FOR CONGRESS.

WE are authorized to announce **General THOMAS F. BOWIE** as a candidate for Congress from the Sixth Congressional District of Maryland, composed of the counties of Howard, Anne Arundel, Montgomery, Prince George's, Calvert, Charles and St. Mary's—subject to the decision of the Whig Nominating Convention, to be held at Bladensburg on the 3d of August next.

The Howard Gazette, Annapolis Republican, Rockville Journal, Port Tobacco Times, and Leonardtown Beacon, please copy till the meeting of the Convention.

June 29, 1853—tc

PRINCE GEORGE'S Co., June 17, 1853.

To the Editor of the Advocate:

SIR.—You will please announce Dr. JOSEPH ISAAC DUVALL, as a candidate for Congress from this District, at the approaching Election, subject to the Whig nominating convention. Dr. DUVALL represented his native county in the Legislature of Maryland about four years ago, and all who have the pleasure of his acquaintance know him to be an unflinching Whig, a man of superior talent, an able and fluent speaker; if nominated, will canvass his congressional district fearlessly, and with honor to his party. Schooled as this gentleman has been in the Whig faith, in its orthodoxy as laid down by its great expounder, and untainted by a single departure from its original principles for many years past, and still fighting for the cause, in Dr. Duvall we have one in every way worthy of our confidence and support, and whom cliques and factions cannot reach. It should be borne in mind by every Whig that the present distracted state of the Democratic party has been produced by certain uneasy, greedy and unreasonable members of that party, who desire to rule or ruin: and it is a fact which cannot be successfully contradicted that the present prostrated condition of the Whig party cannot only be ascribed to the reckless and determined course of rash friends to nominate and perpetuate for honors men who have been the happy recipients of public favors in many instances for ten years. But the time has now arrived when this abuse should be corrected; and, if not corrected, the Whig party will continue to decline, and at no distant period it will scarcely number as many voters as constitute the clique that have dictated to the true Whigs of the congressional district.

There are connected with the Whig party in the congressional district a great number of young and old men who are possessed of a high degree of intelligence and who have sustained their party in adversity as well as prosperity, and whose services are esteemed highly valuable, especially so far as fighting the battles of the party are concerned; but when the honors of the party are to be distributed, their claims are totally disregarded. How long will this insufferable abuse continue? not very long, it is sincerely hoped; for a discriminating public will place the badge of rejection upon all Whigs who claim public honors as entailments; and it is the duty of the convention soon to convene to apply to every aspirant to public honor the test, "has he been true to his party rule; has he intelligence commensurate with the duties of the office to what he aspires; has he industry and becoming moral habits;" if he comes up to the standard he has an undoubted claim, provided that he has not already been forne down with honors. The recent struggles which have characterized our conventions to nominate candidates for Congress prove most clearly the insatiable thirst of those politicians who have feasted upon honor from time to time for twenty years; and the increasing dissatisfaction in the Whig ranks will certainly relieve itself by striking boldly for the republican principle of rotation in the distribution of public honors. JUSTICE.

FOR STATE SENATOR.

MR. TURNER:—You will please say, that if our worthy fellow-citizen, *EDMUND B. STEPHEN, Esq.*, will consent to be a candidate for the Senate of Maryland at the ensuing November Election, he will be zealously supported by THE PEOPLE.

June 29, 1853.

MR. TURNER:—It has come to be a practice, some time before the meetings of Party Conventions, for individuals jointly to suggest, through the County papers, gentlemen whom they deem worthy of nomination for particular offices. We do not intend either to sanction this practice or to condemn it; but only to avail ourselves to it.

We, therefore, take the liberty of suggesting to the people of our County, and especially to the Whig party, C. C. MAGRUDER, Esq., of your town, as a gentleman in every way suitable to represent us in the Senate of Maryland.

Of his qualifications for the post, we are under no necessity of speaking at all. It may be said very justly that he well deserves the nomination of his party. We may say, with equal truth, that he deserves the support of *all* his fellow-citizens; if their object in choosing a Senator be, as it surely ought to be, to choose a gentleman of standing and of tried integrity, who, not being a bitter partizan, would faithfully attend to their interests.

It may be proper to state, that this suggestion is made without the knowledge of Mr. Magruder; nor do we even so much as know whether he would accept the nomination.

May 25, 1853—tf BLADENSBURG.

MR. TURNER: You are authorized to announce *SAMUEL H. BERRY, Esq.*, of Marlboro' District, as a suitable candidate to represent Prince George's County in the next Senate of Maryland, subject to the decision of a County Convention.

Mr. Berry has always been a zealous and consistent Whig, and his ability, industry, and business habits, eminently qualify him for a seat in the Senate, and if nominated, he will be supported by all true

To the Editor of the Planters' Advocate:

SIR: Allow us to suggest through your paper, to the Whig Convention shortly to assemble in Marlboro', *JOHN CONTEE MULLIKIN*, Esq., as a suitable candidate for the House of Delegates.

We hope, therefore, he will see fit to allow the use of his name, as above suggested, as we are confident he would make an efficient and thorough-going representative of the County.

Plaster! Plaster!! Plaster!!!

THE subscriber is now prepared to furnish at his STEAM MILL, the best **PLASTER** at the low rate of **$8.75 per ton**, or for every seven barrels. The Baltimore price, delivered at our Landing, costs the planter $10.50 per ton, or for seven barrels.

The subscriber is determined, if the proper enecouragement is given to sustain the enterprise, to carry on the plaster business on a larger scale than it has ever been done in this community, and at prices that cannot fail to be advantageous to the planter. It is only necessary for the planter to compare the subscriber's prices with those of the Baltimore market, to assure himself that it will be to his advantage to encourage "home trade."
