PETROLEUM FEVER.

BY THE BARD OF MARBLE HALL.

I heard a chat the other day,
Between two friends across the way,
Which, as it was not contraband,
May be reported through the land
And do no harm.
A Mr. Black and Mr. Brown
Had met upon their way down town:
When Brown of Black asked, "Is it true
That such good fortune came to you
Through your new farm?"
I hear that a great run of luck
Is yours; that you have struck,
Or been struck, or *will* strike,
A well, that they do say is like
Alladdin's lamp!
"Why, yes," the happy Black replied,
For once Dame Rumor has not lied,
I feel repaid for former toil,
For I've been really "striking oil"
And shall decamp
With Fifty Thousand, more or less,
To the old world my eyes to bless
With all that's wonderful in art.
But, that I well may act my part,
Design to call
And fit myself before I go
With summer suits from top to toe,
From those whose fine artistic skill
None have surpassed, nor ever will,
Outside of "Marble Hall."

HELMBOLD'S

FLUID EXTRACT BUCHU

For Non-Retention or Incontinence of Urine, Inflammation or Ulceration of the Bladder or Kidneys, Diseases of the Prostrate Gland, Gravel, Brick Dust Deposits, Dropsical Swellings, Organic Weakness, Debility, Female Complaints, &c.

HELMBOLD'S
FLUID EXTRACT BUCHU
AND
Improved Rose Wash

Will radically exterminate from the system Diseases arising from Habits of Dissipation, *at little expense, little or no change of diet, no inconvenience or exposure;* completely superseding those *unpleasant and dangerous remedies, Copaiba* and *Mercury,* in curing these diseases.

USE HELMBOLD'S
FLUID EXTRACT BUCHU

In all Diseases of the Urinary Organs, whether existing in MALE or FEMALE, *from whatever cause originating, and no matter of how long standing.* It is pleasant in its taste and odor, IMMEDIATE in action, and more strengthening than any of the preparations of *Bark or Iron.*

Those suffering from Broken Down or Delicate Constitutions, procure the Remedy at once.

The Reader must be aware that however slight may be the attack of the above diseases, it is certain to affect his *Bodily Health, Mental Powers and Happiness.* If no treatment is submitted to, Consumption or Insanity may ensue.

All the above diseases require the aid of a diuretic.

HELMBOLD'S EXTRACT BUCHU
Is the Great Diuretic.

HELMBOLD'S
HIGHLY CONCENTRATED
Compound Fluid Extract Sarsaparilla,

For purifying the blood, removing all diseases arising from excess and imprudence in life, chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Palms and Swelling of the Bones Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly eruptions of the skin, and beautifying the COMPLEXION.

ANE HAPPINESS

NOT A FEW

Of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect *HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA.* It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles—in *Vacuo*—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their properties with those set forth in the U. S. Dispensatory.

HOW TO USE THE REMEDIES.

In Diseases of the Blood, Humors on the Face, or any and every part of the body, use Extract Sarsaparilla, applying to Pimples and all external Humors or Eruptions the Improved Rose Wash.

Use the Extract Buchu for all diseases requiring the aid of a Diuretic, except those of the Urinary Organs, such as Gonorrhœa and Gleet; in these use the Extract Buchu and inject with the Improved Rose Wash.

☞ THESE EXTRACTS HAVE BEEN ADMITTED TO USE IN THE UNITED STATES ARMY, and also are in very general use in all the STATE HOSPITALS AND PUBLIC INSTITUTIONS throughout the land, as well as in private practice, and are considered as invaluable remedies.

WERE awarded the highest premiums over all competitors at the State Fairs of New, York, Vermont, Iowa, Indiana, Michigan, Illinois, Kentucky, Pennsylvania, Ohio, and Oregon, and at every respectable Institute and County Fair held in 1863.

Most of our Lady readers are, no doubt, aware of the fact that the beautiful embroidery on cloaks and dresses so fashionable, can only be executed on the Grover & Baker Sewing-Machine. This machine, always a favorite in the family, has now become indispensable. Unlike other machines, it is ever ready to perform, in the most perfect manner, every kind of plain or ornamental sewing that may be required; and we are not surprised to find it carrying off the highest premiums at the different State Fairs now being held throughout the country.—*Le Bon Ton.*

We speak from experience when we say that, after having tried all the principal sewing-machines, we must accord to that of Grover & Baker the pre-eminence. Those indispensable features of sewing—strength, uniformity, and elasticity—all of which are brought out in this incomparable invention, make it the first sewing-machine in the country.—*New York Christian Advocate and Journal.*

Grover & Baker's Sewing-Machines.—We have frequently and strongly recommended these useful articles to our subscribers; we have done so because we know and have tested them, both in our homes, and elsewhere. There are two necessary things for housekeepers—one of Grover & Baker's Sewing-Machines, and Godey's Lady's Book. It is not housekeeping without them.—*Godey's Lady's Book.*

Sewing-Machines.

Of the many inventions and improvements of sewing-machines, none have so satisfactorily stood the test of time and service as Grover & Baker's. They have taken the highest premiums at the recent State Fairs of fifteen States; they have, moreover, received the warmest encomiums from all persons who have ever used the machines, and those who have had opportunities to compare the different styles of machines, generally prefer Grover & Baker's to any other. They do the work neatly and well, do not get out of order, and are readily adapted to any kind of sewing. We would advise our lady readers, who are in want of sewing-machine, to call at Grover & Baker's.—*Brooklyn Standard.*
