Your purse strings

will loosen as you pass our store and see the windows "crowded with bargains."

Note the prices—pick out the ones you like—and have them put aside for you until you are ready for them.

If you have never dealt with us, it is your fault; but if you deal with us just once and do not continue, it is our fault, So come in to see us and give us a chance.

We enjoy showing our goods just as much as you do seeing them, and we will see if we cannot show you some bargains.

We are yours for business.

PRICE ELECTED FOR BOTH TERMS

The election of Jesse D. Price to Congress in this District was by a small majority. The inactivity of the voters as a whole is what cut down his vote. Kent did better than most of the other counties and the Democrats here with Charles L. Dodd, Chairman of the Committee, are to be congratulated at the great victory. The State Central Committe had the county well organized and did splendid work.

Duer's home county gave nearly a thousand majority for him while Wicomico was a great disappointment to Price.

The vote in Kent was about 1,000 short and most of the stay-at-home were Democrats. It was this condition which prevailed over the District.

In the State the Democrats elected five Congressmen, but Johnson was defeated by Mudd in the Fifth District. The result of the counties is as follows:

First Congressional District.

"JOHN WALTER" WINS

Kent helped in fine style to swell the majority of that "Grand Old Man," Hon. John Walter Smith. He was able without a letter from President Wilson, to carry Maryland by over 15,000. When all conditions are considered this is certainly a flattering showing for Mr. Smith. The vote is as follows:

For United States Senate.

	Smith, Dem.	Carrington, Rep.

HOOF AND MOUTH DISEASE.

President H. P. Skipper was called to Baltimore Thursday to take action looking to the quarantine of the State against infected cattle. He says there were 40 head of cattle killed in Washington county and now Frederick county cattle have the disease. In the West some blooded cattle worth thousands of dollars were killed. The Chicago Union Stockyards, the largest cattle market in the world, which has been in continuous business since 1835, was ordered closed for several days because of the prevalence of the hoof and mouth disease among cattle.

In 10 days, it is planned, the stockyards will be thoroughly rid of contagion. The process of elimination wil include the destruction of infected cattle, the disinfection of cattle pens and the killing of all rats. After that business is to be resumed as usual.

The immediate effect of the suspension order will be to stop the shipment of cattle, sheep and hogs to the Chicago market, which amounts to almost 100,000 head daily. This alone, outside of the meat packing industry, amounts to a daily business of $1,200,000 and affects 35,000 employes.

STOCK FOR SALE.

Intending to quit farming I will sell at private sale 4 GOOD HORSES—Black mare, 7 years old, good worker and fine driver; dark bay horse, 5 years old, by Marvil King, good worker and driver; bay horse, 4 years old, good worker and fair driver; colt, 3 years old next spring.

BOLGIANO'S Perfect Seed Potatoes

The United States Agricultural Department places their Tag of Inspection and Approval on every sack of SEED POTATOES Purchased From J. BOLGIANO & SON.

CERTIFICATE OF QUALITY.

This is to certify that I have had charge of all the Seed Potatoes grown for J. Bolgiano & Son, during this growing season. I have been with them since April 15th; looked after the selecting of their seed and the treating of the same, have also had charge of the spraying during the growing season. There was nothing planted but the very best selected seed, and nothing has been left undone to have them right. The crop is now being harvested, and the results of my work are most satisfactory. We are harvesting one of the largest crops ever grown in Aroostock County, Maine, and of the finest quality, free from any disease and true to name. I spent some time in Washington, D. C., with the Horticultural Board before coming here and their ideas of producing FIRST CLASS SEED have been carried out to the letter for J. Bolgiano & Son.

RECESS APPOINTMENTS

Postmaster M. Wilbur Thomas Succeeded by Mr Thos. D. Bowers at Chestertown—Mr. Finley Collins' Name Sent in Again—Mr. Chas. Judefind Named to Supplant Miss Hynson at Rock Hall.

As soon as the echo of the election in Maryland and elsewhere had been heard in Washington there fell from the President's plum tree three postoffice appointments, one of which had been looked for since August, 1913, viz., Chestertown. Congressman Covington recommended Mr. Eben F. Perkins as the successor to Postmaster M. Wilbur Thomas and this name was sent in by Postmaster General Burleson. The President, however, desired to grant the request of his friend, Hope H. Barroll, Esq., who had recommended Mr. Sam'l Hicks over Messrs. J. Hydie Thompson, Robert F. Moffett and others. Mr. Barroll for some reason withdrew the name of Mr. Hicks and recommended Mr. Thomas D. Bowers, whose appointment was made during the recess.

The new appointee has been one of the editors of the Transcript and should make an efficient servant of the public. The salary is $2300 net. The employes are under civil service.

The retiring official, Mr. M. Wilbur Thomas, has set a high standard for his successor and leaves the elegant new quarters with the commendation of the citizens generally.

Mr. W. F. Collins has been waiting for his re-appointment for six months and will serve the people to the best of his ability.

The Rock Hall appointment is rather out of the ordinary. Miss Hynson won her place by competitive examination and the naming of Mr. Judefind is quite a surprise. The office was raised to the third class on October 4th and became a Presidential office.

We are sure the public will heave a sigh of relief that these offices have been filled at last by Democrats.

The new postmaster will take charge at once and his commission will be for four years.
