KENT COUNTY EXHIBIT
DECEMBER 9th, 10th, 11th

Have you a premium list? If not, get one from your County Agent or ask your neighbor to let you see one. There are 1500 of them scattered about the county. Look at the big list of 218 different products and articles to be exhibited by our people of Kent County. What can you bring to help swell the size and quality of your show and our show?

There are many premiums of good value besides lots of small money prizes. How many can you win? Yet the spirit of the exhibit is to bring something, the best you have, and all you can to make the exhibit a big success even though you nay not win a small prize, which, if won, would not pay you for your effort. The greatest return expected from an exhibit of this nature is not a personal one; it is to make Kent County a better Kent County.

Educate your children by bringing them to the exhibit where they will see what we raise, and what varieties are best, and what particular articles are best in each variety, so they will know the best when they see it and always work for the best. This opportunity should not be missed by anyone in Kent County who makes his living from the soil or who makes his living from the farmer. All business men and professional men are especially invited to spend a few minutes at the exmibit to show their interest in their county and the people of Kent County.

Remember, bring your exhibits to the Chestertown High School Auditorium, the place of the exhibit, anytime Saturday, December 6th, or on Monday, December 8th, so that they will be in place for the exhibit which will be Tuesday, Wednesday and Thursday, December 9th, 10th and 11th. Admission is free. Come one! Come all!

And Now For the Christmas Gift!

For the Smoker

Our stock of Smoking Stands is ready. They are a very acceptable gift, for not only are they a convenience to the man who smokes, but they keep the ashes and match sticks where they belong.

These smokers come in fumed oak and mahogany finish and in brushed brass.

Standing ash receivers with tray easily removed for cleaning, marked **$1.75, $3.25, $3.75, $5.50** and **$8.00.**

In brushed brass, with glass tray they are marked **$4.50, $5.00, $6.50, $7.00, $8.00** and **$12.00.**

Some of these are adjustable to different heights.

There are a number of the smoking sets in fumed oak and mahogany with automatic lighter, blue and green glass trays, tobacco jars and some with air-tight humidors. There is a wide range of styles and they are priced **$10.00, $12.00, $13.50, $20,00, $27.50, $37.00.**

Cedar Chests

We have some twenty odd styles and anumber of sizes to selest from.

These chests are all of genuine Tennessee red cedar—pungent and oily — an ample protection from moths. They come mostly in "Skirt length" sizes —42 to 54 inches long — but smaller boxes, particularly used for fur storage, can be had.

One particularly good design has rounded corners with a close fitting dust-proof lid, double brace, and is marked in the various sizes, **$29.00, $34.00** and **$38.00.** This is a very popular type of chest.

Another box, 48 inches long and extra width and depth, especially suited for bedding, is marked **$36.00.**

These special chests in a smaller size are marked **$20.00, $23.00** and **$25.00** each.

All these chests are rubbed and polished and finished in the light natural cedar. They are all fitted with wood handles and strong, dependable locks. They are widely used for hope chests and a bedroom or storage room these days seems incomplete without one.

Is there some one on your list who needs a cedar chest?

A Xmas Cabinet

Thankful daily is the giver of a Sellers Kitchen Cabinet. Surely no more useful, more appreciated gift could be made to wife or mother. Here is a Christmas gift that will be used daily and many times a day, a gift that will save countless steps and lessen greatly the drudgery of the kitchen.

You know, too, when you give a Sellers Cabinet you give the very best you can buy. In no other can you obtain so many new and exclusive features. They alone have the nat-proof casters, the base shelf extender and the very convenient automatic lowering flour bin. All cabinets are made of oak and all have a genuine porcelain sliding top.

These cabinets come in two sizes. The Kitchen Special, 42 inches wide and 70 inches high, and the Mastercraft, 48 inches wide and 70 inches high. The appointments of both cabinets are the same. The Kitchen Special is **$52.00** net.

The Mastercraft is **$60** net.

They can also be had in white, grey and blue enamel.

Why not suggest one as a "club" present to wife or mother?

Floor Lamps

Very popular and extremely decorative are these floor lamps. They give just the right amount of soft, subdued light and come in shades to harmonize with any interior.

These bases of these lamps are of mahogany and are all fitted with two chain-pull socket.

All shades are double, in many cases the silk lining being of contrasting color, so that the lighted and unlighted effect is entirely different. The shades and bases are priced separately so that any combination may be had.

We can supply these lamps to order fitted for gas. We can supply to order the shades covered in your material to match your hangings. These lamps complete with shades range from **$30.00** to **$150.00.**

Chairs---Little, Big and Medium

And of all woods and colors and covers. There is always some one of the family who has been wishing and wanting a chair of their very own. Here are hundreds of styles to choose from. There are the cunning little children's chairs in oak and in ivory enamel and in ivory and mahogany, copies of the grownup ones. These range in price from **$4.00** to **$16.00.**

Here are dozens of wood and leather seat Rockers in oak and mahogany finish and in solid mahogany. The wood seat chairs range from **$7.00** to **$35.00,** and included are the popular Windsor chair in various finishes and modifications. Leather seat rockers are extremely comfortable a chair particularly adapted for livingrooms. These range from **$20.00** to **$35.00.**

And then there are the big, comfy easy chairs covered in tapestry, velours and leathers. They are chairs that anyone would be glad to meet on Christmas morning; chairs that mean hours and hours of comfort. They range in price from **$40.00** for an exceptional value in a denim covered fireside chair to the big, morocco covered lounging chairs at **$100.00** and **$120.00,** and up to a wonderful silk damask covered fireside chair at **$200.**
