NEWS NOTES.

Events of the Week Condensed for "The Transcript" Readers.

Jacob Hartman, a motorman on an electric car in Philadelphia, was killed in a collision.

In a fit of jealousy, Edward Gallagher, aged twenty-two years, shot and killed himself in the presence of Nettie Bennett, a young woman whom he asked to die with him, in Sisterville, N. Y.

Leonard Fleezer, unmarried, aged 37 years, at his home in Danbury, Conn., arose from the dinner table in the presence of his family, cut his throat with a carving knife.

Arthur Warner, thirty years of age and married, was run down by an Ohio and Mississippi train at Sekitan O., and killed.

Bessie Warwick, 12, was run over and killed at Somerville, Mass., by the Montreal express.

Mrs. Alexander McDole, 96, was burned to death at Ipswich, Mass. A spark set fire to her dress.

Miss Allen, in Hadensville, Ky., and little James Serhune, in Lexington, Mo., were victims of supposed unloaded weapons.

Mrs. Eliza Ahlbergh, who was burned by the catching ablaze of a Christmas tree in her home in the flat house, in New York, and jumped four stories to the street, died in Manhattan Hospital.

Four men were killed and a number injured in a collision between two freight trains, near Lawrence Kansas.

A keg of blasting powder exploded at Roxbury, Mass., killing three workmen and injuring several others.

The Catholic Church Fire.

The community was startled on Wednesday Dec. 27th by the alarm of fire in St. Angustine's Catholic church in this place. Mass had been celebrated by Rev. Father Rabbia at 9 o'clock in the morning and it was 10 o'clock by the time the services were over. Father Rabbia returned to the church between 10 and 11 o'clock and there was then no sign of fire. About 11:45 a. m. smoke was seen issuing from the rear of the church. The alarm spread rapidly and was most liberally responded to. The fire originated in the small room in the southwest corner of the church where all the costly vestments and other paraphrenalia were kept. When help arrived the case which contained these was a mass of fire. The church was densely filled with smoke and the heat was so intense that the painting on the gallery was blistered.

The "bucket brigade" did quick and efficient work in extinguishing the flames, The damage to the building by fire and water was about $300 and on the furniture and vestments about $350 to $400. The loss on the building is fully covered by insurance. There is an insurance of only $50 on the furniture, all with the insurance agency of H. A. McComas & Co., of Hagerstown. The congregation here is small and the loss is a heavy one.

January Weather.

Hicks predicts the weather for January as follows; January opens with storms disappearing in the east, and cold, fair weather following in most parts changing to warmer in the west about the 3rd, resulting in rain and snow. During the 4th, 5th and 6th, warmer weather and storms will advance to the east, followed by rising barometer and a cold wave from the west. By the 8th, storms end toward the Atlantic, leaving it cold and fair behind them. Rising temperature, with rain and snow will return on and about the 10th and 11th, being in transit from west to east for three or four days, followed progressively by cold. About the 12ht, warmer, with gathering rain and snow storms in the west. By the 18th, storms will travel to the Atlantic, leaving cold and snow in their track. Watch for the date of their arrival in your part. Change to warmer, with reactionary storms in their progressive order about 21st, 22nd, after which cold will return, until renewed storms of rain and snow appear, from 27th to 30th. Cold wave ends the month.

USE THE BEST

SELLERS' LIVER PILL.

An old gentleman in Maryland said he had raised his family on "Sellers' Liver Pills," and considered them almost as essential to a family as bread. That's true.

Nothing like "Sellers' Liver Pills" for headache, biliousness, dizziness, constipation.

A. M. Doyle of Columbus, Ga., says: "From my own experience, I know Sellers' Liver Pills to be the best in use." They cure Malaria, etc.

It is simply marvelous how quickly constipation, biliousness and sick headache are cured by "Sellers' Liver Pills."

A First Class Fraud.

Editors come after us and tear our clothes trying to get us to advertise, but we tell them such add's are a fraud. We tell them everybody has heard of Donaldson's Bazar and China Store, No. 9 West Washington street, Hagerstown, Md., and there is no use telling them of it. Everybody has seen our Celebrated Laughlin China of which Donaldson is sole agent, and they know that it cannot be excelled. We tell them people don't read stale add's but when they go to Hagerstown they call at Donaldson's four story store and are amazed when they see the stock he carries. For one cent they buy 25 good needles or 1 doz clothes pins or 14 rows of pins, and for $7.50 they buy a dinner set of 100 pieces containing soup plates; and they buy a dollar lamp that is so nice they show it to all their neighbors and tell them about Donaldson's store. The young man tells his girl that Donaldson's dishes are so cheap he thinks they can afford to get married and go to housekeeping, so what is the use in us spending money advertising.

Our Laughlin China took First Premium at the World's Fair, hence we have the best ware in the WORLD. It is cheap as common stone china.
