause it to come up quicker, to grow faster, ripen earlier, and will bring a larger crop on poor ground than any other fertilizer, and is also a preventative of the cut worm, also it does not injure the seed to be put in contact with it.

The L. M. Co. point to their long standing reputation, and the large capital ($100,000) invested in their business, as a guarantee that the article they make shall always be of such quantity as to command a ready sale.

Price, delivered in the city free of charge and other expense—

One barrel,	$2.00
Two barrels,	3.50
Five barrels,	8.00
Six barrels,	9.50

And at the rate of $1.50 per barrel for any quantity over six barrels.

☞ A Pamphlet, containing every information, will be sent (*free*) to any one applying for the same. Our address is—

The Lodi Manufacturing Co.,
Office, 60 Cortlandt St., New-York.
