Clarement N.H. May 5th 1835

My dear Sir

I have this moment returned from a tour northward & found a letter from you stating that your Trus. could purchase a draft on Boston at par. that being the case I should advise it done at once & sent on, as our banks who keep up a deposit in Boston will be glad to take it & pay their notes to the full amount of its face — Two hundred dollars is the amt desired — Let it be on a Bank of prepaid & payable at sight. You speak of letters for me in the office: please retain them safely until you see my face, which will be in Town three or four weeks —

Yrs Truly

By the way! Upon reflection I decide writing. Send my letters or letters to me with the Staff of Office upon the very hand to be sent leaving for him in Boston
