THE MARYLAND LEGISLATURE.

As predicted in the SENTINEL last week the Organization Democrats have affairs all their own way at Annapolis. The House caucus, held on Tuesday night, easily named Mr. Carville D. Benson, of Baltimore county, for speaker, giving him nearly four-fifths of the votes of all the members present. In the Senate a stronger fight was put up against the bosses, and for a time Senators Seth and Moore received a tie vote. At length, however, a couple of Senators, who had been voting for Senator Beasman, went over to Gen. Seth and he was nominated for the presidency of the body. Senator Moore was strongly but unsuccessfully urged by Governor Warfield, Ex-Governor Smith and other anti-organization men. In selecting Gen. Seth for the place a long-standing precedent was violated, it having been the usual custom to elect a holdover Senator. The action, it is said, was a slap at Ex-Gov. Smith, who has been very hostile to Gen. Seth's election.

The action of the caucus was carried into effect on Wednesday, but it was necessary to send for Mr. Myers, of this county, who was unable to attend the House caucus, because of illness, to assure a majority for the slate. In the Senate the republicans voted for Hon. Wm. B. Baker for president, and in the House for Mr. David H. Fenton, of Montgomery county, for speaker. The only officer elected in either branch from Carroll county, is Mr. George A. Shower, of Manchester, as sergeant-at-arms of the Senate.

The Governor's message, which was submitted on Wednesday, is particularly severe on the grafters and lobbyists whose presence at Annapolis, in sinecure offices, under Democratic boss rule, has brought scandal and reproach upon the good name of the legislature.

A MODERN MIRACLE.

"Truly miraculous seemed the recovery of Mrs. Mollie Holt of this place," writes J. O. R. Hooper, Woodford, Tenn., "she was so wasted by coughing up puss from her lungs. Doctors declared her end so near that her family had watched by her bed-side forty-eight hours; when, at my urgent request Dr. King's New Discovery was given her, with the astonishing result that improvement began, and continued until she finally completely recovered, and is a healthy woman to-day." Guaranteed cure for coughs and colds, 50c and $1.00 at all Druggists. Trial bottle free.

MAY LIVE 100 YEARS.

The chances for living a full century are excellent in the case of Mrs. Jennie Duncan, of Haynesville, Me., now 70 years old. She writes: "Electric Bitters cured me of Chronic Dyspepsia of 20 years standing, and made me feel as well and strong as a young girl." Electric Bitters cure Stomach and Liver diseases, Blood disorders, General Debility and bodily weakness. Sold on a guarantee at all drug stores. Price only 50c.

HALF THE WORLD WONDERS

how the other half lives. Those who use Bucklen's Arnica Salve never wonder if it will cure Cuts, Wounds, Burns, Sores and all Skin eruptions; they know it will. Mrs. Grant Shy, 1130 E. Reynolds St., Springfield, Ill., says: "I regard it one of the absolute necessities of housekeeping." Guaranteed by all druggists. 25c.
