American Sentinel.

WESTMINSTER, - MARYLAND.

W. L. W. Seabrook, - Editor.

Entered at the Postoffice at Westminster, Md., as Second-class matter.

FRIDAY, JANUARY 1, 1904.

The SENTINEL extends the greetings of the New Year season to all its friends and patrons. May the year upon which they have just entered be to them a happy and prosperous one.

It begins to look like the field against Gov. Smith for United States Senator. All the candidates except the Governor desire to dispense with the caucus system and to have the balloting in open session, so that all the Democratic members of the General Assembly may be forced to place themselves on record publicly, without having an opportunity to hide behind the dictum of a secret ballot in caucus. The demand for this open method is calculated to give rise to the impression that Democratic Assemblymen are not to be trusted to give an honest expression to their individual judgment on the senatorial question, but are only puppets of the bosses whose bidding they will obey if it can be done secretly. It is an imputation upon their independence of action that may well provoke resentment. Governor Smith takes the sensible ground, from a political standpoint, that the members of the Legislature must determine for themselves whether they will or will not hold a caucus to determine their action in the matter. The Governor will probably win in the contest, let the method of voting be what it may.

A Holocaust at Chicago.

Hundreds of People Killed.

Fire in the Iroquois theater at Chicago, on Wednesday afternoon, caused the death of hundreds of people. Up to last night the actual list of the dead footed up 564, and several hundred were missing, while many others were seriously injured. Seven of the employees of the theater have been arrested upon an accusation of manslaughter, being charged with neglecting to observe ordinary precautions to prevent such a disaster. The mortality exceeds that of any other catastrophe of the character ever known in this country. No description of the awful tragedy could possibly set forth its horrors.

Christmas Entertainment.

Thomas Chapel Sunday School held its annual Christmas entertainment on the night of December 25th. The church was beautifully decorated with two large trees, wreaths, etc. A very interesting program was rendered by the children of the Sunday School. Rev. Mr. Harden, the pastor, sang a beautiful Christmas anthem. After the program, Old Santa Claus appeared, and gave each child candy, nuts and a Christmas card. The children's friend, Mrs. Arthur P. Baer, of Catonsville, sent each of the small children a nicely bound book and a card for each scholar. She also sent special prizes for the boy and girl who had been present the greatest number of Sundays during the year of 1903. Several of the classes gave Rev. Mr. Harden gifts for his faithfulness during the past year. The school is in a very flourishing condition and has a large number of scholars.

SAVED FROM TERRIBLE DEATH.

The family of Mrs. M. L. Bobbitt of Bargerton, Tenn., saw her dying and were powerless to save her. The most skillful physicians and every remedy used, failed, while consumption was slowly but surely taking her life. In this terrible hour Dr. King's New Discovery for Consumption turned despair into joy. The first bottle brought immediate relief and its continued use completely cured her. It's the most certain cure in the world for all throat and lung troubles. Guaranteed Bottles 50c and $1.00. Trial Bottles Free at all Drug Stores.

A VERY CLOSE CALL.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by all druggists. Price 50 cents.

WONDERFUL NERVE.

Is displayed by many a man enduring pains of accidental Cuts, Wounds, Bruises, Burns, Scalds, Sore feet or stiff joints. But there's no need for it. Bucklen's Arnica Salve will kill the pain and cure the trouble. It's the best Salve on earth for Piles, too. 25c, at all Drug Stores.

DOMESTIC TROUBLES.

It is exceptional to find a family where there are no domestic ruptures occasionally, but these can be lessened by having Dr. King's New Life Pills around. Much trouble they save by their great work in Stomach and Liver troubles. They not only relieve you, but cure. 25c, at all Drug Stores.

TRUSTEES' SALE OF
TWO OF THE LARGEST AND MOST VALUABLE AND PRODUCTIVE FARMS in Carroll County, Md., and of other Desirable Real Estate.

By virtue of the power of sale contained in the deed of Annie M. Roberts to the undersigned trustees, dated the 18th of November, 1903, and recorded among the Land Records of Carroll county, in Liber J. H. B. No. 93, folio 322, etc., the said trustees will offer at Public Sale, on

SATURDAY, JANUARY 23rd, 1904,

at 2 o'clock, P. M., on the premises, near Westminster, Carroll county, Maryland:

First. All that tract or parcel of land known as the "Rockland Farm" and containing

238 ACRES OF LAND, MORE OR LESS.

This property fronts on the Old Turnpike Road leading from Westminster to Taneytown; is about 2 miles from Westminster, about 1½ miles from Avondale, both on the line of the Western Maryland Railroad, and adjoins the land of William G. Rinehart, and others. The improvements consist of a Two-and a-half story BRICK DWELLING HOUSE, large bank barn, large stable, with mow and stabling for 12 horses; 4 box stalls; large hay barrack, wagon shed, corn crib, hog pen, two dairies, with sufficient accommodations for a dairy farm, and one of which is supplied with cooler; a large stone and cement trough for cleansing cans and a pump under cover, together with numerous other buildings convenient for farming and dairying purposes. The land lies well, is easily farmed and is in a high state of cultivation, having been limed and heavily manured for a number of years. An abundant supply of running spring water is piped to the barn, stable and other buildings, so that excellent water is assured in all seasons without any labor. Each field of this farm is watered; and all of the land is under cultivation with the exception of about fifteen acres of fine oak and hickory timber. This property is under good fencing and has on it one of the finest limestone quarries in the county.

Second. All that tract of land known as the "Caylor Farm" and containing

169 ACRES OF LAND, MORE OR LESS.

This property adjoins the "Rockland Farm"; fronts on the Old Turnpike Road leading from Westminster to Taneytown, about 2½ miles from Westminster; 3 miles from Avondale, both on the line of the Western Maryland Rail Road; and adjoins the land of John Royer and others, and has two outlets from the buildings; one of these outlets having been opened by Judge Roberts. The land is improved by a large Two-and-one-half story BRICK DWELLING HOUSE, large bank barn, stable, hay barrack, wagon shed, corn crib, dairy and other numerous buildings suitable for convenient farming of the land. There are about seven acres of good oak and hickory timber on the place; and the residue of the land is under a high state of cultivation and in excellent condition, by reason of heavy manuring and recent liming. A never failing well of water is at the house and at the barn; and the land is well watered. There is fine fruit on the property, and the fencing is in good condition. All the buildings are in first-class shape.

Both the "Rockland Farm" and the "Caylor Farm" present an unexampled opportunity for those desiring a profitable farm for the usual farming purposes or for dairying. These properties were formerly owned by the late Judge Roberts and were kept by him as dairy and stock farms. They have been freely manured for many years and carefully farmed, and their fertility, size and unusual accommodations in the way of buildings, together with their nearness to markets, to various railroad stations and their beautiful location, make these two properties the most desirable that have been offered for sale in many years. These properties are especially adapted to the raising of stock.

Before the sale a plat and certificate of survey will be made of each property, which will be exhibited on the day of sale and which may be shortly seen at the offices in Westminster of the undersigned trustees.

Possession of the farms will be given on April 1st, 1904. The trustees or those now caring for the farms will take pleasure in showing the properties to any one desiring to see them.

Third. All that wood lot of fine chestnut timber, containing

10 ACRES OF LAND, MORE OR LESS,

situated on the New Windsor road about one mile from Westminster, and adjoining the lands of Wm. F. Fenby and others. This is a desirable body of timber and is conveniently located for farm uses.

Terms of Sale:—One third cash on the day of sale or on the ratification thereof by the Circuit Court for Carroll county, in Equity, and the residue in two equal payments, one year and two years from the day of sale, with interest on the credit payments from the day of sale or all cash, at the option of the purchaser or purchasers. The credit payments to be secured by the notes of the purchaser or purchasers, with approved security, bearing interest from day of sale.
