WRIGHT'S INDIAN VEGETABLE PILLS.

IF, during the continuance of storms and floods, the channels of

OUR MIGHTY RIVERS

become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be

OVERWHELMED WITH THE FLOOD.

In like manner with the human body—if the Skin, Kidneys, and Bowels, (the natural outlets for *useless and corrupt humors,*) become so obstructed as to fail in affording a full discharge of those impurities, which are in all cases

THE CAUSE OF SICKNESS,

we surely can expect no other results than that the whole frame will sooner or later be

OVERWHELMED WITH DISEASE.

As in the first place, if we would prevent an inundation, we must remove all obstructions to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open, and keep open, the Natural Drains of the body.

Wright's Indian Vegetable Pills,

Of the North American College of Health, will be found one of the best, if not the very BEST MEDICINE IN THE WORLD, for carrying out this beautiful and simple theory; because they completely *cleanse the Stomach and Bowels from all billious humors* and other impurity, and at the same time promote a healthy discharge from the Lungs, Skin, and Kidneys; consequently, as all the natural drains are opened, Disease of every name is literally driven from the body.

☞ CAUTION.—As the great popularity and consequently great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country agents and storekeepers will be on their guard against the many imposters who are travelling about the country selling to the unsuspecting a spurious article for the genuine.

It should be remembered that all authorized agents are provided with a *certificate of agency*, signed by WILLIAM WRIGHT, Vice-President of the N. A. College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate, as above described, will be known as imposters.

The following highly respectable storekeepers have been appointed agents for the sale of *Wright's Indian Vegetable Pills*, and of whom it is confidently believed the genuine medicine can with certainty be obtained:
