Storage Batteries! Repaired

We are now repairing storage batteries of all makes, and having great success.

Having installed a complete repairing outfit and had a special course in battery construction we feel confident we can give the same results as city repair stations, saving delay in shipping, and can give you a report on the condition of battery while you wait.

Will test your battery and give advice free. Have this done once every two weeks.

Clover Seed

We have Red Clover that is the finest quality money can buy. No second grade carried in stock. Market continues strong, and we are making our prices only slightly higher than the city markets. The early lots of seed are always brighter and better than lots which come in during the rush of the season. We shall be glad to have you look at our seed and we will quote prices in keeping with the market conditions.

ALSYKE

This is lower in price this year than Red Clover. We have as fine a lot of Fancy Alsyke as one would wish to see.

TIMOTHY RED TOP ALFALFA

These are all about normal in price, there being but little change over last season. The very best of Alfalfa will be scarce later, and with the idea of getting the very highest grade, both in *germination* as well as purity, we advise you to look at sample and place your order now.

ORCHARD GRASS—We have about 100 bushels unsold. If you think of planting better buy quick.

New Year Ideals

On the first of January there opened before us all a new era of opportunity—opportunity for personal advancement and opportunity for increased helpfulness to others.

The Officers and Employees of this Institution look forward to 1919 as a year full of opportunity for service—

To make every financial transaction pleasant as well as profitable—

To have this institution regarded by our community residents in the light of a "financial home."

Together, may we all work wholeheartedly for national and individual success.

1919

Will It Bring PROSPERITY and GOOD LUCK or POVERTY and ADVERSITY?

WE KNOW THIS

That with those who keep a Bank Account prosperity has a better chance.

Why not start a Bank Account now? Be able when the year is old to say, with the prosperous ones: "Financially, the past year has been the best year of my life."

Don't be placed with the "quitter," who complains about "hard times and heavy taxes."

THE KENT COUNTY SAVINGS BANK has administered to the wants of its customers through good times and hard times, Peace and War, doing its best always to render substantial and efficient service.

You are invited to associate yourself with us as a depositor and continue to grow with us.

MOTOR TRUCK SERVICE

A motor truck parcel post route between Wilmington and Salisbury with Chestertown as the terminal point is to be started next Wednesday or Thursday. Mr. Mullin, assistant superintendent of mails of Philadelphia postoffice, and Mr. Garvey, Fourth Assistant Postmaster General of Washington, were in town yesterday going over the route. The schedule makes the truck leave Salisbury 6 a. m., arriving here 1 p. m. Another truck leaves Wilmington 6 a. m., reaching here at 10.45 a. m. Returning will leave here for Wilmington 1.20 p. m., and for Salisbury at 11.05 a. m.

Any kind of mail will be carried but its main object is to carry parcel post stopping at Kennedyville and Galena in Kent. Two soldier boys will be put on each truck and an emergency truck stored here. This line will be developed so as to take live poultry and other stock, bringing newspapers, etc. It is certainly a step toward helping the public and it is hoped Postmaster Bowers will have the co-operation of the farmers in making this line a success.

Announcements—Mrs. George Beck announces the engagement of her daughter, Violet Ringgold, to Mr. Samuel C. Emory. The wedding will take place very quietly at St. Paul's Church on Saturday, February 8th, at 2 p. m. No cards.

**A Ford garage is to be erected on the lot on Cross street next to Janes M. E. Church owned by L. B. Russell. John N. Bennett, who has withdrawn from the A. S. Turner & Co. Garage will establish headquarters at the new plant.

**A lady visitor to the Kent County Savings Bank this week remarked that it was far ahead of many city banks in its beautiful interior adorned with waving palms. It is a credit to Chestertown and to the county.
