WORMS
In the human system, in children or adults, are a source of great danger. Their presence is indicated by symptoms so various and so obscure as to baffle the skill of the most eminent physicians. Nothing but a thorough expulsion of the parasites can be relied on for a cure. Such a remedy is
CLARK'S VERMIFUGE
and it is a pleasant confection, which children will take without a murmur. For sale by all druggists.

SIMMONS LIVER REGULATOR
Dyspepsia, Indigestion, Biliousness, Malaria, Chronic Diarrhœa, Jaundice, Impurity of the Blood, Fever and Ague, Malaria, and all Diseases caused by Derangement of Liver, Bowels and Kidneys.

SYMPTOMS OF A DISEASED LIVER.

Bad Breath; Pain in the Side, sometimes the pain is felt under the Shoulder-Blade; sometimes for Rheumatism; general loss of appetite; Bowels generally costive, sometimes alternating with laxness; the head is troubled with pain, is dull and heavy; with considerable loss of memory, accompanied with a painful sensation of leaving undone something which should have been done; a slight, dry cough and fever sometimes an attendant, often mistaken for consumption; the patient complains of weariness and debility; nervous, easily startled; feet cold or burning, sometimes a prickly sensation of the skin exists; spirits are low and despondent, and, although satisfied that exercise would be beneficial, yet one can hardly summon resolution to try it. Several of the above symptoms attend the disease, and other have occurred but half of them; and in many cases examination after death has shown the Liver to have been extensively diseased.

It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons Traveling or Living in Unhealthy Localities, by taking a dose occasionally to keep the liver in healthy action, will avoid all Malaria, Bilious attacks, Dizziness, Nausea, Drowsiness, Depression of Spirits, etc. It will invigorate like a glass of wine, but is no intoxicating beverage.

If You have eaten anything hard of digestion, or feel heavy after meals, or sleepless at night, take a dose and you will be relieved.

Time and Doctors' Bills will be saved by always keeping the Regulator in the House!

For, whatever the ailment may be, a thoroughly safe purgative, alterative and tonic can never be out of place. The remedy is harmless and does not interfere with business or pleasure.

IT IS PURELY VEGETABLE,
And has all the power and efficacy of Calomel or Quinine, without any of the injurious effects.

A Governor's Testimony.
Simmons Liver Regulator has been in use in my family for some time, and I am satisfied it is a valuable addition to the medical science.
J. GILL SHORTER, Governor of Ala.

Hon. Alexander H. Stephens, of Ga., says: Have derived some benefit from the use of Simmons Liver Regulator, and wish to give it a further trial.

"The only Thing that never fails to Relieve."—I have used many remedies for Dyspepsia, Liver Affected and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I sent from Minnesota to Georgia for it, and would send further for such a medicine, and would advise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve.
P. M. JANNEY, Minneapolis, Minn.

Dr. T. W. Mason says: From actual experience in the use of Simmons Liver Regulator in my practice I have been and am satisfied to use and prescribe it as a purgative medicine.

☞ Take only the Genuine, which always has on the Wrapper the red Z Trade-Mark and Signature of J. H. ZEILIN & CO.
FOR SALE BY ALL DRUGGISTS.

He Repeats the Remark.

"Will you, please repeat that remark, Mr. Mathison?"

Turning to us to look your representative squarely in the face, the head of the house of Soren Mathison & Co., Pharmacists, No. 182 State street, Marble Block, Chicago, replied:—"Yes, sir, with pleasure. My remark was that we consider PARKER'S GINGER TONIC, now called PARKER'S TONIC, the best article of its kind in the market. Our sales for the last six months tell the whole story and settle the question. The Tonic, like a good dinner, carries sweep the West like a prairie on fire. It cures a of rheumatism, dyspepsia and liver and kidney troubles it scores successes and wins friends every day."

HISCOX & Co. beg to call public attention to the fact that hereafter PARKER'S GINGER TONIC will be advertised and sold simply under the name of PARKER'S TONIC. We make this change for the reason that unprincipled dealers are constantly deceiving their customers by substituting inferior preparations under the name of ginger; and as ginger is but an unimportant flavoring ingredient, we drop the misleading word.

There is no change, however, in the preparation itself, and all bottles remaining in the hands of dealers, wrapped under the name of PARKER'S GINGER TONIC contain the genuine medicine if the fac-simile signature of HISCOX & Co. is at the bottom of the outside wrapper.

NEUTRALIZED.

In what way a Prevalent Evil may be Shorn of Its Power to Harm.

Malaria is a broad name for many diseases—all originating in blood poisoning. Bilious fever, the typhus and typhoid fevers and chills and fevers are prominent members of the family. Malaria defies alike the builders, the plumbers and the physicians. Despairing of ordinary treatment, the latter almost unanimously recommend BENSON'S CAPCINE POROUS PLASTER as the greatest anti-malarial specific of the age. These plasters act upon the liver, spleen, bowels and kidneys.

Worn over the region of the liver, and upon the back over the kidneys, they ward off malaria like an armor. No other plasters do this.

When you purchase, satisfy yourself that the word CAPCINE is cut in the center of the plaster.
