Election TUESDAY, November 7th.

Some doubt was expressed about the sincerity of Squire "Bill" Garland in opposing the Poe amendment during his recent fight for Democratic executive of the Third ward of Baltimore, in which he was successful. He has set all doubts at rest, however, by fiercely attacking the measure, in a speech on Monday night before the Democratic Organization Club of the ward.

Ex Gov. Frank Brown was refused registration in the Ninth precinct of the Eleventh ward of Baltimore, upon a transfer from the First precinct of Freedom district, this county, having been challenged by the Republican precinct executive. The ground of objection is lack of residence in the legislative district for six months. The matter was referred to the supervisors of election.

Ten or twelve years ago a Carroll county Democratic convention resolved that Gormanism denied the rights of the people, and the leader of the party made a speech endorsing the resolution in the most emphatic manner. The verity of that resolution is being demonstrated in a most remarkable manner today. Gormanism is seeking perpetuity of power through the Poe Amendment, which denies the people their rights and subjects them to the will or caprice of the registrars of voters who, if the amendment shall be adopted, will have absolute power over their suffrages. Nothing more intolerable was ever attempted by the Gormanism denounced by the Carroll county Democrats, evil as was the record of the Ring before 1905.

The Republican Ticket.

The Republicans of this county will be gratified to learn that Mr. William W. Witherow, who had been qualified as a registrar of voters and judge of election before his nomination as a candidate for the House of Delegates on the Republican ticket and while holding that office could not have served in the legislature if elected, has become eligible to that station by resigning as an election official. For a time it was apprehended his resignation might not be accepted, but that fear was without foundation. Mr. Witherow's high character makes him a very desirable candidate and adds strength to the ticket.

The place made vacant on the House of Delegates ticket by the ineligibility of Dr. Daniel F. Shipley has been filled by the Carroll county members of the Republican State Central Committee, who, as it was predicted, have named Mr. Jacob B. Lynerd, of Manchester district, as the candidate. Mr. Lynerd is an intelligent farmer, near Manchester and a thoroughly reliable and upright gentleman. His selection maintains the strength of the ticket, which was fully recognized when the nominations were made by the convention.

Shortly before going to press today we were informed that Mr. John D. Engle has declined the nomination for County Treasurer and that the committee has selected Mr. Calvin R Chew, of Patapsco, as the nominee. Mr. Chew is not only thoroughly competent for the position, but is held in the highest esteem, by all who know him, as a man of uncompromising integrity and devotion to duty.

Henry M. McCullough, of Cecil County, For Comptroller of the Treasury.

The Republican State Convention, which in obedience to the call of its chairman, Hon. Charles J. Bonaparte, reconvened in Baltimore on Wednesday, nominated State Senator Henry M. McCullough, of Elkton, Cecil county, as the party's candidate for Comptroller of the Treasury. The nomination is a most excellent one and should command the united and enthusiastic support of the entire body of Republicans of the State. The nominee is a gentleman of the highest character and marked ability. He is a leading lawyer of Cecil county and a citizen of whom any community might well be proud. His name at the head of the Republican ticket should, and we believe will, be a tower of strength.

There were no dissenting voices in the convention in relation to his candidacy, every delegate enthusiastically endorsing his nomination. Too much cannot be said in praise of such a man and the voters of Maryland will do themselves honor by electing him as the head of the Treasury Department of the State. The SENTINEL says this in all sincerity and most earnestly urges all Republicans to unite in an effort to secure his triumphant election.

Last Day of Registration.

Tuesday next, October 10, will be the last day of Registration for 1905. Every unregistered Republican entitled to have his name on the list of registered voters should not fail to have it placed thereon on Tuesday. Get registered and vote for the Republican nominees and against the infamous Poe amendment.
