PEDIGREE:

Sir George Michigan is a beautiful chestnut, full fifteen hands high, eight years old this Spring. He is eminently superior in all points indispensable to the turf horse—and for purity of blood, is inferior to none on the continent. Sir George Michigan was sired by the celebrated running horse, Bacchus the II., which was got by Bacchus the I.; him by Sir Archy, him by imported Diomed; the dam of Bacchus the I., was by Rattler, (by Shark,) g. dam by Widair. The dam of Bacchus the II., was the celebrated mare Crazy Jane, his dam was a Cincinnatus mare owned by Sidney George, Esq., of Cecil County, Maryland; g. dam by Galloway's Selim—Crazy Jane, was by Skyscraper, him by Lamplighter, (dam Miss Doe,) and Lamplighter by imported Medley—Sir George Michigan's Dam was by Sir Henry, him by Sir Archy, and he, by imported Diomead—g. dam by Duroc, and he by Diomed—g. g. dam by imported Florizelle.

YOUNG SIR PETER.

THE very superior stallion, **YOUNG SIR PETER,** will be let to mares the present season, commencing on the fifteenth of April and ending the fifteenth of July, at the following prices: $7.50 the season, to be discharged by the payment of $5.50, if paid within the season. He will stand in Marlboro', Nottingham and Aquasco Districts. Persons wishing to breed from this Horse, will drop the subscriber a note, at the Long Old Fields, and he will be sent wherever his services may be required.

A good Groom will be provided, and every care taken to prevent accidents, for which, however, the subscriber will not be liable.

SIR PETER has been decided by the best judges to be the finest horse they ever saw for saddle or harness, being of fine size and form, and every point necessary for the same. The Premium of the Prince George's Agricultural Society for the best stallion *for all purposes* has been awarded to him—as also the same Premium by the Montgomery Agricultural Society.

PEDIGREE:

YOUNG SIR PETER was sired by Old Sir Peter Chancellor, the celebrated trotter, who in 1831, performed 32 miles on the Hunting Park Course, Pa., in 1 h. 31m.; the last mile, to save a bet, was trotted in 2m. 40s. Old Sir Peter Chancellor by Dutchman, who trotted a match with Rattler, October 6, 1838, over the Beacon Course, R. I., match $1000 a side, three mile heats in harness; a match for $5000 August 1, 1839: time, 7m. 1-2s. Old Sir Peter's dam by Gigie Ocear, out of Dr. Kehn's celebrated mare, Fioretta. The dam of Young Sir Peter is the well known Araban mare, Polly, imported into this country by Dr. Doman, and bought by Mr. Shafler, of Frederick County. The great improvement in the breed of horses in England arose from crossing those diminutive stallion barbs of Arabia.

It is deemed unnecessary to go any farther into his pedigree, as this will satisfy all acquainted with the subject, that there is no horse of better blood, on his father's side, in the country.

YOUNG SIR PETER is a dark mahogany bay, with black legs, main and tail, of the most beautiful appearance, sixteen hands two-and-a half inches high, with a fine coat of hair, white, for sickness and fineness, is seldom equalled, and never excelled, which is highly indicative of the purity of his blood.

Persons wishing to breed from this Horse, will be required to place their names in a book in possession of the Groom.
EDWARD L. DARCEY.

The World never before saw such a mass of Home Testimony given to any other Medicine.

Hampton's Vegetable Tincture!
THE GREAT DISCOVERY OF THE AGE!
READ! READ!! READ!!!
Joy to the World!—Hope for the Afflicted!—More Testimony from Home!
Cure of Consumption, Neuralgia, Pain in the Side, &c.

MESSRS. MORTIMER & MOWBRAY: GENTLEMEN,—It is with pleasure I can testify to the great healing powers of HAMPTON'S VEGETABLE TINCTURE. My wife had been afflicted for three years, laboring under a constant hacking Cough, with a most violent Pain in the right Side, Neuralgia of the Head, and Dimness of Sight; very little rest day or night, and much emaciation, and to all appearances a rapid Consumption inevitable.—We had the most eminent physician in Annapolis, but his medicine did not give her any relief at all, but growing worse if any change in the least; and after having read one of your Pamphlets, in July last, she concluded to try Hampton's Vegetable Tincture, and after taking but two bottles of which (under a kind Providence) we perceived a great change for the better; her appetite improved, her skin became quite clear, cough, pains, neuralgia, &c., entirely left her, and by the time she had taken a few bottles more she was completely cured, and is now in the enjoyment of most excellent health.

I have seen also its beneficial effects on several other ladies of Annapolis, and I think I can say from what I have seen of the Medicine, I do not believe its Curative Powers can be equalled. A sense of duty to the afflicted has induced me to drop these few lines for their benefit. Respectfully,
EDWARD SANDS,
Master of the Schr. Geo. Barber, Annapolis Packet, No. 3 Tobacco Warehouse, Light Street Wharf. BALTIMORE, May 1, 1852.

Let the whole Afflicted World, read the Testimony of a Lady after thirty-eight years of suffering.
NORTHAMPTON, Co., April 13, 1852.
Messrs. Tyler & Adair: "I have been afflicted with Rheumatism at times from my twelfth year, I will be fifty years of age the 18th of this month; the attacks were at times so severe as to render me helpless, I have tried various remedies to very little effect; last October I was attacked in my shoulders, sides, back and hips, I could not rest day or night, I could not move any part of my body without crying with pain, at this time I also tried many remedies internal and external without receiving any relief; I was at last advised to try "Hampton's Vegetable Tincture," before I had taken one bottle of which, I felt much better, and as I continued taking it, I felt strength coming into my back and limbs, and my stomach strengthened and revived every way—I have taken five bottles and am much better than I ever expected to be. I intend to use it whenever, I need it, and would recommend it to the afflicted, believing it unequaled. Yours,
ELIZABETH BAGWELL.

Astounding effects!!—The whole afflicted World Read!!!—A lady restored after two years sickness.
NORFOLK, Dec. 6, 1851.
Messrs. Mortimer & Mowbray—Hampton's Vegetable Tincture is certainly working miraculous results here, in the way of cures, but there seems to be a diffidence on the part of those cured to give a certificate, which, in justice to the afflicted should not exist. I could mention a dozen cases of importance in which it has been successful in curing the worst kind of diseases; but it appears to cure them so easily, and its effects are so magical, they do not appear to be able to realize it, though they are perfectly satisfied they are cured.

I will mention two cases which have lately come under my notice. A lady who had been confined to her bed for between one and two years, and on whom the doctors had been attending during that time, without any success, was induced to try the Tincture, and after taking the second bottle she was enabled to be up stirring about her house—a thing she had not done for two years, as I was informed by her husband, who called on me, in perfect ecstacy, and said he had at last found the much needed panacea, and I think he will furnish you with a certificate of the strongest character.

Another gentleman informed me that he had a very valuable negro woman so far gone by disease that he would have taken twenty-five dollars for her, but the first bottle was so effective that he felt confident of a perfect cure. Yours, respectfully,
JOHN R. HATHAWAY.

Hampton's Tincture is a great purifier of the blood, will cure Dyspepsia Rheumatism, Cough, all diseases of the Liver, Kidneys, Stomach, Bowells, Spine, and all nervous complaints; Worms, general debility, and for all female complaints, it has no equal. Call and get pamphlet, gratis, and read certificates such as no other medicine ever had before.
