DIED,

In Washington, on Thursday, the 26th ult., after a short illness, in the blessed hope of a glorious immortality, HENRIETTA EARLE KERR, wife of the Rev. DAVID KERR, Rector of Trinity Church, in this village.

It is with very great sorrow that we copy the above from the "Intelligencer" of last Friday morning. The lady, whose race has thus so suddenly terminated, had endeared herself to hosts of friends, even during a residence in our midst of only a few months. She was a lady of many fine traits of character, and most admirably fulfilled the duties of her position. It is especially a subject for grief, when the wife of a Christian Pastor is stricken down; for her sphere is to be a help-meet in more senses than one. However, it is a satisfaction to know that her friends and acquaintances have the highest consolation for the great loss they have sustained.

Near Piscataway, in this County, on the night of the 24th ult., after a protracted illness of some weeks, JOHN MONROE, in the 77th year of his age. He retained his consciousness to the last, and with his dying breath gave evidence that would have put infidelity with all its kindred dogmas to the blush, that Christianity can do for its voteries all it promises, give happiness in life, triumph in death, and immortality in Heaven.

FOR STATE SENATOR.

MR. TURNER:—It has come to be a practice, some time before the meetings of Party Conventions, for individuals jointly to suggest, through the County papers, gentlemen whom they deem worthy of nomination for particular offices. We do not intend either to sanction this practice or to condemn it; but only to avail ourselves of it.

We, therefore, take the liberty of suggesting to the people of our County, and especially to the Whig party, C. C. MAGRUDER, Esq., of your town, as a gentleman in every way suitable to represent us in the Senate of Maryland.

Of his qualifications for the post, we are under no necessity of speaking at all. It may be said very justly that he well deserves the nomination of his party. We may say, with equal truth, that he deserves the support of *all* his fellow-citizens; if their object in choosing a Senator be, as it surely ought to be, to choose a gentleman of standing and of tried integrity, who, not being a bitter partizan, would faithfully attend to their interests.

It may be proper to state, that this suggestion is made without the knowledge of Mr. Magruder; nor do we even so much as know whether he would accept the nomination.

PROSPECTUS
OF THE
WILLIAMSBURG GAZETTE.

THE undersigned proposes to publish in the city of Williamsburg, the ancient metropolis of the Old Dominion, a weekly journal, to be called the

"WILLIAMSBURG GAZETTE."

It will be devoted to literature and the general news of the day, and so far neutral in politics, as to exclude all matters of a merely partizan character, leaving its columns open for any philosophical discussion on the science of government.

No articles of a sectarian character can ever be admitted under any pretence, it being the design of the Editor, to keep his paper free from those unless controversies, which so often prevail between men of different religious persuasions.

Under no conceivable state of circumstanes, shall the GAZETTE be made the vehicle of vituperation and abuse, which must, necessarily, exclude all articles, calculated to reflect injuriously upon any private individual. The Editor is thus explicit, in order that those who may wish the insertion of such communications, may refrain from making the application, and thereby, save him the disagreeable necessity of refusing a compliance with their wishes.

Believing that an enlightened system of Agriculture is only needed to make the tide-water region of Virginia one of the finest countries on earth, the columns of the GAZETTE will be, at all times, open to the agricultural profession. The intelligent improver of the soil is one of the greatest of benefactors, and all communications, calculated to cheer him on and advance the general farming interest, shall be cheerfully welcomed, and find a conspicuous insertion.

The general education of the people, forming, in the opinion of the undersigned, the main bulwark of a free and enlightened government, all efforts tending to their advancement in knowledge, shall receive the most cordial support of the GAZETTE. And to assist in the furtherance of so desirable an end, whatever ability it may possess, or influence it may acquire, shall be exerted for the advancement of all the institutions of learning in the State, but more especially, for the prosperity and usefulness of William and Mary College, and of the other schools and academies, both male and female, located in Williamsburg.

The GAZETTE will be published at the rate of TWO DOLLARS per annum, if paid in advance, if not paid before the expiration of six months, TWO DOLLARS AND FIFTY CENTS.

Advertisements inserted at moderate rates.

Publication to commence so soon as sufficient patronage can be secured to justify the enterprise. THOMAS MARTIN.

TRUSTEES' SALE OF REAL ESTATE.

THE subscribers, in virtue of a decree of Prince George's County Court, sitting as a Court of Equity, will offer at public sale,

On FRIDAY, the 24th day of June next,

if fair, if not, on the next fair day thereafter, at the Court House Door, in Upper Marlboro', a *VALUABLE TRACT OF LAND*, containing about

400 Acres,

the Real Estate of which *Walter W. Robey*, late of Prince George's Couty, died seized and possessed, called and known by the name of "Robeyville." The quality of this land is good, and with the liberal aid of Guano and other fertilizers, may be made a productive and valuable farm. It is believed to be particularly adapted to the growth of wheat, under a proper system of cultivation. It is also quite probable that the contemplated railroad to commence from some point opposite Aquia Creek to Baltimore, will pass through or near this farm, which will enhance its value very much. It is also a good location for the mercantile business. The improvements are a **DWELLING,** and the necessary out Houses, Store House and Barn. The property is also situated in a healthy neighborhood. Those wishing to purchase this land are invited to view it. The tenant will show it to persons calling on him.

THE TERMS OF SALE, ARE:—A cash payment of Three Hundred Dollars on the day of sale, or on the day of its ratification by the Court, and the balance of the purchase money to be paid in two equal annual instalments, bearing interest from the day of sale, and to be secured by the bonds of the purchaser, with security, to be approved by the Trustees. The land will be sold free, clear and discharged of the widow's right of dower.
