TOWN AND COUNTY.

—Watch for the new ads. of Milton Kohler and Mrs. A. Rose & Daughter next week.

—The Western Maryland Railroad Company has postponed the excursion over the Gettysburg line until a future day to be hereafter announced.

—Mrs. Martin Boward, who was injured in the cyclone, at Falling Waters, last week, died from the effects of her injuries Monday evening last.

—Mr. W. H. Loy, who was elected postmaster of this place on Saturday, 25th ult., was on Saturday last, appointed to that position by the Post-office Department.

—Preaching in the Methodist church to-morrow (Sunday) morning at 10.30 and 8 o'clock p. m. All are invited. Probationers received into full connection at the morning service.

—Mr. John Mallott, this place, while fishing with a dip-net, Tuesday last, in the canal, at the aqueduct, caught a shad, weighing two pounds. This is the first instance to our knowledge of a fish of this species being captured at this point.

—Already the closing of the canal has made itself felt. Coal has gone up from 75 cents to $1.00 per ton in Georgetown, and the price of wood has raised 50 cents a cord. Lime will be raised from 10 to 15 cents a barrel on the 1st of July.

—Mr. Hiram Cochrane and a party of friends, have been indulging in a big fishing expedition along the canal, this week, using a seine. During two days they caught an aggregate of sixteen bushels of fish, comprising a variety of species.

—At the first indication of disorder, the deranged or enfeebled condition of the stomach, liver, or bowels, should be promptly rectified by Ayer's Cathartic Pills. These Pills do not gripe, are perfectly safe to take, and remove all tendency to liver and bowel complaints.

—Our thanks are due Mr. S. Y. Wolf, this place, for a box of large and luscious strawberries. It is pleasing to note these kind remembrances on the part of our friends, and this is only one of the instances illustrative of the generosity of Mr. Wolf's nature.

—Mr. Edward Stickel and wife were tendered a delightful serenade on Thursday night last, by a number of well-known young ladies and gentlemen of this place. The instruments used on the occasion consisted of a bell, dish-pan, comb, triangle, etc., and the popular melodies werr played in "great shape."

—It is proposed to take up one collection in the churches and Sunday schools of this county during the present month for the benefit of the Orphans' Home, which greatly needs financial aid. Mr. B. F. Newcomer, of Baltimore, whose generosity towards this institution in the past is well known, offers to contribute to the Home a sum equal to these collections.

—The C. V. R. R. has secured the heavy wire cable and ferry boat from Falling Waters and will commence the transfer of passengers across the Potomac river on Monday next. Trains to and from Hagerstown will run as follows: Leave Hagerstown at 10.45 a. m., and 6.38 p. m., arriving at Martinsburg at 12 o'clock noon, and 7.50 p. m. Eastbound trains leave Martinsburg at 7 a. m. and 3 p. m., arriving at Hagerstown at 8.15 a. m. and 4.10 p. m.

—The concert given by Prof. O B. Grant's singing class, in Goddard's hall, Wednesday evening last, illustrates what can be accomplished in a short time by application. The excitement and exhaustion incident to the flood prevented the full attendance the concert merited, but we hope it will be repeated when the public mind resumes its normal condition. Parts of it had to be repeated several times to satisfy the appreciative audience.

Entitled to the Best.

All are entitled to the best that their money will buy, so every family should have, at once, a bottle of the best family remedy, Syrup of Figs, to cleanse the system when costive or bilious. For sale in 50c and $1.00 bottles by all leading druggists.

—Mount Alto Park was opened to visitors on Thursday of last week.

—Twenty-five marriage licenses were issued by Clerk Oswald and his deputies during the past month of May.

—For a long time I had no appetite, was restless at night, and very debilitated. After taking two bottles of Ayer's Sarsaparilla, my strength and appetite returned, and my health was completely restored."—D. M. Fisher, Oswego, N. Y.

—The following letters remain in the postoffice at this place from the past month of May unclaimed. Persons calling for the same, will please say "advertised": Mr. Henry E. Kauffman 2, Mrs. Mary E. Kauffman 1, National Fire Co. 1, Mr. J. E. Swigart 1. B. F. GROSH, JR., Postmaster.

Personal.

Mr. Wm. A. Porterfield, wife and child, of Baltimore, are the guests of the formers parents, this place.

Mr. E. L. Wolf, with Griffin, Curley & Co., Baltimore, is the guest of his parents, this place. He came home upon the melancholy mission of attending the funeral of his brother, Theodore, the painful particulars of whose death are reported in this issue.

The Hon. L. E. McComas, accompanied by Mrs. McComas, sail to-day in the Umbria, for Liverpool. He expects to be absent about a couple of months and is in hopes that a sea voyage may give him relief from insomnia, from which, years ago, he suffered severely and which recently has returned with the added cares and engrossing labors of the Winter and Spring.

The Remarkable Cures

Which have been effected by Hood's Sarsaparilla are sufficient proof that this medicine does possess peculiar curative power. In the severest cases of scrofula or salt rheum, when other preparations had been powerless, the use of Hood's Sarsaparilla has brought about the happiest results. The case of Miss Sarah C. Whittier, of Lowell, Mass., who suffered terribly from scrofulous sores; that of Charles A. Roberts, of East Wilson, N. Y., who had thirteen abscesses on his face and neck; that of Willie Duff, of Walpole, Mass., who had hip disease and scrofula so bad that physicians said he could not recover, are a few of the many instances in which wonderful cures were effected by this medicine.
