Race Tightens In Bi-State League

School Champs To Be Decided Friday

Perryville Lead Cut Again As Newark Takes Three In A Row

Yellow Jackets Climb Again When Railroaders Drop One Over Week End. Aberdeen Wins Fourteen Session Stand From Papermakers But Bow In Seven Inning Nightcap

By making a clean-sweep of the holiday and Sunday games over the week-end, Jackie Bridgewater and his crew of hustling Yellow Jackets are knocking on the first place door just one step behind the pace making Railroaders who are now holding on to a slim lead of one game. The Jackets took both ends of the Memorial games from Elkton by scores of 7 to 6, and 11 to 2, and then pulled a fast one from the fire with Providence on Sunday by a 5 to 3 score.

Havre de Grace and Perryville, ancient rivals, hooked up in two bruising games on Saturday, the morning affair on the Railroaders' home lot going to the Rivermen by a score of 8 to 6, but in the afternoon game at Havre de Grace, the Rivermen turned on the heat and dipped the Harford county aggregation deep into the old white-wash tub while they themselves hit the rubber five times. On Sunday Perryville throttled the Aberdeen Canners in handy fashion at Oxford by a score of 11 to 6. The Havre de Grace-Elkton Sunday contest was postponed and will be played as a part of a double header when the Barristers visit the Harford metropolis on Saturday, June 27.

In the Saturday game the Railroaders had the Rivermen pretty well bottled up and the game looked good for another Perryville victory until the fourth session when the visitors let loose a barrage of base hits that dropped to all sections of the park and before the noise and smoke of the drubbing ceased, five runners had crossed the pan. At this point Stan Bailey was rushed to the hill and held the Rivermen in check until the ninth frame when they once more broke loose, after Perryville had tied the score in the seventh, to score two more that gave tthem the edge of victory.

Left on bases: Havre de Grace, 5; Perryville, 7. Hit by pitched ball: S. Bailey (Stephens, Tollenger). First base on errors: Havre de Grace, 3; Perryville, 1. Umpire: Cloak. Time of game: 1 hr. 50 min.

Railroaders Turn The Tables

With plenty of revenge in their bat bags, the Railroaders crossed the river for the afternoon fray and made short work of getting back in the running. In an early start the Biles crew jumped right into the fight in the opening round and made things look rather blue for the home fans in general and McNutt in particular who did the hurling for Havre de Grace. Three markers were rushed over the pan and in the following inning two more were rung up to push their total to five.

In the meantime Jefferies for the Railroaders was working in great style and continued his good work throughout the game. After getting off to a rocky start, the veteran McNutt also struck his stride and from the third on out held Perryville in check, but with the Perryville hurler going great guns the Rivermen never had a chance; the damage of the first two innings proved too much to overcome and even though McNutt turned in a great performance during the remaining seven sessions, his mates could not overcome the early lead and the Railroaders tucked another game in their win column.

Papermakers And Canners Split In Double Header

Providence Drops First Game Which Goes To 14 Innings

Take Abbreviated Nightcap Battle By Score Of 3 To 2

Before a large holiday crowd at the Aberdeen Canners ball park last Saturday, the Canners and Providence Papermakers staged a grueling duel that ran fourteen innings, a league record for the season, before the issue was decided in favor of the Canners by a score of 6 to 5. With the morning game shifted from Providence to provide a double header in the afternoon, the curtain raiser required three hours and three minutes with every second of the time filled with thrills that kept the big crowd on its feet half the time.

The Papermakers were the first to break into the run column and after the second inning it looked like curtains for the Canners, but the Baldwin crew got right back into the game on all six in the third stanza when they evened up the score with a trio of tallies. In the fourth Aberdeen punches the run clock for two more to put them ahead in the fierce battle. The Papermakers sneaked over one counter in the fifth and from then on out until the ninth it was an even match with Mitchell for the Canners and Conway for the Papermakers going in grand style. Both pitchers were invincible during these sessions, but in the ninth Providence again scored to tie up the count at five all.

The battle of pitchers started all over again and five innings of over-time playing was required before the Canners put over the winning punch in the fourteenth.

Providence Cops 7 Inning Tilt

In the seven inning abbreviated nightcap the Papermakers came from behind and by scoring one each in the fourth, sixth and seventh, nosed out the Canners by a score of 3 to 2. The game was a real pitchers battle between Wilkinson for Aberdeen and Sprout for Providence. Although the Canners outhit the Papermakers seven to six, the Providence crew squeezed through their safeties at the most opportune times. Bell for Aberdeen and Hubis for Providence were the heavy stickers of the short battle, each getting two safeties.

Perryville High Wins Base Ball Playoff

Perryville high school, base ball leaders in the Northern Section of the county high school league since the opening of the season, won the play-off game with Rising Sun at North East Tuesday afternoon by a score of 10 to 6. Rising Sun made a gallant fight in the closing games of the regular season and in the last scheduled game Friday of last week tied the Perryville team for first place.

Perryville will be the opponent of North East, Southern Section winners for the county championship. The game will be played Friday of this week.

Northeasters End Season Without Loss In H. S. Loop

Wins Southern Section Base Ball Title With Six Straight Victories

Will Meet The Northern Group Champions For County Honors Friday

The North East high school base ball club made a clean sweep of its 1936 schedule and ended the season with six victories and no defeats. The Northeasters got off to a flying start, the club played consistent base ball all the way and much credit for the showing of the club is due to the great pitching of Armour who has done most of the hill work for the Fifth District aggregation.

Breezing through to the championship of the Southern Section of the high school league was not as easy an assignment as the club made it appear as both Elkton and Chesapeake City had dangerous organizations and ones that packed plenty of dynamite when let off. These two teams have put up some tough battles with the Northeasters and the fact that they did not tumble to either speaks power for the club that has just sailed into the championship.

Hurlers Stand Out

Although the affair with Elkton last Friday was not of the crucial variety to either club, it was one of the best played games of the entire season with both teams out for blood. Rivals in all sports in school life, this fact was brought to the front in real sportsmanship style as they battled through nine innings of fast base ball with North East on the winning end by one run. Armour for North East and King for the County Seaters both acquitted themselves on the hill in great style with Armour having the better of the argument. The only run of the game came in the second when the Northeasters brought in their lone tally. After that both pitchers hurled like well oiled machines and supported on all sides both on the infield and outfield, there was simply nothing further doing in the run line.

NOTES FROM THE "PHILLIES"

The Phils have changed their dugout. When Manager Wilson took control of the club he had the athletes sitting along the first base line, hoping that this dugout might bring them luck, inasmuch as the Phils used it in 1915 when they won their only National League pennant. However, the other afternoon the Wilsonmen were back on the bench adjoining the third base line.

Johnny Moore, a right-field hitter, has been pushing base-hits into left field during the last fortnight. Johnny switched tactics in an effort to do more batting on the road. The right-field wall at the Phils Park is a target for Johnny, but in visiting ball parks, his long drives to right have landed in the hands of the outfielders. So the Phils' outfielder has been placing his hits to both fields.

Manager Wilson has revised his original pennant prediction regarding the National League race. Before the season opened, Jimmy liked the Cubs. Now he thinks the Cards are the team to beat.

The Phils will furnish the opposition in the first night game of the year in the majors this season. They oppose the Cincinnati Reds under the arc-lights at Redland Field next Tuesday evening.

When the Phils were shutout by Carl Hubbell in New York last Saturday, 9-0, it was their first whitewash of the year. The Wilsonmen, incidentally, were the last of the sixteen major league clubs to be kalsomined.

The Phils dropped under the 23-player limit when Johnny Vergez, utility infield, was sold to the St. Louis Cards the other day. Johnny, a likeable chap, was the regular third-sacker until Pinkey Whitney returned to the team.

Striking from last place position in the Cecil County loop, Bill Ramsey's Calvert Club, behind the good hurling of Woody Gregg, took the first fall out of the leading Perryville aggregation last Saturday, the game ending 6 to 5 in favor of the Calverteers. Gregg had the Indian sign on the young Railroaders and kept them away from the plate for six innings. In the seventh however, he weakened and Racine was rushed to the rescue in time to stop the final rally that fell one run short of tieing up the count.

Calvert opened up the run column in the first session when two runs were put over and after that inning there was nothing more doing for the Ramseyites until the fifth when another pair was added. In the sixth Calvert scored one more and grabbed their final marker in the seventh.

Yerkes and Mahoney for Calvert, and Cunningham and McMullin for Perryville were the heavy sluggers of the day, each getting two safeties.

The Northern Section of the Cecil County High School base ball and volley ball leagues furnished the excitement last Friday and there were thrills enough in settling the disputes in both base ball and volley ball in that section to last the entire league a whole season. In the first place Rising Sun came through with the biggest upset of the day when the fighting ball club of that school trimmed the Perryville high to end the season in a tie. For several weeks the Sun aggregation has been creeping along in great shape and from an underdog position has come right to the front and in the first crucial game of the season, not only stood the test but went over the top a winner against their old rivals, Perryville. The Sun team did not leave any room for ifs, ands or buts over the affair but made the game doubly sure by smothering the young Railroaders to the tune of 10 to 3.

Rising Sun Girls Win

In volley ball the biggest surprise in the Northern Section was the downfall of the Calvert girls who crumbled in the crucial contest with Kenmore and thereby lost first position to Rising Sun. The Calvert team with the championship in its grasp, slipped a week or so ago but still had a chance to remain at the top. In the game with Kenmore however, the Calveteers played far below par and went down to defeat by a score of 10 to 4. In the meantime the Rising Sun team, pulled out of a slump and has been playing championship ball for several weeks back. In winning the Northern honors, the 1936 team has brought back the good old days to Rising Sun high as this school in former years produced a championship club for several seasons in succession.

Cecilton Wins

In the Southern section North East had the championship sewed up two weeks ago and in the game last Friday against Elkton, kept their slate clean although the County Seaters gave them a severe test in a game that ended with the Northeasters on the big end of a close 1 to 0 score. The big game in this section was that between Cecilton and Chesapeake City volley ball teams. With but one loss chalked up against them for the season, the Cecilton girls entered the game with the championship of the section at stake as the Chesapeake Lassies were but one game behind them. Playing their usual sure fire ball, the Cecilton team showed plenty of action and came through with an 8 to 4 win to give them the championship of the group and the right to tackle the Northern division winners for the county championship.

YOU CAN STOP WORRYING ABOUT MOTHS ALL SUMMER...

.....If you send your cleaning to us!

● Every American housewife has a constant fear of moth damage — a plaguing dread of ruin to valued garments.

● But stop worrying! Now you can laugh at moths — if you'll have your clothes cleaned by us. For we offer you a complete cleaning service — *plus moth-proofing that's covered by insurance!* Our exclusive process is winning the wholehearted approval of women everywhere. You, too, can gain peace of mind if you'll use it!

Our MONITE Process of Moth-Proof Cleaning costs nothing extra. You get it as a part of our regular service.

Winner At Indianapolis Will Race At Motor Classic On Langhorne Speedway

(Special Dispatch To The Star)

Langhorn, Pa., June 3.—Determined to make a name for himself as one of the greatest automobile racing drivers of all time, Louis Meyer of Huntingdon Park, Calif., three times winner for the 500-mile classic at Indianapolis, has decided to campaign in the east this year.

Louis Meyer

Immediately after his third triumph at Indianapolis, in which he established a new all time record of 109.6 miles per hour for the five-century grind, Myer signed an entry for the 115 miles of motor madness Ralph A. Hankinson will offer on the fastest circular mile course in the world, Langhorne Speedway, Sunday, June 14.

Will Not Retire

"I've no thoughts of retiring," Myer told newspaper men as he signed for Langhorne. "Auto racing is my business and I intend to continue at it until the turns get too narrow or the other boys get too fast for me. But until I retire, I intend to give it everything I have, and I think this is the year I have my chance to engrave my name in the Hall of Fame along with the notables of the past."

Meyer has passed up eastern competition in the past because the Pacific Coast has offered more action, but as the battle front has moved eastward, he'll fight it out with the speedsters along the Atlantic seaboard until next fall.

Expects Mark To Tumble

The Californian has been just as successful on the dirt as he has on the bricks, which indicates he'll give the railbirds something that will make them sit up and take notice June 14. Many other western stars are certain to follow Meyer east, and Hankinson will groom Langhorn for the highest speed in the track's history.

Kelly Petillo holds the present record of 65 minutes and 17 seconds for 100 miles, and Hankinson believes that mark will tumble in this next classic.

Howell Is High Gun At Victory Skeet Shoot

Jesse Howell copped the weekly honors at the skeet "shoot" held on the traps of the Victory Skeet Club near Singerly last Saturday afternoon by dropping only six out of fifty. Next high score for the day went to Jimmy Jamison, who dusted eighty out of a possible one hundred birds.

Other scores for the shoot were: Cornog, 50—24; Singleton, 50—37; Pierce, 50—32; Hull, 25—19; J. Hull, 25—12; Nickles, 25—20; Sam King, 75—53; Phil King, 75—34; Sam King, Jr., 75—56; Rowland, 50—34; Kirk, 50—24; Jefferson, 50—31; Anderson, 75—46.
