W. C. CONNE.

TENDERS to his friends, patons, and public generally, his sincere acknowledgments for the munificent patronage extended to him in the 4th Class of the Maryland State Lottery, and does himself the pleasure now of presenting the 5th Class of said Lotteries, wherein he calculates, with liberal support to have the satisfaction of distributing among adventurers as he did in the last class a number of valuable prizes.

The scheme it is expected will elicit general approbation, from the brilliancy of its capitals, the great number of valuable pizes contained in it, and the comparatively low rate of tickets, added to the very superior mode of drawing, combining expedition, connected with an object though last by far, not of the least importance, which is the simplicity of the principle of drawing, being such, as that it is presumed, there is none who can read this, but will fully comprehend it, by the explanation given in the scheme below. This advantage (by the observations of many) it seems is not apparent to the generality of people in some of the recent devised Lotteries, however otherwise correct they may be in their principles of drawing. In short it is believed, and will no doubt be conceded on all sides, that present State Lottery of Maryland, is possessed of al the great essentials of a Lottery, viz: a large proportion of prizes in the Scheme, according to the number and price of tickets, with simplicity in plan, and despatch in drawing, from which it is presumed, that its extensive patronage will be in a proportionate degree.

The certain and punctual payment of prizes is as in preceding Maryland State Lotteries, guaranteed by the State.

BY AUTHORITY OF THE STATE OF MARYLAND,

Grand State Lottery, No. 5

BY THE IMPROVED MODE OF DRAWING SECURED BY LETTERS PATENT UNDER THE SEAL OF THE UNITED STATES.

The Commissioners of Lotteries, in conformity with the Act of Assembly, present to the public, the

FIFTH SCHEME OF THE

Maryland State Lottery.

The Drawing of which will take place in the City of Baltimore, and will be completed in ONE DAY, on WEDNESDAY the 27th of July 1825.

HIGHEST PRIZE 40,000 DOLLS.

40,000 Tickets.

MORE PRIZES THAN BLANKS.

Every prize payable in cash, sixty days after the drawing, subject to a deduction of 15 per cent.

MODE OF DRAWING.—The numbers will be put into one wheel as usual; and in the other wheel will be put, the prizes above the denomination of 4 dollars, and the drawing to progress in the usual manner. The twenty thousand dollar prizes of $4, will be awarded to the odd or even numbers of the Lottery, (as the case may be) dependent on the drawing of the Capital prize of Forty Thousand Dollars, that is to say, if the Forty Thousand Dollar Prize should come out to an Odd Number, then every odd Number in the Scheme will be entitled to a four dollar prize. If the forty thousand dollar prize should come out to an even number, then all the even numbers in the Scheme, will each be entitled to a prize of 4 dollars.

The Odd numbers are those ending with 1, 3, 5, 7 or 9.

The Even numbers are those ending with 2, 4, 6, 8 or 0.

This mode of drawing not only enables the Commissioners to complete the whole Lottery in ONE DRAWING, but has the great advantage of distributing the small prizes regularly, to every alternate number in the scheme, so that the holder of two tickets or two shares of tickets, [one odd and one even number] will be certain of obtaining at least one prize, and in the same ratio for any greater quantity.

A ticket drawing a superior prize in this scheme, is not restricted from drawing an inferior one also: many tickets therefore, will necessarily obtain two prizes each.

Whole Tickets	$5 00	Quarters	$1 25
Halves	2 50	Eighths	62

To be had, odd and even, in the greatest variety of numbers, at

CONINE'S

Offices No. 32, & 217, Market st. BALTIMORE.

Where many valuable prizes have been obtained in the last State Lotteries and it is confidently expected that a due proportion in the present one will be sold.

All whole Tickets in the above Lottery sold at CONINE'S Office, are signed, and shares countersigned by the Commissioners, appointed by the Governor and Council, thereby making the State of Maryland responsible for all such prizes as they shall draw.

TAKE NOTICE.—All who order tickets in the above Lottery from W. C. Conine's Office Baltimore, will at the completion of the drawing be forwarded a published account of it in full by which they can equally as well ascertain the fate of their tickets as if they applied at the Lottery Office.—

*** Persons who may wish tickets in the Baltimore or Philadelphia Lottery's, can at all times (whether the schemes are advertised or not) procure tickets and shares at the regular prices by addressing W. C. Conine, No. 32 or 217 Market Street Baltimore, for tickets in the Baltimore Lotteries, or No. 3, South Third Street Philadelphia, for tickets in the Philadelphia Lotteries.

☞ The fate of tickets given directly after the completion of the drawing.

Orders from any part of the United States, enclosing cash, or prize tickets in any responsible lottery, will meet the same prompt attention, as if on personal application.—Address
