NOTICE.

MRS. HIGGINS, tenders her thanks to the citizens of Talbot and the adjacent counties for the liberal encouragement she has received during the six years she has superintended the FEMALE ACADEMY in this place. The belief that her best efforts have been given to better the intellectual and moral condition of those entrusted to her care, and that those efforts have not been altogether ineffectual, or without the approbation of her patrons, is, and ever will be, a rich source of consolation.

Her intended removal from this place in the early part of the ensuing month, renders it necessary that all unsettled accounts with her should be speedily adjusted. She therefore respectfully solicits all who are in arrearage for Tuition to call without delay, and make payment to her, or in her absence to Mr. Tristram Needles, who is authorised to receive any money that may be due her, and to give receipts.
