WILSON TO WED NEXT MONTH

Washington, Nov. 1.—President Wilson and Mrs Norman Galt will be married during the Christmas holidays at the home of Mrs. Galt on Twentieth street in this city. The official announcement was made when the couple returned from an early morning walk. It follows:

"In order to quiet speculation, President Wilson and Mrs. Norman Galt today authorized the statement that their marriage will take place near the close of December. Their plans are for a very simple ceremony. It will be quietly performed at Mrs. Galt's residence. No invitations will be issued and it is expected that the only guests will be members of the two families."

Mrs Galt was on the way to New York before the information was given out. Mrs. Galt is expected to remain in New York until Friday. The President is scheduled to deliver his national defense address at the Manhattan Club on Thursday evening.

The President will leave Washington tomorrow to vote in Princeton, but will return to Washington during the evening.

THE Circuit Court for Somerset county completed the trial of the oyster cases except four Wednesday the aggregate amount of damages awarded in the cases tried, 38 in number, covering 2,515 acres of oyster ground in the Tangier Sound, Manokin, Annamessex and Pocomoke Rivers, was $257,975.

Spook Night Parties—Halloween was a joyous occasion in Chestertown, the streets being alive with fantastic figures. The behavior and less corn and flour used than ever before.

Joseph Harbison, son of Mr. Joseph H. Harbison, was made up to represent "Charlie Chaplin," the famous comedian of the movies, and did so in a fashion that made amusement for so many and he was continually the center of attraction.

Another very unique figure was a boy made up to represent a shock of fodder and was an odd figure indeed walking the streets of the town, while a little girl, with a head resembling a cat, followed him closely.

At ten o'clock a hundred or more college boys dressed in pajamas, paraded the town, gave the college yells, the snake dance, mock duel, serenaded several of their lady friends and marched back to the college.

Miss Ida Smith gave her scholars of the primary department a jolly party at her home on Washington avenue.

Little Miss Gladys Beauchamp, daughter of Mr. and Mrs. Connelly Beauchamp, gave party to fifteen of her young friends the same night.

The ninth grede of Chestertown High School entertained the tenth grade at a halloween party Saturday night in the Assembly Hall. All were dressed in fantastic or unique costumes and each represented some historical character.

The Daughters of America of Chestertown met at the home of Mr. and Mrs. Samuel E. Cooper Monday evening and held an enjoyable halloween party. All were masked and dressed for the occasion and presented appearances that were unique, grostesque, weird and comical.

THE contest inaugurated by Mr. Medford Brooks as to how much cob corn shrinks was closed yesterday. Mr. Brooks put 517 bushels of corn in storage for 12 months and it measured out 414 bushels and 48 pounds. Mr. James Metcalf won the prize, his guess being 415 bushels.

Acetylene Lighting.—Dr. Frank W. Smith, of Fairlee, and Mr. George W. Watts, of Worton, purchased last week a Pilot Generator of Mr. G. E. Williams who represents the Oxweld Acetylene Co. of Newark, N. J., and Chicago, Ill. Mr. Williams also sold Mr. Geo. M. Hadaway of Quaker Neck wharf. Queen Annes county is also getting the fever of putting in Acetylene Gas in their homes for lighting and cooking, Mr. Williams having recently sold a Pilot to Mr. David Wallace, Jesse Phillips, Mrs. Isaac Newton, and the M. E. Church all of Barclay. The Chesapeake Hotel and Rigby Hotel of Betterton, have used the Pilot for the past eight years and have given perfect satisfaction.
