Land for Sale.

THE subscriber intending to settle up his affairs during the present season, will dispose of from 100 to 300 acres of Land, being a part of his landed estate, most beautifully situated on the waters of Broad Creek, Bay Side of Talbot. For handsome and healthy situations it must be admitted these are not excelled, even in the Bay-side, being almost surrounded with navigable water, abounding with fish, oysters, &c. in their season. I consider the part that I have improved equal to any farming land in the neighbourhood, and the residue can be easily made so. The greatest objection to those lands at present is the miserable state of the road out to the County Road for about a mile, but having an act of Assembly and Commissioners appointed to lay out a road, it can be done at any time, and with trifling expence made a good Road, when it will be a public one.
