NOTICE

THE subscriber intending to leave this state, will most positively sell on WEDNESDAY the 22d day of September next, that very handsome Farm whereon he now resides, containing two hundred acres. This farm is well adapted to the growth of wheat, corn, and clover, and has a large proportion of wood and timber land, and lies within six miles of Denton and four of Greensborough.

The out buildings, lying on the margin of a never failing stream, renders it convenient for a tannery and Blacksmith's shop. The farm and buildings are generally in such good repair, that those who may incline to purchase are confidently invited to view the premises.

On the same day and place will be sold my other Farm, adjoining, commonly called the Bartlett Farm. The terms of sale are as follows, viz:—three hundred dollars to be paid on the 1st day of January next, when possession will be given, and the balance, with interest, in eight annual payments; a deed of conveyance will be given on payment of the whole purchase money and interest, which shall remain a lien on the land until such payment.

TO BE RENTED

For one or more years, that large and commodious

BRICK TAVERN

and its appertenances, well known by the name of the

EASTON HOTEL,

Situate in the town of Easton, on the Eastern Shore of Maryland, at present & for some years past occupied by Mr. Solomon Lowe: This establishment is universally admitted to be the largest and most convenient for a Public House of any on the Peninsula, and to a man well calculated to conduct it, an opportunity will be afforded for doing a very extensive and profitable business; more particularly if he has a sufficient capital to carry it on advantageously.

Easton is known as a town of considerable trade, and the beautiful Steam Boat Maryland which plies twice a week between Baltimore, Annapolis and this place, considerably increases the business, and of course adds very much to the value of this establishment, by the constant intercourse of travellers from the different counties on the Western and Eastern Shores to those places, and foreigners from other States.

Possession will be given on the first day of January next. Persons wishing to rent are invited to come and view the premises. The terms which will be moderate, will be made known by application to the subscriber.

THE UNION TAVERN.

The subscriber having removed from Delaware and taken a permanent lease of this Establishment, situate in Easton, Maryland at the Sign of the EAGLE, opposite the Farmers' Bank, and Post-Office. Is now prepared to give entertainment therein to all travellers and citizens, who may favour him with a call. From his long experience in the business of Inn-Keeper; and his own habits of personal attention, and those of his family, he can assure the public of the best accommodation in his House; his establishment has undergone a thorough repair; and if cleanliness, good living and moderate bills can attract the waried traveller and country gentleman, whose business call them often to Town, the subscriber flatters himself with the hope of very soon obtaining a full share of patronage. As a stranger he asks only a call, and a fair trial of his house.

Valuable Land for Sale.

The subscriber offers for sale the Farm called

"WARD'S GIFT,"

beautifully situated within two miles of Centreville, immediately on the Post Road, and adjoining two Grist Mills;—it contains about four hundred and ninety-four acres of land, with a plenty of timber and fire-wood. This farm offers many advantages rarely to be met with, viz.—there runs quite through the farm a large meadow, which with little labour might be made to produce a large quantity of Timothy and Herd Grass; and through which there runs an inexhaustable stream of water. The soil is well adapted to the growth of corn, wheat, clover and tobacco; it is elevated, yet level, and requires but very little ditching. The improvements are a two-story Brick Dwelling House, near which there is a brick well of excellent water, Kitchen, Quarter, Corn-house, a tolerable good Stable, and the frame of a large Barn, out of which might be made a very commodious farm house. Also a very fine apple and peach orchard, with well selected fruit.

It is unnecessary to say any thing further, as I presume those that are disposed to purchase will view the premises, which will be shewn by Mr. H. Hardcastle, jun. living on the farm. For terms, which will be made very accommodating, apply to the subscriber, near Easton.

nov 11 w J. G. THOMAS.

N. Hambleton, Esq. at Easton. ALEX. HEMSLEY.

N. B. The above estate will be sold altogether or divided into small farms, if preferred by those wishing to purchase—both the above described farms abound with marle of a superior quality. march 30 w
