Perryville Railroaders Back In Bi-State Fight After Double Victory Over Week End

Jebb Holds Canners Scoreless For First Seven Sessions As Mates Find Baldwin For Thirteen Hittings Netting Total Of Six Runs

Havre de Grace Proves Easy On Sunday As Railroaders Win Out In Long And Hard Hitting Game. Team Now One And One-Half Games Out Of First Place

Taylor Biles' Perryville Railroaders, after moving off to a poor start, have unleashed another speed record and right now are cutting a high, wide and handsome figure in the doings of the second half in the Bi-State loop. Uncorking a double victory over the past week end, the Railroaderse knocked the leading Canners out of first place on Saturday and then went on to increase their percentage standing by tripping the Havre de Grace Rivermen in the Sabbath fray.

From way down yonder in this second half, the Railroaders, once they struck their stride, have been climbing the hill until now they have become a serious threat to the Newark Yellow Jackets who are temporary at least holding down the first place position. One game behind the second place Canners and one and one-half games out of first place, the Perryville fence busters are now in a grand position to reach their coveted goal, the second half championship.

Jebb Holds Canners Safe

In the game last Saturday, Jebb, on the hill for the Railroaders, proved a complete enigma to the Canners' wagon tongue wielders and spread a row of goose eggs through the first seven sessions. In the eighth with the score standing 3 to 0 against them, the Canners put over their only two markers of the game. Hughes, first up flied out to Cooney and N. Mitchell singled into right field; Trust rapped a slow one down through the short stop territory and while Lucas made a spectacular stop of the apple he was unable to field the ball. Baldwin flied out to Stan Bailey in right field and Nelson Bell opened the gates for the two runs when he tripled to right field. Cronin was an easy out Jebb to Hornberger. Jebb held the Canners safe in the ninth, but in the meantime the Railroaders put over three runs in the closing stanza to add to the three that had been scored one in each of the third, fourth and fifth.

Elkton Wins From Rivermen And Forfeits To Newark. Havre de Grace Team Deserted By Regulars As Rookies Carry On

By BILLY SWING

After being counted out some weeks ago as a shot ball club, the Perryville Railroaders at last have gotten into the clear and here of late have been highballing down the main line and going places without a stop. The first half champs opened up slowly in the secand end of the schedule and many thought the club was loafing through to catch a good team for the play-off series. The happenings of the past few weeks, however, have dispelled all that as the club is now spreading plenty of fear as it continues to sweep along showing its old time streamlined power.

o——o

Week before last the Biles aggregation stepped out and put the skids under Newark allowing the Aberdeen Canners to take first place in the loop standing. Then last week they came along and to show it was not a case of playing favorites, they gave these same Canners a jolt that lifted the crown off their heads with the result that it reverted again to the Yellow Jackets. Knocking off the leaders seems to be duck soup for the Railroaders and their efforts in the next two games will retermine whether or not the club will have a chance to repeat their work of the first half. If the Railroaders are able to knock the Canners off twice this week end and Providence should come through with a double win over Newark, the Perryville crew will be on top. This, however, is quite a task, not so much for the Railroaders as it is for Providence as few Cecil county fans hope for a double victory in that direction although the Papermakers, if caught in the right mood, have the power to go places even against the Jackets.

The boys over in the Cecil County league all seemed to have been of one accord last Saturday, each team doing their best to put some records in the books. All three games were of the long score variety, and with one exception, even the losers did something to keep the score-keepers busy. Bay View won the run manufacturing record of the day gathering 21, while their opponents in this history making event scored seven. Rising Sun put over 15 tallies in their battle against Leslie and in the Perryville-Calvert game, a slugging conest that kept going for three hours, a total of 25 runs were scored with Perryville getting the lion's share of 13. All in all, the winners of the day scored 49 runs with the losers getting 20. Something for the amateurs to think about while the professional leagues are discussing the lively ball.

With another triumph over Triumph, Earl Armour's Bay View aggregation is still leading the pack in the Lynch wheel with Ted Brown's Rising Sun Hustlers a close second. Calvert and Perryville continue in a deadlock for third position and Leslie holds forth in fourth place just a step behind the third placers. Gene Futty's fireworks boys just refuse to sparkle but nevertheless they are in there every Saturday giving all they have and sometimes they give a plenty.

The Circus Park Braves are finding the going rather tough in the New Castle County League. In the second half the Braves have taken but one game and are now holding down the cellar position.

Perryville Wins Three Hour Tilt From Calverteers

Extra Session Needed To Decide Big Score See Saw Battle

Calvert Outhits Opponents 27 To 17 But End On Wrong Side Of Runs Scored

Perryville and Calvert fought it out for three hours last Saturday before a 13 to 12 decision was finally reached after ten innings of play and the longest game of the season, insofar as time consumed was concerned, was written into the Cecil County League records.

The game was a whiz from the opening session when Calvert lifted the lid by scoring five runs. Perryvilel came back in the same session to mark up four and then a see saw affair began. Going into the ninth the score stood 9 to 8 in favor of Calvert and right then it looked like a victory for the Ramsey crew as two more runs were added to give them a lead of three runs. Perryville came back strong however to get back in the game and tied up the count by scoring five runs. Perryville came went into an extra inning.

Calvert scored one to break the tie in the opening half of the tenth but the young Railroaders, still using their heavy clubs, smashed out a victory by putting over two to give them a one run advantage.

Jack Ogden Signs 5 Year Contract With Orioles

Popular General Manager Will Continue In Present Capacity With Baltimore Ints Club

Announcement Made On Monday By Mrs. Jack Dunn, Owner And Persident Of Team

JACK OGDEN

Jack Ogden, popular general manager of the Baltimore Orioles ,has signed a contract for five years to continue in that capacity. The announcement was made Monday afternoon by Mrs. Jack Dunn, owner of the club.

Ogden has been in active charge of the club all season, and has also been the acting president taking over the reins when Charles H. Knapp was stricken ill. Following Knapp's death, Ogden has carried on although Mrs. Dunn has taken over the club presidency. Ogden has made a number of deals this summer that have proved advantages to the team.

Former Pitching Ace

Ogden's best years in base ball were spent in Baltimore when he was the outstanding minor league hurler under the late Jack Dunn, Oriole boss. His work in Baltimore attracted the attention of the big leagues and after leaving Baltimore saw service with several clubs in the American league. He later came back to the Orioles and when his playing days were over was given a chance in administering the business affairs of the club and the stamp of approval has been put on his efforts.

The Orioles left Monday night for a seventeen day jaunt, the last road trip of the season. In fourth place the team will have a stiff battle to get in the International playoffs.

Plan To Fish To Music Of Hill-Billies

WANTED—A real sure-enough Hill Billy Band of about ten to fourteen pieces.

That is the latest call to come from the offices of the Chesapeake Bay Fishing Fair Association over at Easton. Max Chambers, secretary of the association, has an idea of placing such a band on a boat and have them cruising about "The Gooses" during the big Fishing Fair, set for September 12, when anglers from all over the State will contest for the biggest rock, the largest trout, the ugliest toad, and such like.

Really, it is going to be a great day, and this Hill Billy idea is just one of the many stunts that will make it unique in fishing history.

As planned at present, the big Fishing Fair will get under way on a surveyed area off Tilghman's Island at 6 a. m. The entrants will fish until high noon, when the boats will then make for the Island, where an old-fashioned crab feast will be held and the prize awarded.

Bay View Holds Lead By Winning Long Score Game

Heavy Hitting Opens Up In Fourth And Armour Crew Easily Sews Up Game

Earl Armour's Bay View tossers had little trouble in coming out in front over the Triumph team last Saturday, taking a long score game 2 1to 7. For the first three sessions the game was all in favor of the fireworks boys who scored two in the first and one in the third whil eholding Bay View scoreless. In the fourth however, the Armourites hauled forth their big bats and clubbed out seven runs. From then on they pounded the pill almost at will and went on to pile up a total of 21 runs.

Walbeck, Lynch and E. Armour were the heavy hitters for Bay View, while Weber and L. Clayton carried off the batting honors for the Triumph team.

Brown And Reynolds Lead Hustlers At Bat While T. Spotswood Is Leading Club Wielder For Losers, Getting Three Hits Out Of Five Times Up

By GLEN OLP

The Rising Sun Hustlers added another game to their win column last Saturday when they bested Leslie by a long score of 15 to 1.

Leslie's lone marker came in the second frame when Spotswood singled, went to second on Leveridge's grounder and scored on Graham's two baser. This one tally stood good until the fourth when the Hustlers got the range on Leveridge's slants and drove him from the mound. In this session, with one away, Jay Emrey singled and was safe at second when R. Brandenberg fumbled Smith's offering, both were safe. Richardson walked to fill the sacks and Marion Rawlings, the hard hitting Rising Sun centerfielder, rapped out a three bagger to clear the loaded bases. Little singled to score Rawlings and McCush walked; Reynolds singled to send Little and McCush over the plate, but in an attempt to stretch his single, Reynolds was nipped at second base. D. Rawlings flied out to third base to close the inning during which six runs had crossed the home base. During the inning four Leslie pitchers faced the Hustlers.

Rising Sun added three more runs in the fifth, five in the sixth and one in the eighth for a total of fifteen on fourteen hits.

Brown Triple Star

Clifton (Mike) Brown was the big star of the game and besides limiting Leslie to seven safe blows and one run, blanking them after the second inning, he batted in six runs, having three for five including a single ,a double and home run, which netted him three runs. Richardson who received Brown's pitching, caught a great game allowing but one man to pillifer second base. Bill Reynolds, the Hustlers' stellar shortstop shared the batting honors with Brown getting three for five and playing a great game afield.

T. Spotswood ,Leslie rightfielder, who finished the game on the mound, was the only visiting player to solve Brown's delivery to any extent, getting three safe bingles during the afternoon.
