Baltimore, Oct 15th 1856

Rev. & Dear Sir

Dear Sir, I beg leave to call your attention to a matter of interest in our last proceedings and relating to the Schools which I have built for the Colored people. Should your Society still feel disposed to give us the benefit of the following bill in behalf of people who may have arrived & sailed. We will thank you to have it sent in early from Baltimore & Philadelphia not later than the latter date. I shall not have charge of the bill after this voyage & I shall take pleasure in doing it for the last time. If I can be of any other service to you in your respective place command me.

Very truly & respectfully yours
