Ex-Governor Lloyd Lowndes is quoted as saying that he has not yet decided that he wants to be Governor again and that he will take no part in primaries to secure his nomination. If this report be correct it will be generally gratifying to the Republicans of Carroll county, who are, we believe, with few exceptions, favorable to the nomination of Hon. Stevenson A. Williams.

The conclave of Cardinals at Rome succeeded in electing a successor to Pope Leo XIII, in the person of Cardinal Giuseppe Sarto, Patriarch of Venice, on Tuesday. Intense interest was manifested, thoughout the civilized world, in the balloting which resulted in the choice of Cardinal Sarto, and his selection seems to meet with general approbation. He has assumed the title of Pius X.

Lieut. Gen. Nelson A. Miles, commanding the army, will be placed on the retired list tomorrow.

BOGUS POLITICAL PROMISES.

To show the community the worthlessness and falseness, of one of the corrupt means said to be made use of sometimes in politics by persons having no regard for the purity of the administration of justice, or the duty of citizenship, of making promises to voters of getting them on the jury, it is only necessary to refer to the decision of the Court of Appeals in the case of Averitt vs. the State, reported in 76 Md. Reports, pages 532-33-34, &c.

The Court of Appeals, in that case, quotes the jury law, "that it is the duty of the Clerk of the County Commissioners and Clerk of the Circuit Court to furnish a certified list of the tax-payers and voters from the poll books qualified for jury duty, and the Court shall proceed in the presence of such practicing members of the bar, who shall be notified and care to be present, to select from the list of tax-payers and the poll-books of the voters deposited in the Clerks' office the names of the persons to be placed in the box and from which the jurors to serve for the ensuing term are to be drawn," and commenting on the law, on page 534 of said case, says it is the duty of the Judge and no one else, to select the names of the persons from the lists furnished him of the tax-payers and voters who are to be placed in the box.

On page 535, the court says it was the design of the law to provide the most minute safeguards for the selection of intelligent, disinterested, and upright jurors. This the Court says might be frustrated if the judge should adopt the names privately furnished to him by persons who, without his knowledge, might be interested in selecting jurors. The Court says, if the judge selects the names given him by some one else, it is not his selection, which the law requires.

On page 537 in the same case the Court of Appeals says, it is the law of Maryland, that if the name of a person is reccommended or suggested, such person is disqualified as a juror and such person must be excluded from the jury.

From the above it will be readily seen how strictly the law guards the administration of justice and how utterly false and worthless the promise of any one is to get any one on the jury, and no one would dare to suggest a name to be placed in the box. It certainly, therefore, is the duty of every citizen having regard to the purity of the administration of justice, to report anyone making use of any such false and corrupt method, in politics or anything else, to the proper authorities, as such conduct would no doubt be dealt with as a grave contempt and attempt to lessen the dignity and purity of the administration of justice.

The frequent showers have tied up farming operations, but will put the ground in fine condition for plowing which, in some lands, was at a standstill on account of the dry condition of the ground. The oats crop just gathered is almost a failure, small in yield and light in weight. We have been informed by one gentleman that it will take one and a half bushels of his oats to make a standard bushel in weight.

On Thursday evening of last week South Main street, near the Franklin House, was the scene of an exciting runaway. Messrs. Milton Bond and Harry Myers were driving a horse belonging to the exchange stable when he suddenly took fright and plunged toward the pavement and was only kept from going over a fence into a yard ten feet below the pavement, by the skill of Mr. Bond, who turned him up the pavement when he wrecked the step and bench under the awning at the Warehime restaurant, upset the buggy and toppled Mr. Bond to the pavement. The excitement drew a crowd and the animal was captured. He was somewhat bruised, but the buggy little injured.

A corps of United Telephone & Telegraph men is here improving the line and getting in readiness to establish an exchange in this place, which will be in the room at the home of the Misses Trump, formerly Dr. Trump's office, and will be in charge of Misses Sarah and Lizzie Trump. After the line in general is improved it will be extended to Maple Grove, Lineboro, Melrose and, it is said, Hanover. The citizens of South Main street are very much exercised over the placing of poles along the street which has been measured and staked, and if erected according to the stakes would spoil a number of fine shade trees and cause dark places in front of a number of homes. The attention of the town authorities has been called to the matter and they are inquiring into the legal status of the affair.

On Tuesday evening Mrs. E. G. Sellers fell to the bottom of a stairway and broke her wrist. Mrs. Sellers has been in an almost helpless condition for nearly a year from rheumatism. She can move about with a cane, but her hands are much drawn. General sympathy has gone out to the unfortunate lady and family in this added suffering to her already sad condition. Dr. Sherman adjusted the fracture.

On Tuesday night of last week, as many of the citizens were about to retire, they heard music in the air and later on Bill Dorsey and Company drove along Main street with song and gaiety, enjoying a strawride to the home of Jake Powell, whom they found absent.

Rhodes, Thomas Shaffer and Tommy Nooney enjoyed an outing along Pipe Creek last Saturday and had a general good time. Mr. Wm. Zepp, who was to have been of the party, had an attack of cholera morbus on Friday night which prevented his going.

Barber Mac Marshall, has sold the fixtures of his barber shop to Mr. Emory Berwager, of Hampstead, and will leave with his family and effects on Tuesday next for the Schlosser Tannery, where he will become successor to his brother-in-law, Mr. Thomas D. Bowman, in the store at that place. Mr. Bowman expects to enlist in the U. S. Signal Service corps.

On Tuesday evening, Mr. and Mrs. Robert Shower, returning about 10 o'clock from a visit, found their home so full of smoke that some gentlemen, from the Washington House next door, only reached the upper back room, in which the smoke appeared to originate, after several efforts. They found that a lot of tobacco in the room was consumed and a large hole burnt in the floor. Mr. S. manufactures cigars in the room and, it is supposed, the tobacco was ignited by the heat from a chunk stove used for drying purposes. A serious conflagration was narrowly averted.

Mr. Howard Leese, who has been in the employ of the Chicago Portrait Co. for years is spending his vacation here with the home family and friends.

Proceedings of the School Board.

A regular meeting of the Board of School Commissioners for Carroll county was held in Westminster, August 3rd, 1903. Jacob H. Blocher, president, and Commissioners John O. DeVries, Peter Buchman, John B. Epply, Fred D. Miller and Theo. F. Englar were present.

The treasurer submitted his report for the fiscal year ending July 31st, 1903, which was duly audited by the committee of the board, the president, with commissioners Miller, Englar and Epply.

As the result of the competitive examination, subject to the approval of the State Senator, the board awarded the Senatorial scholarship for Western Maryland College to Miss Lillian L. Zahn, and the senatorial scholarship for St. John's College to Mr. Harry W. Masenhimer. Mr. Joseph D. Brooks, Jr., received the scholarship from Carroll to the Maryland Agricultural College, and Miss Irene Fringer, of Taneytown, the scholarship to St. Mary's Female Seminary. County scholarships for Western Maryland College were awarded to Miss Mary Edith Crumrine, of Melrose, and Miss Mary Blanche Bosley, of Finksburg. Miss May Dewees Farrar, of Westminster, Miss Etta C. Lewis, of Mt. Airy, Miss Clara B. Hill, of East View, and Miss Blanche E. Cover and Chas. Lee Devilbiss, of Four Corners, received appointments to the State Normal School in Baltimore.

As the result of the teachers' examination the secretary reports that the following either received, or had renewed, their certificates to teach in the public schools of Carroll county: Harvey Rupp, Bertram Strevig, John W. Yingling, Robert E. Peterman, Clayton M. Copenhaver, Theo. F. Brown, E. Elmer Bennett, Frank J. Horich, Geo. H. Haines, Luther S. Wentz, Clayton J. Sauble, E. Wesley Burgoon, James J. Harner, Jacob E. Houseman, Curven M. Webster, Robert T. Shugars, Miriam Roeder, Vadie G. Armacost, Bessie A. Franklin, Bessie McCaffery, Jennie Bucher, H. Blanche Watts, Almira J. Utz, Ida May Price, Rosa Coppersmith, Masura Wine, Bessie K. Wolf, Stella D. Smith, Elsie Dotterer, Ada B. Hahn, Clara B. Coppersmith, David R. Beard and Preston M. Reed.

By economical management the School Board, last year, at a cost of $3,000.00, added two weeks to the school year, for the first time giving the county eight months instead of seven and a-half. The present board has placed a teachers' library in the examiner's office for the use of all the teachers. It has likewise placed a globe in every school house of the county, slate blackboards in all the new school houses built, and likewise in many of the houses built by former boards.

It is to be hoped that the commissioners can see their way to continue the work of improvement in the teaching force, in teachers' salaries, and in the general equipment for good educational work.

The Teachers' Institute for Carroll, according to Dr. Stephens' appointment, will be held September 7th-11th.

Those who have not already obtained a copy will soon receive the Institute Manual for 1903-1904, prepared by the State Superintendent. Every teacher should carefully study this booklet preparatory to the Institute, and for effective work the next school year.

IMPORTANT CHANGE IN TRAIN SERVICE ON W. M. R. R.

Commencing August 3rd, the Western Maryland will quicken up very materially the time of their No. 18 train, so as to arrive Hillen Station, Baltimore, at 5.40 P. M., instead of at 6.05 P. M., as heretofore. This train will leave Hagerstown at 2.10 P. M., as in the past, and run on same time as heretofore as far as Westminster, leaving the latter point at 4.25 P. M., and arriving Baltimore as above. By this means passengers will not only have a quick run to Baltimore, but will arrive at latter point in time to connect with the 5.50 P. M. train from Union Station, Baltimore, for Philadelphia and New York, and will also be enabled to make connection with the steamboat lines from Old Point Comfort, Norfolk and other Southern points.

NEW ADVERTISMENTS.

Republican Politics in Westminster District.

The contention in the Republican party in Westminster district at the primary meeting, to be held August 15th, will be to determine the chairmanship of the Republican County Central Committee.

The anti-Sharrer people contend that George E. Sharrer is dominated by Democratic influence and has not been loyal to the Republican party; and that the majority of the Republican voters, not only of Westminster district but throughout the entire county, desire a change in the chairmanship. In reply to this movement the Sharrer element say that they will agree to a change in the chairmanship, but insist upon the present chairman remaining as one of the members of the committee and the selection of one of his friends as chairman so that he may remain the "power behind the throne."

There is a strong sentiment in favor of Mr. John H. Cunningham as chairman and there will be a primary ticket placed in the field to bring about that end.

The candidates of the district are Joseph D. Brooks, for Register of Wills; Ivan L. Hoff for State's Attorney; Dr. Harry F. Baer for House of Delegates; John H. Mitten and Dr. Benj. G. Franklin for Orphans' Court, all of whom are advocating the selection of John H. Cunningham for chairman, except Joseph D. Brooks, who is allied with the Sharrer faction.

REPUBLICAN.

WESTMINSTER, MD., AUGUST 6TH, 1903.

In the judgment of the writer the Republicans of this county should be enlightened on some of the issues at least that are now dividing the party, and which division will have to be settled in the forthcoming County Convention.

The principal issue is that of the selection of candidates for the legislative ticket, viz.: a Senator and four members of the House of Delegates.

The writer learns that the faction known as the Sharrer-faction insist on the nomination of candidates on the legislative ticket that will pledge themselves openly to support Hon. L. E. McComas for his re-election to the U. S. Senate.

The faction hostile to Mr. Sharrer assert that such a selection would lose to Mr. McComas votes or if not that give him votes at the expense of the candidates on the balance of the ticket by the well known method of trading, and thus, maybe, lose the entire ticket to the party. This the writer believes Mr. McComas would not endorse. The Republican party of Carroll county, in the judgment of all fair men, contains within it enough of material to represent it at home and abroad honestly and intelligently.
