The management of this company exhibits record not surpassed by any Life Insurance Company in the United States, which enables it to take rank in point of protection to the most old-line companies.

One great advantage offered by insuring in this company, the return premiums are invested on mortgage where the policies are issued, under the direction of local boards of Trustees, so that the money invested in Life Insurance will not go out of the county.

The subscriber has the General Agency for the Eastern Shore of Maryland, and will establish Local Board of Trustees here as soon as sufficient policies are issued to justify it.

Risks taken and policies issued on the most favorable terms.

DYSPEPSIN

A CERTAIN CURE FOR

Dyspepsia, Liver Complaint, Jaundice, Biliousness, Sick Headache & Habitual Costiveness.

WHAT is Life without the enjoyment of health? If you have the wealth of Crœsus, and afflicted with Dyspepsia, or its kindred diseases, you could not enjoy life. Dyspepsia is approximate disease in the United States, being the cause of so many miseries. The Materia Medica has been exhausted to find a remedy, and the skill of the most learned Physicians has failed to effect a cure. Notwithstanding this declaration we unhesitatingly say: "MILLER'S DYSPEPSIN" is a Compound Drug for Dyspepsia, and that the purchaser may satisfy himself that it is what we claim it to be, we give client length of time to fully test its merits, and in every instance where it does not do the good according to direction, it has not failed in giving relief and effecting a cure. With such testimonials we feel warranted in recommending the symptoms of the disease named, and for which only we claim it as a specific. Our faith is so strong that we will send any one SIX BOTTLES, free of charge, to any person who will send us their address, and if it does not cure, we will pay the expense ourselves. Such offers should convince the most skeptical of its merits. Dyspepsia is the parent of Piles, and many other diseases, and if the cause be removed, a cure of the effect is sure to follow. Dyspepsia is the cause of Liver Complaint, Jaundice, Biliousness, Sick Headache, Costiveness, Nervous Debility, Low Spirits, Loss of Appetite, Loss of Flesh, Nervous Irritability, Wind on the Stomach, Sour Eructations, Palpitation of the Heart, Pain in the Side, Back and Limbs, Sudden Flushes of Heat, Burning in the Flesh, Constipation, Piles, Dizziness, Dry Skin, Nervous Apprehension, Sleeplessness, Coldness of the Extremities, Dreadful Dreams, Hypochondria, Melancholy, Mental Depression, Loss of Memory, Irritability, Fever, Want of Energy, Want of Sleep, Want of Appetite, Want of Flesh, Want of Strength, Want of Hope, Want of Ambition, Want of Vigor, Want of Vitality, Want of Nerve, Want of Life, Want of Blood, Want of Sense of Duty, Want of Sense of Danger, Want of Sense of Shame, Want of Sense of Sight, Want of Sense of Hearing, Want of Sense of Feeling, Want of Sense of Taste, Want of Sense of Smell, Want of Sense of Motion, Want of Sense of Rest, Want of Sense of Sleep, Want of Sense of Dreaming, Want of Sense of Thinking, Want of Sense of Speaking, Want of Sense of Writing, Want of Sense of Reading, Want of Sense of Hearing, Want of Sense of See
