ROCK HALL

The Teachers and Patrons Club of the Rock Hall High School are looking forward with fond anticipations to a successful season of entertainments during the coming winter. They have gone to considerable expense and sacrifice to institute the Lyceum course of entertainments for each month of the winter. Their object was not the making of money, but to furnish high-grade and instructive entertainment for the benefit of our people, young and old. It is sincerely hoped that the sponsors will have the encouragement of the general public in hearty co-operation and patronage. Season tickets are offered at reduced rates, and if purchased now will relieve the financial suspense of the promoters. The club is to be congratulated on their efforts to furnish wholesome entertainment for the youth, young manhood, young womanhood, middle-aged and aged of our community during the winter.

The Prohibition rally here last week was not much of a success. Very "few 'hibs" greeted the Congressional candate, Mr. Anthony, but there were others present who would have been delighted to hear the candidate through, but were forced to retire because of unruly conduct on the part of some who were not of our townspeople.

Mr. and Mrs. Wm. J. Hudson, of up the county, were week-end visitors to relatives and friends here.

Mr. and Mrs. H. Crew and Mr. and Mrs. Edgar Hague, of up county, spent Sunday with us.

Mr. George B. Twilley, of Chestertown, was a welcome visitor at the Sunday-school service on Sunday afternoon and took an active part in the Men's Bible Class exercises.

Mrs. W. T. Downey is making an extended visit to her son, Stanley R. and family, in Norfolk, Va.

Our good friend, C. E. Culley, is again police chief of Rock Hall, and he is right on the job.

Mrs. D. J. Moore is a guest of her parents, Mr. and Mrs. J. A. Casey.

Mr. A. Hanson Stavely, of Lynch, attended the P. O. S. of A. supper on Saturday night and made hustling efforts to get Camp 37 to do her share in reaching the mark set for December 30, viz: 100 Camps and 10,000 members, Maryland's quota in the Patriotic Order Sons of America. The following gentlemen did fine in behalf of the supper and festival: Jos. Downey, W. T. Downey, T. J. Elburn, T. E. Jones, A. Taylor, F. B. Jester, J. L. Lewis, W. R. Kendall, L. C. Ayres, A. A. Toulson, Wm. Biggs, P. J. Elburn, W. G. Davis, W. J. Ryan, Sr., and W. T. Harrison.

A number of our toilers who have been working in other States have returned. While wages are high where they have been engaged, yet the expenses are also very high, consequently the net income is small. For those who are willing to work and not indulge in high living, "dear old Kent" is O. K.

Since the organization of the Wilson, Lewis and Price Club here there seems to be quite a change in the political situation throughout the entire community. Before the club there seemed to be but very little political life or interest by democrats. Now everyone is aroused and thoroughly alive to the situation, and it seems certain that an old time effort and a solid front will be presented on election day. By an oversight we omitted the names last week of the following members: Chas. N. Kendall, Elmer G. Kendall, M. F. Conklin, Chas. Hamicker and Geo. T Whaland. Your correspondent has not seen the secretary of the club this week and therefore does not know how many have been enrolled since last week's report.

Episcopalians Take Stand Against Liquor

For the first time in the history of the church, according to well informed leaders, a stand on the liquor traffic was taken in the general convention of the Protestant Episcopal church. A resolution adopted by the house of deputies placed the church on record as favoring "such action in our legislative assemblies as will preserve the interests of temperance and the repression of the liquor traffic."

The action was an outgrowth of a memorial asking the convention to record itself as favoring nation-wide prohibition, submitted by the church temperance society through Francis L. Stetson, of New York.

Dr. Benjamin S. Haywood has been appointed pastor of First Church, Riverside, Cal. Dr. Haywood was pastor of this church for four years previous to his appointment by Bishop Cranston to the superintendency of Porto Rico Mission Conference. During this earlier pastorate the church grew in membership from 400 to 1,000 members and a new chapel and a parsonage were built. Following his work in Porto Rico he was appointed field agent for the Methodist hospitals. He is now connected with Sibley Hospital in Washington, D. C., and will take up his new pastorate November 1.
