ENTERTAINMENT COURSE

Chestertown Folks Are to Enjoy Rare Musical Treats During Fall And Winter.

A number of the representative citizens of Chestertown, emulating the spirit of Chautauqua, have become guarantors for a series of five splendid entertainments during the fall and winter, which promises to equal anything of the kind ever given in Chestertown. The first of these entertainments will be given next Wednesday evening in the Lyceum Theatre, when the great Burfer, one of the greatest fun makers and impersonators on the American platform, will be the attraction. This entertainment has been given all over the United States and Mr. Burgderfer has captivated his audiences wherever he has appeared. This entertainment will be followed by:

The Boston Lyrics, in a delightfully varied musical program on November 3rd.

The Fisher Shipp Concert Company, a high-class musical organization, on January 31,

The Morrow Brothers' Male Quartette in a delightful entertainment on Feb. 26, and

America's greatest entertainers—The Rounds Ladies Orchestra and Specialty company on April 5th.

The cost of season ticket for these five great entertainments will be $2 General admission tickets 50 cents.

The Chestertown citizens who are behind this movement have been put to great expense to provide this series of splendid entertainment and they deserve the hearty patronage of the people of the town. We shall keep you posted about these entertainments from time to time. But do not forget the first one, next Wednesday evening, at 8 o'clock, Lyceum Theatre—the great Burgderfer.

CHURCH NOTES

A collection of $1,000 was taken in the Chestertown M. E. Church Sunday morning towards the building of the new parsonage. A nest egg of $2100 was in hand when the building was started and only $3000 was to be raised. Since Sunday several hundred has been subscribed leaving less than $2,000 to be collected.

Miss Mayme Thompson directed the interesting services of the Christian Endeavorers Sunday evening at Christ Church. Mrs. Frank Hurlock sang a pretty solo.

Sunday, Oct. 8th will be Rally or Home Coming Day in Christ M. P. Church and Sunday School. Homers have been sent out and are expected to return to their "Home loft" on that day.

The Rev. L. E. Barrett, chairman of the bureau of sessions, has inquired of the Rev. George White Dawson if Asbury M. E. Church would be available for holding the next session of the Wilmington M. E. Annual Conference, should the committee on entertainment decide to meet in Wilmington.

The official board of Asbury Church in special session last Monday night extended a unanimous invitation for the conference to hold its next session in that church on the self-entertainment plan. This is the third time that the conference has been invited to meet at Asbury during the present pastorate. The conference, so far, has had but one invitation to hold its next annual session on the old-fashioned free entertainment plan, an invitation from Deal's Island. It is hardly likely that the latter invitation will be accepted, since many of the ministers would make an objection to going to Deal's Island in the month of March. Should there be no invitations of the old-fashioned variety, Asbury, the mother church of Methodism in Wilmington, will open her doors and extend a welcome to the conference session. The bureau of sessions is composed of the Rev. L. E. Barrett, the Rev. T. E. Martindale, the Rev. T. R. Van Dyke, the Rev. G. T. Alderson, the Rev. W. L. White.

P. A. puts new joy into the sport of smoking!

YOU may live to be 110 and never feel old enough to vote, but it's certain-sure you'll not know the joy and contentment of a friendly old jimmy pipe or a hand rolled cigarette *unless* you get on talking-terms with Prince Albert tobacco!

P. A. comes to you with a *real reason* for all the goodness and satisfaction it offers. It is made by a patented process that removes *bite and parch!* You can smoke it long and hard without a come-back! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette enjoyment! And that flavor and fragrance and coolness is as good as that sounds. P. A. just *answers the universal demand for tobacco without bite, parch or kick-back!*

Introduction to Prince Albert isn't any harder than to walk into the nearest place that sells tobacco and ask for "a supply of P. A." You pay out a little change, to be sure, but it's the cheerfullest investment you ever made!

Prince Albert is sold everywhere in tippy red bags, fat tidy red tins, 10c; handsome pound and half-pound tin humidors—and—that clever crystal-glass pound humidor with sponge-moistener top that keeps the tobacco in such splendid condition.

Interesting mission services are being held at St. Johns R. C. Church this week.
