Sir,

For the use of Free Schools in Queen Annes County, there have come into the Treasury this year, the following Sums, viz,

1828 May 8. Div. of the Com. & Farm. Bk of Balto — $62.67.
June 12. Div. of the Mechanics Bk of Balto — 22.13.
25. County's share for 1828 of the Free Schools tax 762.77.
Amount $847.57.

Like dividends of the said Banks, to 1 Novr. & 1 Decr. next, will probably come in by the middle of December — about which time last year, all the Cash then standing to the Credit of the County, was paid over to the Commissioners of Free Schools on the draft of Wm Carmichael Esq. as President of the Board, countersigned by the Secretary.

In pursuance of Ch. 13 of Dec. Sess. 1827, I will in future annually pay over to the Commissioners of Primary Schools on their order signed by their President & Countersigned by their Secretary, the Receipts here for the use of Queen Anne's County, and they may make the year end & commence at such time as will be most convenient to them.

I am very respectfully Sir
Your Obt. Servt.
