We have this 15th day of June, 1915, examined the aforegoing statement and find it correct, and have ordered it published in the Chestertown Transcipt and the Kent News, and have laid a State rate of 32½ cents on each $100 of property in Kent county for State purposes, and have laid a rate of 15c on bond special as provided by law, and have also laid a rate of $1.11 on each $100 of Real and Personal in Kent county subject to such tax for county purposes, excepting Bank stock, where the law prescribes a flat rate of $1.00 on the $100, while a portion of this under the law is subject to the incorporated towns in the county.

ATTEST:—In witness whereof we sign our names as County Commissioners of Kent county and affix the seal thereto.

HARRY NICOLS,

STATE OF MARYLAND, KENT COUNTY, SC:
I Hereby Certify, that the within statement of expenses for Kent county is correct as per books of County Commissioners office for the year ending June 15th, 1915.
In Testimony Whereof, I hereto subscribe my name and affix the seal of the County Commissioners for Kent county this 15th day of June, A. D., 1915.

SAMUEL HICKS,
Clerk to County Commissioners.

In justice to ourselves as County Commissioners and to the taxpayers of Kent county we are showing you below how the last Legislature increased the tax rate 10c on each $100, and where the rate is now $1.11, it would have been $1.01. We further think the sooner this matter of legislation is taken hold of by our citizens the better Kent county will be off. We as County Commissioners are powerless when our representatives go to Annapolis and make compulsory laws whereby we are compelled to obey.

Abatement on furniture	$3,000.00
Reduction on bank shares	1,212.12
Interest on extra bonds	2,700.00
Providing for extra bonds	1,000.00
Sup. to Tax Commission in certificates	809 35
Sup. to Tax Commission in cash levy	1,000.00
Total	$9,721.47

In the year 1910 the debt of the county was $110,757.21. We had devised plans where, in 1913 we had reduced that debt to $32,202.51 and to-day we find it back to $97,214.47.
