TO OUR PATRONS.

The present unprecedented high cost of print paper, together with the great difficulty. at any price, to secure a proper supply of same, as needed. has compelled us reluctently to reduce the size of THE ENTERPRISE from an eight page to a folio paper. The price of newsprint normally was about $45.00 a ton; but today it is over $320 a ton,—our edition of THE ENTERPRISE. for the month of July costing us over $82.00 for paper alone, to say nothing of labor, wages, rent and other miscellaneous expenses. We have been running the paper at a considerable loss for the past two years. The present change, which is only temporary, is prompted through absolute necessity in order to keep our heads above water.

We have hundreds and thousands of dollars on ourbooks for past due subscriptions and advertisements, but it requires cash, and a lot of it, to run a newspaper. We must, therefore, appeal most strenuously to our debtors to come to our rescue, in this, our dire distress. Do not wait for a bill to be sent out, but send us a check for what you think you owe, and due credit will be given, and a statement rendered. As soon as convenient, we will send out bills to delinquents and we beg our patrons to be prompt in responding to our call. Whilst we have been over derelict in this particular, in the past, we must now make known our urgent necessities and ask a speedy reply.

HARDING AND COOLIDGE.

Why should we vote for Harding and Coolidge?

We should vote for them because the country demands a change in the White House.

The people are tired of the inefficiency, misrule and wobbling policies of the Democratic party.

The people recognize that the Republican party has always guided the destinies of the Nation wisely, especially in the days of stress when human problems pressed for solution.

Harding and Coolidge represent the best element in the Republican party.

Both are men of the people who have risen to eminence because of exceptional ability.

Both are farm born. Both worked their way to the top by superior ability. Both retain their love of the people, and are beloved by the people.

Harding, as the standard bearer, is worthy of our support and our votes.

Harding has hewn a straight furrow. His every vote and public act testify to his clean, straight, honest manhood.

Harding is for peace at home and abroad. He fought against that part of the Treaty that would involve our country in European broils.

He voted to recall our soldiers from Russia and fought for the safety of our sons at home and abroad.

He has fought for and voted to protect our children. He supported the child labor law.

He has fought for and voted for laws to protect the workingmen and to better their conditions. He voted for the minimum wage scale, the civil service retirement law, the rehibilitation of industrial cripples law and other legislation for the betterment of the workers and earners.

He has voted for the law against cornering food products and has fought to lower living costs.

His record on woman suffrage is clear. He voted for woman suffrage and lent his aid, his influence and his efforts in securing ratification in several states.

Both Harding and Coolidge are men of high moral type, simple and unassuming men, able men.

When Harding goes to the White House he will call into his councils and his cabinet the ablest among the many able men of the Republican party.

We can vote for Harding and Coolidge with the calm assurance that they will safeguard our homes, our rights and our country.

In the Circuit Court for St. Mary's County, No. 1356 N. E.

The object of this suit is to procure a decree for divorce a vinculo matrimonii from the defendant Chapman Gross.

The Bill states, that the parties were married in St. Mary's County, Maryland, December 7, 1895. It is thereupon this 10th day of August, 1920, ordered by the Circuit Court for St. Mary's County, in Equity, that the Complainant by causing a copy of this order to be inserted in some newspaper published in St. Mary's County, once in each of four successive weeks, before the 6th day of September, 1920, give notice to the said absent defendant of the object and substance of the Bill, warning him to be and appear in this Court in person or by solicitors, on or before the 27th day of September, 1920, next, to show cause, if any he has, why a decree ought not to pass as prayed.
