MILLIONS Bear Testimony to their Wonderful Curative Effects.

They are not a vile Fancy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and Organs, Glands and Membranes.

FOR FEMALE COMPLAINTS, in Maidens in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Stomach and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unrivaled efficacy in purifying the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow. Hundreds and thousands of persons, lurking in the system of so many thousands, are constantly destroyed and prevented from being developed into active disease by the use of this invigorator. Health is the great boon of mankind, and these Bitters are the great purifier of the blood, and a sovereign Regulator of the system. No system of Medicine, no physician, no medication, will free the system from poison so effectually as these Bitters.

Sold by all Druggists and Dealers.

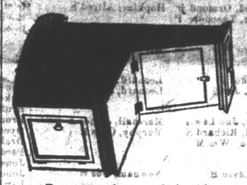
The American EARTH CLOSET,



PATENTED AUGUST 28d, 1870,

BY

C. KIEFFER & J. B. D. SEEDS,

THIS Closet is intended as a general substitute for all out-door houses and water closets. It may be placed in dressing room, bed room, or closet, without the least inconvenience or annoyance if directions below are properly attended to.

Earth or Coal Ashes must be well dried or freed from moisture, before filling the hopper; it must be well sifted to free it from stones and coarse particles. When the hopper is filled, raise and drop the lid before using it. This will leave one discharge of earth in the receiver, and it is ready for use until the contents of the hopper is exhausted, when it will again have to be filled, and its contents used as before.

The Closet is invaluable for the sick chamber, it being a complete disinfector and deodorizer; no offensive odor whatever. It may be placed close to the bed of the sick and remain any length of time without the least annoyance to the attendants or the patient, and no doubt prevents the spread of many contagious diseases in a family.

NEXT, A GREAT SAVING.

Independent of the great convenience of the Closet, the refuse of the Closet can be made a source of profit. The lowest estimate I have seen is $5, for each member of a family, old and young, a year, and the excrements can be handled and applied where it is wanted without half the annoyance of common fertilizers.

This Closet need only to be seen to be approved, and used to be appreciated.

YOUNG AMERICA.

BY MRS. M. A. MARTIN.

There's a bachelor over the river,
With a cabin and plenty of money,
He asked me to marry him, mother,
And I am but just in my teens.

Sister Kate, and Susie, and Bessie,
And Jennie, and Dorothy Deans,
Were put done with nonchalent playthings,
And scarcely had got in their teens;

Till they had been married a twelvemonth;
And now I would like to know why
I can't have a beau and a wedding,
And not live a maid till I die.

There are some things in life quite uncertain,
Affections, you very well know;
And not in the least are the chances
Of getting and keeping a beau.

There's no use in saying he's older
Than I am by nearly a score;
He's had all these years to be learning
And I shall be petted the more.

And no use to talk of our waiting,
For John wouldn't do it, I know;
He'd marry some other young lady
And I'd be left minus a beau.

So now I'm in haste for the wedding;
I'm in earnest, and can't be denied;
I will seem such a beautiful romance
To be called "the little girl bride."
