STATE OF MARYLAND, EXECUTIVE DEPARTMENT.

PROCLAMATION.

Whereas, information has been received from the Governor of the State of Virginia, that certain citizens of the said State of Virginia are encroaching and trespassing on the oyster beds on the Virginia side of the provisional line, known as the "Davidson Lovatt Line," which, it was agreed, in the fall of 1870, by and between the Commissioners then duly and fully appointed by the Governors of Maryland and Virginia, acting for their respective States, should be observed and respected by the citizens of each State, until the permanent boundary line should be fixed and established between the two States; and

Whereas, it is the duty of the Executive of this State to protect its citizens in the enjoyment of the rights secured to them by the laws of this State, and

Whereas, the Commissioners, heretofore respectively appointed by the States of Maryland and Virginia, have agreed upon a permanent boundary line on the eastern side of the Chesapeake Bay, between the said States, the Legislatures of the two States are now endeavoring to arrange some mode up which a permanent boundary line can be finally agreed upon and established between Maryland and Virginia—

Now, therefore, I, James Black Groome, Governor of the State of Maryland, do by this my proclamation, officially, make known to the citizens of Maryland these facts, and do command and earnestly exhort them, as good citizens, faithfully to respect and conform to the agreement made on their behalf by the then Governor of Maryland, that the Davidson-Lovatt Line shall be observed by them as the boundary line between Maryland and Virginia, until the permanent boundary line shall be established. And I hereby admonish and warn them that any violation of that agreement will subject the parties so violating the same in either State, to severe penalties, against which they can neither hope for nor expect the interposition of the Executive prerogative.

Given under my hand and the seal of the State of Maryland, at the City of Annapolis, this 19th day of March, in the year of our Lord one thousand eight hundred and seventy-four.

[SEAL.] JAMES BLACK GROOME, Governor.

DYSPEPSIN

A CERTAIN CURE FOR

Dyspepsia, Liver Complaint, Jaundice, Biliousness, Sick Headache & Habitual Costiveness.

WHAT is Life without the enjoyment of health? If you lack the wealth of Croesus, and afflicted with Dyspepsia, or its kindred diseases, you could not enjoy life. Dyspepsia is a prevalent disease in the United States, brought about by our habits and irregularities. The Materia Medica has been exhausted to find a remedy, and the skill of the most learned Physicians baffled to effect a cure. Nevertheless, in this declaration we unhesitatingly say: "MILLER'S DYSPEPSIN" is a CERTAIN CURE for DYSPEPSIA and the many complaints incident thereto. It has been before the public a sufficient length of time to fully develop its merits, and is now recommended by the most eminent physicians, as a specific for the diseases named, and for which only we claim it to be a specific. Give the dirt pills and poisons a second, and you will be benefited.
